THE FOUR-WAY TEST

Of the things we think, say or do:

- first** Is it the **TRUTH**?
- second** Is it **FAIR** to all concerned?
- third** Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?
- fourth** Will it be **BENEFICIAL** to all concerned?

CLUB ASSEMBLY & BOARD MEETING TODAY

This month we celebrate Club Member, Eddie Watts, who will celebrate his birthday on August 30!

Rotary News & Information

THE CLASSIFICATION PRINCIPLE

The Rotary classification principle assigns each member a classification based on their business or professional activity, not their job title. It reflects the main function of the company or individual's work, such as "banking" rather than "bank president." This ensures clubs represent a broad cross-section of the community's business and professional sectors. Classifications can reflect specific roles, industries, or divisions within large organizations. While the principle is less dominant today, it remains important for maintaining diverse and representative club membership.

Lindale ISD Back to School!

The Lindale ISD teachers are back on campus, and students will return to school on Wednesday, August 13. With the start of the new school year, please remember to be extra cautious while driving, especially near school zones, bus stops, and crosswalks. Mornings and afternoons will likely bring heavier traffic and longer drive times, so plan ahead and allow a few extra minutes for your commute. Let's all work together to keep our students, parents, and staff safe as they begin another exciting school year!
