

The Rotary Club of Marshall  
Marshall, TX 75671

Greetings,

I would like to invite you to participate in *The Rotary Club of Marshall's Parade of Flags* by subscribing to and proudly displaying the American flag in front of your place of business or in your neighborhood. It is my dream and that of the Rotary Club of Marshall that the City of Marshall becomes a wave of the Red, White and Blue on each of the flag holidays listed below:

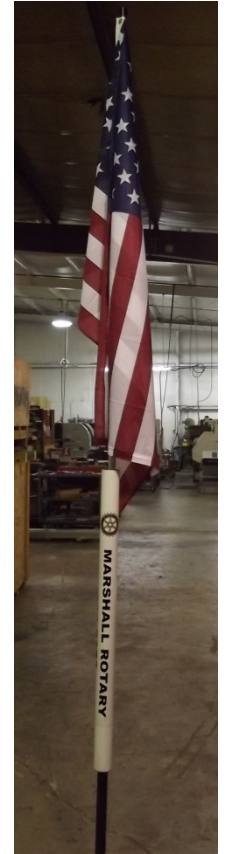

**President's Day  
Memorial Day  
Flag Day**

**Independence Day  
Labor Day  
Patriot's Day**

**Veteran's Day**

*Note that the more flags you order, the lower the cost per flag. The more flags you display the more dramatic and eye-catching the effect.*

Pricing and discounts apply to a single location. A separate Subscription Form required for each location.	
Order 1 - 4 flags @ \$50.00/ea	1 flag =\$50, 2=\$100, 3=\$150, 4=\$200
Order 5 - 9 flags @ \$40.00/ea	5 flags = \$200, 6=\$240, 7=\$280, 8=\$320
Order 10 @ \$35.00/ea	10 flags =\$350.00,
Order 15 or more @ \$30/ea	15 flags =\$450

Subscription period January 1, 2019 - December 31, 2019

The flags will be placed on your property or place of business and at the location(s) you specify 1 - 2 days prior to the holiday and retrieved after the holiday, except on two occasions: (1) the flags will fly continuously from Memorial Day through Independence Day; (2) and again from Labor Day through "9 - 11" (Sept. 11). There is a choice of in-ground or free-standing holders for the flags. There is a slight additional charge for the free standing mount. A Rotary member will work with you to determine what will be best at your location. The proceeds of the project will benefit the many programs the Rotary Club of Marshall supports. Please join us in presenting this beautiful patriotic statement around our wonderful city and consider this meaningful venture worthy of your support.

Sincerely,

*The Rotary Club of Marshall, Parade of Flags Committee*

Disclaimer: The In-Ground Flag Mounts are designed so as not to require marking of underground utilities. Such utilities are required by law to be buried well below the depth of the In-Ground Flag Mounts. The Rotary Club of Marshall is not responsible, however, for damage to underground sprinkler heads or pipe during the installation of the In-Ground Flag Mounts, as these are installed at much shallower depths than utilities are, so all property with underground sprinklers must have each flag-mount location clearly marked by the owner/subscriber, or his authorized agent. Flags, flag poles, hardware, and Free-Standing Mounts are property of the Rotary Club of Marshall.

## Parade of Flags Subscription Form

### Location of Flags:

Physical Address of the location of the property or business where the flags are to be placed.

In Residential neighborhoods: The Preferred TYPE of mount is **Ground Mount**. The Preferred location of Flags is on the property line, or near your mailbox, or light pole. Flags must be at least 3 feet from curb on streets with curb & gutter where street parking is allowed. Locations with underground sprinkler systems must be marked with paint by the owner/subscriber of the property for in-ground mounts. Free-Standing mounts may be placed at the owner's discretion.

Commercial Establishments may choose mount TYPE and where to display their flags. It is the responsibility of the owner/subscriber to approve the location of In-Ground Mounts for each of the permanent flag mounts, or to designate the location of Free-Standing mounts.
