

The Rotary Club of Marshall
 P.O. Box 1112
 Marshall, TX 75671

Greetings,

The Rotary Club of Marshall would like to invite you to participate in the Parade of Flags by subscribing to and proudly displaying the American flag in front of your place of business or your home. The more flags you display, the more dramatic and eye-catching the effect. We dream that the City of Marshall becomes a wave of red, white, and blue on each of the flag holidays:

President's Day Memorial Day Flag Day Independence Day Labor Day Patriot's Day Veteran's Day

Pricing and discounts apply to a single location. A separate subscription form is required for each location. Subscription period January 1, 2023 - December 31, 2023. If ordering mid-year, please contact The Rotary Club at (903) 742-1535 for pro-rated pricing.	
Order 1 - 4 flags @ \$50.00/each	1 flag = \$50, 2 = \$100, 3 = \$150, 4 = \$200
Order 5 - 9 flags @ \$45.00/each	5 flags = \$225, 6 = \$270, 7 = \$315, 8 = \$360

Rotarians will place the flags at the location(s) you specify 1 - 2 days before the holiday and retrieve them after the holiday, except on two occasions: (1) the flags will fly continuously from Memorial Day through Independence Day; (2) and again from Labor Day through "9 - 11" (Sept. 11). There is a choice of in-ground or free-standing holders for the flags. There is a \$5.00 annual charge for each free-standing mount. A Rotary member will work with you to determine what will be best at your location. The proceeds of the project will benefit the many programs the Rotary Club of Marshall supports, including local grants to Read to Ride, Mission Marshall Food Pantry, and service projects in our community. Please join us in presenting this beautiful patriotic statement around our wonderful city, and consider this meaningful venture worthy of your support.

Sincerely,
The Rotary Club of Marshall Parade of Flags Committee

Disclaimer: The In-Ground Flag Mounts are designed not to require the marking of underground utilities. Such utilities are required by law to be buried well below the depth of the In-Ground Flag Mounts. The Rotary Club of Marshall is not responsible, however, for damage to underground sprinkler heads or pipes during the installation of the In-Ground Flag Mounts, as these are installed at much shallower depths than utilities are, so all property with underground sprinklers must have each flag-mount location marked by the owner/subscriber, or his authorized agent. Flags, flag poles, hardware, and Free-Standing Mounts are property of the Rotary Club of Marshall.
