

Parade of Flags Subscription Form

Location of Flags (Physical address of the property where the flags will be placed):

*Please note:

- In Residential neighborhoods - the preferred mount is Ground Mount. The preferred location of Flags is on the property line or near your mailbox or light pole. Flags must be at least 3 feet from the curb on streets with curb & gutter where street parking is allowed. Locations with underground sprinkler systems must be marked with paint by the owner/subscriber of the property for in-ground mounts. Free-Standing mounts may be placed at the owner's discretion
- Commercial establishments may choose the mount TYPE and where to display their flags. It is the responsibility of the owner/subscriber to approve the location of In-Ground Mounts for each of the permanent flag mounts or to designate the place of Free-Standing mounts.

Name of Owner/Subscriber: _____

Disclaimer: The In-Ground Flag Mounts are designed not to require the marking of underground utilities. Such utilities are required by law to be buried well below the depth of the In-Ground Flag Mounts. The Rotary Club of Marshall is not responsible, however, for damage to underground sprinkler heads or pipes during the installation of the In-Ground Flag Mounts, as these are installed at much shallower depths than utilities are, so all property with underground sprinklers must have each flag-mount location marked by the owner/subscriber, or his authorized agent. Flags, flag poles, hardware, and Free-Standing Mounts are property of the Rotary Club of Marshall.
