Dear Mr. Alcerreca,

The Rotary Club of Marshall, TX and The Club Rotario de Villa de Alvarez of Colina, Mexico voluntarily agree to work together in Rotary. The goal of this Agreement is to meet the needs of people in both communities and to create good will and understanding.

Either club can choose to void the Agreement at any time by sending written notice to the other Club.

The following is a list of possible activities and projects:

1. Exchange club bulletins, pictures and community information and club banners.
2. Consider a youth exchange.
3. Consider a Rotary Friendship Exchange of several Rotary couples for one week.
4. Develop a Rotary Foundation matching grant project for each club.
5. Exchange Christmas or other holiday cards.
6. Urge members to visit their matched club if they happen to travel in the country of their sister club.
7. The Clubs will look for opportunities to host young people from the other community for short or long term youth exchanges.
8. The Clubs will plan a joint activity at the annual Rotary International Convention when members of both clubs are in attendance.
9. We will have available up to \$2,500.00 to be applied to a worthy project in your town. Hopefully, the project will qualify for a match by the Rotary Foundation.
