

Book Drive

Literacy Council of Tyler

Rotary Club of South Tyler is
Collecting for the Month of September

South Tyler Rotary is collecting books for the Literacy Council to pass out to their clients. We are looking for gently used books- especially children's books! Please contact Brandie Henderson via text or call @ 512.565.9570 for pick up or more information!

~January 2019 from Social Science Research: "Research has shown that a home library can promote reading and math skills more than education alone can do."

~Scholastic.com, "Decades of research provide convincing evidence that reading aloud to children plays a significant role in academic success and beyond."

Donations to Literacy Council are always welcome www.lcotyler.org
