Why are you interested in joining Perrysburg Rotary?	

New member proposals are considered at monthly board meetings on the second Wednesday of each month.

Upon approval by the board and club membership, you will attend an orientation session with our membership committee. After the orientation session and payment of dues, we will schedule your induction during a Friday meeting time that is convenient for you.

We encourage you to attend Friday meetings or other club events during the membership process to learn even more about our club and to interact with other club members. Our events are found on our club website at www.perrysburgrotary.org.

Thank you for your interest in Perrysburg Rotary. By joining our club you will be connected with wonderful members in Northwest Ohio as well as 1.2 million members of Rotary around the world. Learn more about the global impact of Rotary at rotary.org.
