**You're invited to my *thank you* party as magician extraordinaire STEVE CUIFFO performs his standup comedy act just for us!**

**Bring family and friends for this special event--let's fill every seat in the house; a great time to introduce potential new members!**

STEVE CUIFFO is an actor and magician. In 1992, he was the youngest person to receive the Society of American Magicians award for close-up magic; he was fourteen. In 1997, Steve and his performance collaborator, Derek Hughes, received the International Brotherhood of Magicians award for stage magic with their piece entitled Express Train. Steve lives in New York City. (You may also know Steve as nephew of Joan & John Toffolon!) **More about Steve, click on [www.cuiffo.com](http://www.cuiffo.com)**

*L'est some of you think me unoriginal, I had hoped this to be my "opening act" last fall, but alas, is now my "closer"!!*

**June 28: OSilas Gallery, "The Hero Next Door"**

We will receive a **personal gallery tour** by organizer **Mike Fix** The memorial stories have been assembled by Michael Fix of Eastchester, a local historian, Vietnam era veteran, and one of the eight Founders of Westover Air force Base USO during Desert Storm/Desert Shield, who has spent years researching, collecting, and recording the lives and sacrifices of the lost local soldier.

**Buffet lunch served; \$20 per person; RSVP requested by June 22nd to [ssdonner@aol.com](mailto:ssdonner@aol.com) or 395-3224.**
