# Hello BROOKLINE

THE CONVERSATION GAME  
FOR LIVING AND DYING WELL

**Bringing Brookline residents together for meaningful dialogue about “what matters most”.**

Enjoy lunch and meaningful dialogue with Rotarians. Laura Baber, Community Outreach & Programming Coordinator for Center Communities of Brookline will facilitate. You'll leave with resources for "next steps" in your advance care planning, along with your HELLO booklet for future reflection. This is the *perfect* time experience “HELLO” as we have opportunities to be with loved ones over the holidays. Look for HELLO Brookline, sold at Brookline Booksmith!

*Funding provided by the Brookline Community Foundation*
