**Visit**

**[www.stophungernow.org](http://www.stophungernow.org)**

**for more information**

Help us achieve  
our goal of  
packaging  
10,000 meals!

Meals have a  
shelf life of  
2 years

The packages are  
shipped all over  
the world for  
feeding programs  
& crisis relief.

If you are interested, please sign up to  
volunteer at the Rotary Club of Concord website  
starting October 9<sup>th</sup>

The meal assembly process combines rice, soy, dehydrated vegetables & flavoring mix. There are 21 essential vitamins & minerals in the packages containing 6 servings.
