

The **Rotary Club of Concord** is bringing live music to the community again! Become a sponsor and join us outdoors at Rideout Park on May 23, 2026. This year's recipient of the funds is **Minute Man Arc's residential program**. The Rotary Club will work with house managers and residents to provide much needed items for the nine group homes.

Rockin' for the Community will be held **Saturday, May 23, 2026 from 1:00-7:00pm**, with live music, food trucks, children's games, and nonprofit/crafter tables. This is a free family-friendly community event. This year we're excited to announce the following performers: keyboard player Matteo Faso, children's performer Rockabye Beats, Ya Mon Mr. Hot Pepper, and the return of the **Fat City Band!**
