Friend Sponsors

Thanks to the support of last year's sponsors and golfers, the Rotary Club of Concord was able to underwrite over \$15,000 in scholarships in 2022. High college expenses often deter qualified students from getting the education they need and deserve. Rotary is determined to help as many students as possible. With your support, we provide scholarships and fulfill many other community projects.

The Rotary Club of Concord is a friendly, welcoming and fun group which strives to engage and involve all its members, focusing on signature projects that serve the local community and the wider world. You are invited to attend a meeting. We meet at noon on Thursdays, historically at the Colonial Inn, but during the pandemic via Zoom. Enjoy the fellowship and the speakers.

"I'm really enjoying my experience here at Georgia Tech studying neuroscience and public policy on a pre-law track. The Rotary scholarship has been an important part of my transition into college by helping me to acquire the textbooks and resources necessary to succeed. I am truly grateful to Rotary not only for this financial support but also for the lifelong friendships and growth opportunities that I was able to gain during my time in EarlyAct and Interact. Thank you again!"
