

## Corporate Community Service and YOU 2026 Sponsorships

The non-profit Rotary Club of Framingham — serving Framingham, Ashland, Holliston, and Hopkinton — invites you to join us in making our communities even better places to live.

Living our motto of **Service Above Self**, we provide support multiple food pantries, provide financial and hands-on help to families in crisis, host holiday parties and give gifts to children in need, provide leadership and service opportunities for area teens, and award financial grants to local charities to help them sustain their operations.

**Your sponsorship will allow us to reinvest in our community.**
