

## Get Involved.....

The Rotary Club of Framingham began in 1922 and serves the communities of Ashland, Framingham, Holliston and Hopkinton. Our members meet regularly to plan and implement community service activities. Our long-standing track record of service to others exemplifies our commitment to *Service Above Self*.

The club also has a strong commitment to the youth of our towns. We sponsor many Rotary programs, such as RYLA and an Interact Club at Keefe Tech. These programs are aimed at teaching and energizing the next generation of community service leaders.

Sponsored the installation of life ring buoys at each of the Framingham beaches.

Inspired by the American business reality television series, *Shark Tank*, the Innovation Challenge partners with local high schools and students design an innovative product or service that directly helps others in need.

# Engage Rotary.....

Rotary members throughout the world take action to make communities better. We contribute our time, energy, and passion to carry out meaningful and sustainable projects that promote peace, fight disease, provide clean water, help mothers and children, support education, grow local economies and protect the environment.

Rotary brings together a global network of volunteer leaders dedicated to tackling the world's most pressing humanitarian challenges. Rotary connects 1.4 million members of more than 46,000 Rotary clubs in over 200 countries and geographical areas. Their work improves lives at both the local and international levels, from helping those in need in their own communities to working toward a polio-free world.

The heart of Rotary is our local clubs. People who share a passion for community and friendship. People who bring our world closer and make a difference through service activities in their own communities and through humanitarian aid overseas.

# Join us for Lunch.....

You're invited to enjoy a complimentary lunch on us.

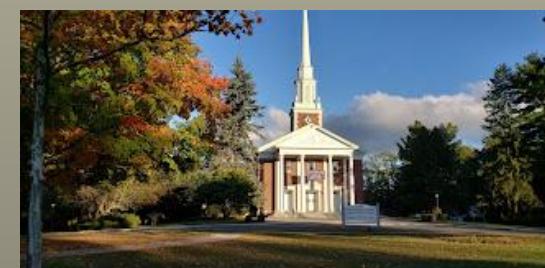

We meet every Monday at 12:15 pm for lunch at the Plymouth Church of Framingham. The meeting starts with an introduction of visiting Rotarians and guests, followed by announcements of club activities and projects. Lunch gives us a chance to catch up with friends and make new acquaintances as well.

Each week we feature a guest speaker whose topic is important to our community or of special interest to our members. Meetings adjourn promptly at 1:30 pm.

If you're interested in joining Framingham Rotary and would like to attend a luncheon meeting, please contact us at [info@framinghamrotary.org](mailto:info@framinghamrotary.org).
