The Rotary Club of Wellesley has announced their first **Repair Café** event on **Saturday, October 14 from 9AM to Noon** at the Wellesley Recreation Center (Room 008). For the uninitiated Repair Cafes are free meeting places that encourage repairing things (together) rather than tossing them out. At a Repair Café event participants will find tools and materials to help them make many effective repairs to clothes, furniture, electrical appliances, bicycles, crockery, gadgets, toys and more. There are currently over 1,200 Repair Cafes worldwide with a several in Rotary D7910. For further questions contact **Rotarian John Adams** (617-817-0314.) A detailed conversation about a repair before the event means a better plan to have the necessary parts and tools available for the repair.

Block out May 4-6, 2018 for the Multi-District Conference at Mt. Washington Hotel in Bretton Woods, NH, *Creating Positive Impact through Caring Service, Powered by You!*
