From **Diana Nestorova**, D7910 Governor 2020-2021:

*On Tuesday, May 19th we attended an incredible evening in a fireside chat format with First Lady of Massachusetts, **Lauren Baker**. She graciously engaged us and talked about the Mass Coronavirus Relief Fund and its impact on our communities. It proved to be a great opportunity about hearing what is happening in the Great State of Massachusetts and how this fund is impacting the people in areas where we work, live and serve. For more visit <https://www.macovid19relieffund.org/> You can watch the Fireside Chat at <https://youtu.be/tgywnGXXJc>*

*Let's join the fight against COVID19. Here's a way for Rotarians to serve from the safety of their home. We can be trained to tele-support to help during this crisis...and there are many opportunities. Rotarians from our neighboring District 7930 engaged Rotary International to recruit 1 million volunteers by signing up for "**Volunteers Serge**". You can train online, at no cost to become a Tele-health Worker or a Community Health Worker. Go to <https://the.globalimpactgroup.org/> to learn more and decide how you, your friends and family can participate. These volunteers provide basic assistance, reduce suffering and save lives, locally and across the nation.*
