caused by an incident (2008) where five Needham High School students committed suicide. *Shattered Ice* is a moving portrayal that blends the world of high school hockey with the true and tragic stories of students. His film recently won the “Most Impactful Award” at the Sedona Film Festival and is now the centerpiece of a New England-wide school and college tour. He showed us the first fifteen minutes of his film with “O Danny Boy” playing in the background. His film runs a full hour and a half. As Rotarian **Brian O’Connor** said, it all centers around ‘conversations’ with students in schools and colleges. “QPR” (*Question/Primary/Resuscitation*) initiates discussion and reflection about youth suicide as a major mental health issue. “Its positive approach is out there and organized.” He urged promoting the subject and spreading the word. It’s great for schools “without scaring them off.” Following his presentation Miskin led a thoughtful discussion aimed at mental health awareness and student connections. Everyone was encouraged to open the conversation to hope! He concluded with his interesting efforts about the costs of making a film and how many educational institutions were interested.

I am happy to announce that registration for the 2025-2026 District Installation ceremony on **Monday, June 16, 2025** is OPEN! It would be an honor if you could join us as we thank **DG Joyce Graff** and the 2024-2025 Club Presidents and Assistant Governors for their service to our organization and welcome the 2025-2026 leadership teams (District Governor, Assistant Governors, and Club Presidents) starting their terms on July 1, 2025!

2025 is a big year for us as we **“Unite for Good”**. Three clubs are celebrating their centennial year, and we will be featuring them at the District Installation ceremony which will be held at the Devens Commons Center, home of my Rotary Club of Leominster. My club just celebrated its centennial last week and is excited to be the host club of the District Installation event this year. This is the first time a District Governor has come from this club!

Register now to take advantage of the discounted rate as prices will go up on May 2nd.

I look forward to seeing you at 5:30 PM on Monday, June 16th at the Devens Commons Center.
