Joining Rotary

General Qualifications: Rotarians demonstrate good character, integrity, and leadership; possess good reputation within their business, profession, and/or community; and are willing to serve in their community.

Classification: Your "classification" is the primary industry/profession in which you work, or formerly worked if retired. One of the principles of Rotary is to include a variety of perspectives from many different fields of work.

Sponsor: Your application must be supported by an existing member of the Rotary Club of Chickasha. If you wish to join and do not currently have a sponsor, ask a member.

Dues: Members are billed quarterly. Quarterly dues are \$32. A \$15 weekly charge will be

billed for meals, regardless of attendance. Your first invoice will include a one-time \$35 new member fee. For details on dues or payment, see the Club Treasurer.

Process: Complete the reverse side of this form and submit it to a member of the Executive Board. Once approved by the board, the general membership will be notified of the proposal at the next meeting. If there are no objections within seven days, you will be inducted at the next meeting you attend.

Induction: At your induction, your membership will be considered effective immediately. You will be invited to share about yourself and your profession in front of the club. Expect a member to follow up to present you with new member materials and to arrange orientation.

Online Account

Your Rotary information is synced across two platforms: **ClubRunner** and **My Rotary**. Once inducted, you can access ClubRunner via the "Member Area" linked at the top of **chickasharotary.org**. Use the *primary communication email* given on your application to register. You can update your member profile and account preferences here at any time.

Your membership information will be synced with **my.rotary.org**, which is not only an excellent resource on Rotary membership as a whole, but allows you to manage your contributions to Rotary International. Your My Rotary account is a separate registration from your ClubRunner account.

Email notice: Once entered in the system you will receive one or more emails a week to your primary communication email as indicated. If possible, whitelist the domain "@clubrunner.email" to avoid messages being junked automatically. Certain email providers, particularly Outlook, may intercept and block club emails entirely.
