2026-27 Norman Rotary Club Student of the Year Scholarship

Dear Senior:

We invite you to apply for Norman Rotary Club's Student of the Year Scholarship that recognizes high school seniors for their outstanding accomplishments in leadership skills, academics, and extracurricular activities.

Our club will select a senior each month from each high school in Norman as our Students of the Month from November through April who will join us each week of their month at our lunch meetings on Thursdays. Then in May, three seniors (one from each school's Students of the Month honorees) will be selected as the **Norman Rotary Club Students of the Year which also includes a \$1500 Scholarship to be used towards higher Education Tuition and Expenses.**

The Student of the Year Application and Information link is accessible on our website at <https://www.normanrotary.org/#> on the lower right-hand side of our club's Home Page, "**Student of the Month 2026-27**". Download the application and complete each category. We are especially interested in how your activities and community service reflect your leadership skills and what your financial need may be for this scholarship.

Please return your completed application in person or email to:
