Norman Rotary Club Student of the Month

20 September 2017

PLEASE NOTE: DEADLINE HAS BEEN EXTENDED TO MONDAY, OCT. 23 @ 5:00 PM

Dear Senior:

Your excellent academic record has qualified you to be invited to apply for our Student of the Month program. The Norman Rotary Club has for many years recognized high school seniors for their outstanding accomplishments in academics, extracurricular activities and leadership skills.

Our club selects six (6) seniors to serve as Students of the Month for each month of the school year from November through April. Our committee will chose two representatives, one from Norman and one from Norman North, to serve for each month. One senior from each high school will then be selected as the **Rotary Student of the Year in May which includes a \$1000 scholarship.**

The application is available at our website www.clubrunner.ca/norman/. On the left hand side of the page, you will see the Student of the Month link. Click on this to access the Application and Information Letter. Please take time to review the application and note the qualifications for this honor. We are especially interested in how your activities and community service reflect your leadership skills and what your financial need is for this scholarship.

Please return your completed application to the Norman Rotary Club, c/o Richard S. McKinney, Jr., 3600 W. Main Street, Suite 200, Norman, Oklahoma 73072. **Applications must be received by 5:00 PM on Monday, October 23, 2017. Please note your application will be disqualified if not signed by your school counselor or principal.**

On behalf of the Norman Rotary Club, we extend our best wishes for continued success during your senior year, and we hope that you will participate in our Student of the Month program. You may reach me at 405.360.1400 or email me at mckinney@tmparch.com if you have any questions.

Sincerely,
