Moore Happenings

Making a Difference Here & There

Bears Repeating

Three candidates were being interviewed for admission into an advanced degree program, and were quite nervous. They hailed from the University of Arkansas, the University of Oklahoma, and the University of Texas. "One last question for each of you," said the head of the interview panel. To the University of Arkansas candidate came the following question: "What is the opposite of happiness?" The candidate smiled and answered, "Sadness." To the candidate from the University of Oklahoma came the question, "What is the opposite of joy?" The candidate smiled and answered, "Sorrow." To the candidate from the University of Texas came the final question: "What is the opposite of woe, spelled w-o-e?" The candidate had a huge grin as he answered, "Giddyup!"

No act of kindness no matter how small, is ever wasted.

After watching the Food Network, I made pureed nut spread with a grape relish reduction paired with a brioche bun. Best every peanut butter & jelly sandwich!

Club Assembly

Hello, Rotarians!

Welcome to our wonderful gathering today.

It is time this month for our Club Assembly.

As usual, we'll review what has been going on and what will be going on for our club and our community.

This is a great opportunity to share what we've seen and heard as we go about our daily lives. Rotary impacts our world and we should be celebrating it every single day!

Welcome to our world!
