Making a Difference Here & There

Bears Repeating

*When the world wearies and society fails to satisfy,
there is always the garden.*

...Minnie Aumonier

*Your cell phone already replaced your camera,
your calendar, your alarm clock...Don't let it
replace your family.*

*Never tell people how to do things. Tell them
what to do and they will surprise you with their
ingenuity.*

...George S. Patton

*Sometimes the reason good things are not
happening to you is because YOU ARE THE GOOD
THING that needs to happen to other people.*

...archann.net

*He said, "Try to learn to breathe deeply, really to
taste food when you eat, and when you sleep really
to sleep. Try as much as possible to be wholly alive
with all your might, and when you laugh, laugh like
hell. And when you get angry, get good and angry.
Try to be alive. You will be dead soon enough."*

...Ernest Hemingway

*When someone says "20 Years Ago" I still think
it's the '80s.*

...Charlie Brown

Little Things...

A horseshoe is a symbol of good luck
even tough you cannot make both ends
meet. A little more drive, a little more
pluck, a little more work - that's luck.

I believe in luck, how else can one
explain the success of those you
dislike?

...Jean Cocteau, 188-1963

What a man needs in gardening is a
cast-iron back, with a hinge in it.

...Charles Warner, 1829-1900

He who slings mud generally loses
ground.

...Adlai Stevenson, 1900-1965

The chief objection to gardening is
that by the time your back gets
used to it, your enthusiasm is gone.
