Moore Happenings

Making a Difference Here & There

Bears Repeating

Doing absolutely nothing on the weekends has started to feel more fun than actually going out.

Pretending to be a functional adult is exhausting.

People who tolerate me on a daily basis...they're the real heroes,

My last word will probably be oops.

The first five days after the weekend are the always the hardest.

I'm so hungry I could eat my own cooking.

I can't decide if people who wear pajamas in public have given up on life or are living it to the fullest.

Her nagging is a sign that she cares. Her silence means she's plotting your death.

I sometimes read read as read, when it's supposed to be read as read.

Make yourself at home (was my dishes)!

If you are in charge of a program for a meeting, please send the info no later than the Friday before that meeting to: ce8603@gmail.com

ROTARY TODAY

JULY 12, 2017

Hello Rotarians!

Our meeting today begins the new Rotary Year.

Our first guest of the year is Emily Drover with ALSAC, the branding and fundraising organization for St. Jude Children's Research Hospital.

Her efforts are designed to help the continued efforts to treat children with serious illnesses without charge to their parents.

Welcome, Emily!

Quick Little Comments...

Everybody is a genius. But if you judge a fish by its ability to climb a tree, it will live its whole life believing that it is stupid.
...Albert Einstein

I still think 1990 was 10 years ago.

There are no limits to what you can accomplish when you are supposed to be doing something else.

If you can finish your shampoo bottle at the same time as your conditioner, you are truly gifted.

What's the difference between a well dressed man on a bike and a poorly dressed man on a unicycle? Attire.

You can never lose a homing pigeon - if your homing pigeon doesn't come back, what you've lost is a pigeon.
