

**The Four-Way Test**

**Of the things we think, say or do:**

1. Is it the **TRUTH**
2. Is it **FAIR** to all concerned?
3. Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?
4. Will it be **BENEFICIAL** to all concerned?

 Scott Breshears.....

# Moore Happenings

Making a Difference Here & There

## Attention Please!

Comparison is the thief of joy!

--Leysa Flores

We all place ourselves in danger to one degree or another when we stand up. But we place our children and grandchildren in even greater danger when we don't.

--Will Battiest

Helium walks into a bar and orders a beer. The bartender says, "Sorry, we don't serve noble gases here." He doesn't react.

A Buddhist monk approaches a hotdog stand and says "make me one with everything."

There's a band called 1023MB. They haven't had any gigs yet.

### UPCOMING MEETINGS

June 22 Michael Cooper, Yellow Rose Theater

June 29 Club Assembly

Be sure to ask a guest to attend a meeting during June!

This will be a great time to introduce prospective members to Rotary!

**If you are in charge of a program for a meeting, please send the info no later than the Friday before that meeting to: Cathy@EstesAd.com**

**Changes/corrections can be sent by Monday at noon before the meeting.**

## One Hot Rotary Meeting!

JUNE 15 2016

Wow! Can it get any better than this for a Rotary meeting???

Our guest today is Damon Lane.

Damon is one of the wonderful people who help keep us safe from the weather, especially in times

of weather stress. Damon joined KOCO here in

2009, coming from Abilene, Texas. It goes without

saying that Damon knows a thing or two about

extreme weather. So again I ask: Can it get any

better than this for a Rotary meeting?

# Welcome, Damon!

## WHAT DO YOU THINK???

Werner Heisenberg, Kurt Godel, and

Noam Chomsky walk into a bar.

Heisenberg turns to the other two and says, "Clearly this is a joke, but how can we figure out if it's funny or not?"

Godel replies, "We can't know that because we're inside the joke." Chomsky says, "Of course it's funny. You're just telling it wrong."

How can you tell the difference between a chemist and a plumber? Ask them to pronounce unionized.

A Roman walks into a bar, holds up two fingers, and says, "Five beers, please."

A logician's wife is having a baby. The doctor immediately hands the newborn to the dad. Impatiently, the mom asks: "Is it a boy or a girl?" The dad answers: "Yes."

I promise, no more...for a while!
