Making a Difference Here & There

Bears Repeating

I get LIVID when I forget how to write
51, 6, and 500 in Roman Numerals.

My body is a temple...ancient & crumbling.

What doesn't kill me makes me more interesting at
parties.

I hate when I gain weight for a role, then remember I'm
not an actor.

On average I spend \$80 a year on bananas to watch
them turn brown.

Ignorance or apathy? I don't know, and I don't care
which is worse.

Moses was the first person with a tablet downloading
data from the cloud.

The first rule of the Thesaurus Club:

1. Don't talk about, allude to, speak of, mention, discuss, dissertate, reference, describe, explain, review, or chat about Thesaurus Club.

please send the info no later than the Friday

IT'S WEDNESDAY!
JUNE 27, 2018

Hey, today is the last day of
our Rotary Year, Club Assembly
and President Brent's final day
to be responsible!

Woohoo!

Let's think about all we've done
this past year, all the fun we've
had, and all the fun we'll have
next year.

Some Funny Words
What's in a name?

What idiot called it dad bod and not
father figure?

What idiot called it a flyswatter and not
a splatula?

What idiot called it the sun instead of a
space heater?

An armadillo? Wait, you mean
highway lobster?

We have Fox News in Canada. It's not
a network; it's a hunting magazine.

The difference between a hero and a
coward is one step sideways.

Not sure which is harder on a relationship:
sharing a dresser for three years or sharing
an iPhone charger for one day.

Life is always going to be stranger than fiction,
because fiction has to be convincing, and life
doesn't.

Our funny tidbits this week are from the
pages of Readers Digest.
