# Moore Happenings

Making a Difference Here & There

## Attention Please!

If we're ever in a situation where I am the "voice of reason" then we are in a very, very bad situation!

It is interesting that no one is against armed guards at banks to protect money...yet so many are against guards at schools to protect children.

I think women are foolish to pretend they are equal to men. They are far superior and always have been. Whatever you give a woman, she will make greater. If you give her sperm, she will give you a baby. If you give her a house, she will give you a home. If you give her groceries, she will give you a meal. If you give her a smile, she will give you her heart. She multiplies and enlarges what is given to her. So, if you give her any c \* \* p, be ready to receive a ton of s \* \* t!

--William Golding, writer

Two things are infinite: The Universe and human stupidity; and I'm not sure about the Universe.

--Albert Einstein

## The Whole Year???

JUNE 29, 2016

*Oh my goodness! Another year has passed! Today President Jeff Miles will give us a great review of the past year and Incoming President Angela Barbour will give us a look at plans for the next year.*

*Time to celebrate!!!*

## WHAT DO YOU THINK???

Important Facts to Remember as You Grow Old!

Death is the number one killer in the world.

Life is sexually transmitted.

Good health is merely the slowest possible rate at which one can die.

Give a person a fish and they eat for a day, give a person the Internet and they won't bother you for days, weeks, or months.

Health nuts are going to feel stupid someday lying in the hospital dying of nothing.

Don't worry about old age, it doesn't last that long.

Forget dancing like no one is watching. Dance like a toddler. They don't even care if there's music.

Some people were dropped on their head as a baby, others were clearly thrown in the air, hit a ceiling fan, bounced off the wall, and fell out the window.
