

**The Four-Way Test**

**Of the things we think, say or do:**

1. Is it the **TRUTH**
2. Is it **FAIR** to all concerned?
3. Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?
4. Will it be **BENEFICIAL** to all concerned?

Making a Difference Here & There

## Bears Repeating

It's National Potato Chip Day!  
Who knew? Enjoy the day with a chip or two!

Just for a grin...

What's the difference between a cat and a comma?  
One has slaws at the end of its paws, and the other  
is a pause at the end of a clause.

Never leave alphabet soup on the stove and then go out.  
It could spell disaster.

One young man to his buddy: Before I got married, I  
didn't even know there was a wrong way to put milk in  
the fridge.

A chrysanthemum by any other name would be  
easier to spell.

I want to thank my parents for somehow raising me to  
have confidence that is disproportionate with my  
looks and abilities.

When I buy a new book, I read the last page first. That  
way, in case I die before I finish, I know how it ends.

## Wednesday at Rotary

March 14, 2018

Good afternoon, Rotarians!  
Today we are honored to have as  
our guest speaker  
Ms. Carolie Rozelle  
from the law firm of  
Fulerson & Fulkerson.  
Her topic today will be some of the  
many concerns of estate planning.  
This is information that is both  
interesting and important to all of us.  
Ms. Rozelle is originally from  
New Mexico. She left the Land of  
Enchantment to attend college at  
the University of Oklahoma.  
Luckily for us, she decided to make  
her home in Oklahoma, where  
she has put down family roots and  
community roots.  
Please welcome Ms. Rozelle  
to Rotary and prepare to  
learn a lot of important information.

# Welcome, Carolie!

## Really..

The difference between the almost right  
word and the right word is really a large  
matter--it's the difference between the  
lightning bug and lightning.  
...Mark Twain

The game card said: Name three wars.  
My teenage daughter's response: Civil  
War, Revolutionary War, and Star Wars.

At his annual physical, my neighbor was  
asked, "Are you eating plenty of fruits and  
vegetables?" "I ate eight apples yesterday,"  
he said. "You did?" asked the doctor. "Yes.  
That's how many apples it took to make the  
apple pie."

A friend had an aunt who was into health food  
way before anybody else in Mississippi even  
considered it. She would send away for special  
beans and powders and nuts. And sure enough  
she kept trim and lively and never got sick. But  
her family did not approve. It wasn't how the  
Lord meant folks to eat. At a ripe old age this  
aunt went into a coma. "See," said her family,  
"when her natural time came, her mind passed  
but her body was too healthy to go."

All the funnies are from Reader's Digest this week.
