Making a Difference Here & There

Bears Repeating

Just for fun...the questions lawyer will ask in court:

How many times have you committed suicide?

Was it you or your brother who was killed?

Do you have children or anything of that kind?

Without saying anything, tell the jury what you did next.

Was that the same nose you broke as a child?

Were you alone or by yourself?

Now, Doctor, isn't it true that when a person dies in his sleep, he doesn't know about it until the next morning?

I don't know about you, but I feel smarter.

Astronomers using an Australian radio telescope believed they might have discovered evidence of alien life when they picked up a distinctive signal at the same time every day. Seventeen years later, in 2015, they learned its source: The signal was coming from a microwave oven used by staff members to heat up their lunches.

The Ig Noble Prize in Economics was awarded to the Bangkok Metropolitan Police for offering to pay police officers extra cash if they refused to take bribes.

All of the above found in Reader's Digest.

Wednesday at Rotary

March 21, 2018

Good afternoon, Rotarians!

We are getting a real treat today for our program. It's all about our Library!

As many of you are aware, the Pioneer Library System is one of the best around.

Vona Bowling and Natasha Parker are from Pioneer and they are here today to give us an update on all of the fabulous things happening right here at the

Moore Library.

Children's programs abound, as do programs designed to entice teens, tweens and adults of all ages.

We might see financial literacy, cooking, dancing, retirement and story time... all in one week.

Let's give a big welcome to Vona and Natasha as they give use the latest and greatest information about one of our terrific community assets!

**Welcome,
Vona and Natasha!**

Really..

You can get everything money will buy without a lick of character, but you can't get any of the things money won't buy - happiness, joy, peace of mind, winning relationships, etc., without character.

When we do more than we are paid to do, eventually we will be paid more for what we do.

If you don't like who you are and where you are, don't worry about it because you're not stuck either with you are or where you are.

You can be more than you are.

Other people and things can stop you temporarily. You're the only one who can do it permanently.

I've got to say "no" to the good so I can say "yes" to the best.

Take time to be quiet.

All of the above quotes are from Zig Ziglar's Little Book of Big Quotes.
