Just for fun..it's Easter!

Why did the Easter egg hide?

He was a little chicken!

Easter: The only time it's okay to put all your eggs in one basket!

I love Easter! When else can you bite someone's head off and have it be chocolate?

And best of all...

The tomb was empty

Wednesday at Rotary

March 28, 2018

Good Afternoon!

All that can be said about today is,

“Hooray!”

How fortunate we are able to meet today with a wonderful group of friends.

Today is our Club Assembly, a review of what's happened this past month and what's going to happen next month.

April 28 will be the Rotary District Banquet at the University of Science and Art of Oklahoma. If you've been to this event previously, you know how good it is. If you haven't had the chance to attend, now is the time! It will be great! So, everybody enjoy the meeting and learn about all the wonderful things happening in both our club and in the lives of our fellow Rotarians!

Really..

I always thought that the “thriving” would come when everything was perfect, and what I learned is that it's actually down in the mess that things get good.

...Joanna Gaines

If you try and it doesn't work out, you're not a failure. You're a risk taker.

...Ava Duvernay

My granddaughter had just turned five when my wife asked whether she was being a good girl. After a deep sigh and a thoughtful pause, she responded, “You know, I'm doing the best I can.”

Sometimes I cross things off my to-do list that I haven't done. To remind myself that I control the list.
