Making a Difference Here & There

Bears Repeating

The miracle is this: The more we share... the more we have.

...Leonard Nimoy

A lot of people are afraid to say what they want. That's why they don't get what they want.

...Madonna

I phoned a local restaurant to ask if it was on the north or south side of Main Street. The person on the other end answered, "That depends on which direction you're coming from."

...Patricia Thompson

In three words I can sum up everything I've learned about life: It goes on.

...Robert Frost

Two little boys are in the hospital, lying on gurneys next to each other. "What are you in for?" asks one. "I'm here to have my tonsils taken out," the second replies. "Don't worry," the first says. "I had that operation when I was four. They put you to sleep, and when you wake up, you get ice cream." The other boy, now relieved, asks, "What are you here for?"

"A circumcision." "Whoa, good luck. I had that done when I was born, and I couldn't walk for a year."

...Kathy Valenta

The largest air force in the world is the U.S. Air Force. The world's second largest air force is the U.S. Navy and Marine Corps combined.

The only U.S. president to own a patent and a saloon: Abraham Lincoln. His patent was for a device to lift boats over sandbars. His saloon was a miserable failure.

The real acme of the American justice system? That would be the basketball court on the fifth floor of the Supreme Court building.

It's known as the Highest Court in the Land!
