# Moore Happenings

Making a Difference Here & There

## Bears Repeating

If you don't like who you are or where you are, don't worry about it because you're not stuck either with who you are or where you are. You can grow. You can change. You can be more than you are.

Some people find fault like there's a reward for it.

Before you change your thinking, you have to change what goes into your mind.

You are what you are and where you are because of what has gone into your mind. You can change what you are and where you are by changing what goes into your mind.

Don't be distracted by criticism. Remember, the only taste of success some people have is when they take a bite out of you.

# IT'S WEDNESDAY!

## MAY 2, 2018

### Another wonderful Wednesday is upon us!

### So, what's happening at Rotary?

### Well, this is a meeting that will bring us information we all need to know.

### What is it? Don't know!

### Kathy Gillette is providing a video for us today to provide the answer.

### Don't you love a surprise?

### May is here, so let's all be weather alert & wise!

## Some Encouraging Words

The biggest concern for any organization should be when their most passionate people become quiet.

I decided to reward myself with a well-earned glass of wine after a long week. Then I realized it was Tuesday morning.

When someone asks me what I did over the weekend, I squint and ask, "Why? What did you hear?"

Denial, Anger, Bargaining, Depression, and Acceptance. The five stages of waking up.

If I had a dollar for every time I got distracted, I wish I had a puppy.

When I was a child I thought nap time was punishment. Now it's like a mini-vacation.

"Getting lucky" means walking into a room and remembering why I'm there.

Sometimes I roll my eyes out loud.
