

The Four-Way Test

Of the things we think, say or do:

1. Is it the TRUTH
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?

Moore Happenings

Making a Difference Here & There

That's Interesting

Your mind is a garden, your thoughts are the seeds. You can grow flowers, or you can grow weeds.

I was in the bank the other day when a sweet old lady approached me and asked if I'd help check her balance. So I pushed her and she fell over...

I don't think inside the box. I don't think outside the box either. I don't even know where the box is.

We are all a little weird and Life's a little weird. And when we find someone whose weirdness is compatible with ours, we join up with them and fall in mutual weirdness and call it Love.
---Dr. Suess

We need equal opportunities for more people, and more people who are equal to them.

The trouble with opportunity is that it is always disguised as hard work.

Never miss an opportunity to make others happy even if you have to leave them alone to do it.

If you are in charge of a program for a meeting, please send the info no later than the Friday before that meeting to:

Wednesday at Rotary

May 22, 2019

Happy Middle of the Week!
Today we are privileged to have our past scholarship recipients with us to give us an update on what great things have been happening in their lives. These Rotary Scholars were selected from amongst others in their schools due to their accomplishments both academically and personally, as well as their dreams and aspirations. Let's welcome them and revel with them in their accomplishments over the past year!

Quick Little Comments...

There is a proverb in martial arts, "Master, why do you teach me to fight, but speak of peace?"
The master replies, "It is better to be a warrior in a garden, than a gardener in a war."

The supreme art of war is to subdue the enemy without fighting.
---Sun Tzu

The difference between an ordinary man and a warrior is that a warrior takes everything as a challenge, while an ordinary man takes everything as a blessing or a curse.
---Carlos Castaneda

Fate whispers to the warrior, "You cannot withstand the storm," and the warrior whispers back, "I am the storm."

This moment contains all moments.
---C. S. Lewis
