

The Four-Way Test

Of the things we think, say or do:

1. Is it the **TRUTH**
2. Is it **FAIR** to all concerned?
3. Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?
4. Will it be **BENEFICIAL** to all concerned?

Moore Happenings

Making a Difference Here & There

Bears Repeating

Spring has suddenly morphed into Summer!
 How in the world did it happen so quickly?
 My roses that Larry planted across our back fence are blooming now, but I noticed that there is something else going on with them. Upon inspection, I found lots more thorns than normal and malformed leaves with a red color.

It turns out that my roses are infected with rose rosette, an incurable viral disease. It will disfigure the plants and kill them in time. The only way to handle the plants at this time is to “shovel prune” them, being sure to get all of the trimmings and roots into black plastic bags for the landfill. And be sure to thoroughly clean AND disinfect any pruners and the shovels used before touching another plant. Don’t replant roses in the same place; it’s in the ground.

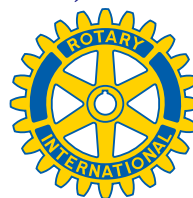

So, go check out your roses and get rid of any showing signs of this disease. My eight roses are all going. It’s a shame!

**If you are in charge of a program for a meeting, please send the info no later than the Friday before that meeting to:
 to ce8603@gmail.com**

IT’S WEDNESDAY!
MAY 23, 2018

Another wonderful Wednesday is upon us!
 Today we are fortunate to have with us to Rotary experts!
 Wes Hall and Jaci Williams will be giving us updates and information about the Rotary Youth Exchange program. This is a wonderful program that offers so much for the participants, changing their lives forever. Put on your thinking caps and let’s see if we can come up with some families that might like to host our inbound student this coming year. Now is our chance to ask questions that might help determine the right family to ask about hosting.

Welcome, Wes & Jaci!

Just for Fun!

I have two interesting summer books for some great entertainment by the pool or under the air conditioner.

The first is “Eternal Life” by Dara Horn. What would it mean to live forever? Follow our heroine from Roman-occupied Jerusalem to the twenty-first century and find out. This is a quick read and it raises a lot of interesting questions. Hmm...

The second book is “The Deeds of the Disturber” by Elizabeth Peters. Set at the end of the Victorian period, this mystery is full of murder, mayhem, and lots of fun (?) facts about ancient Egypt. Think Sherlock Holmes and Indiana Jones in the form of a five-foot-two, parasol wielding archaeologist. A mummy, a curse, and lots of English fog... this one is great with something cool to drink, a bowl of popcorn or chips, and maybe even reading aloud to the family instead of playing Monopoly!

Check your Pioneer Library for these and other great summer books!
