## Moore Happenings

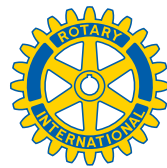

Making a Difference Here & There

### That's Interesting

First of all, thank you to Tommy Haynes for allowing us to meet at Central Church of Christ and for cooking for us. The facility is perfect and the food is even perfect-er! (Ha ha!)

Thank you, Tommy!

Second of all, let's remember that this Thursday, May 9, is our Rotary After Hours event at Hollie's!

Our club is sponsoring this event, so let's all try to attend if we can. It should be great fun!

Seen on the internet this week:

It's okay to fall apart sometimes.

Tacos fall apart and we still love them!

If you are in charge of a program for a meeting, please send the info no later than the Friday before that meeting to: [ce8603@gmail.com](mailto:ce8603@gmail.com)

## Wednesday at Rotary

May 8, 2019

Happy Middle of the Week!

Today our program is a look at a country most of us have not seen, Pakistan!

Mr. Muhammad Abid Azam is the founder of Pakstockphoto, the first ever image library of Pakistan. With extensive post graduate work and more than twelve years of experience in non-profit and corporate sectors, Abid has worked for UNICEF Pakistan's Polio Eradication Initiative as Advocacy and Communication Officer for Digital Media and Web Technologies. His polio initiatives are funded through Rotary International and the Bill and Melinda Gates Foundation.

# Welcom, Abid!

## Just to Make You Smile

Another few items I've seen this week on the web:

The only person that calls to check on me is the guy from India who wants to discuss my car warranty.

Hanging out with your grown-up kids is like visiting the best parts of your life.

Fair warning, this is a bit blue, but so funny...

If McDonalds's sold hot dogs, would you be able to, with a straight face, order a McWeiner and tell them to Supersize it?

Time is like a river. You cannot touch the same water twice, because the flow that has passed will never pass again. Enjoy every moment of your life!
