Moore Happenings

Making a Difference Here & There

Bears Repeating

Success is the ability to go from one failure to another with no loss of enthusiasm.

...Winston Churchill

And on the lighter side, a few things seen on shirts:

If I say I will do it, I will do it! No need to remind me every six months.

In my defense, I was left unsupervised.

I can't make everyone happy. I'm not bacon!

Tomorrow - A mythical land where I get all my stuff done.

Sometimes when I open my mouth my mother comes out!

Ask Grandpa anything. He knows a lot, and when he doesn't he can provide you with a really good made up answer.

I meant to behave but there were too many other options.

As far as I know, I'm just delightful!

So if a redhead goes crazy, is it called Ginger snaps?

No need to repeat yourself, I ignored you just fine the first time.

If you are in charge of a program for a meeting, please send the info no later than the Friday before that meeting to: ce8603@gmail.com
