

The Four-Way Test

Of the things we think, say or do:

1. Is it the TRUTH
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?

Moore Happenings

Making a Difference Here & There

Bears Repeating

After a flash flood damaged their home and belongings, my aunt and uncle were forced to stay with friends. One Sunday, as everyone got ready for church, my uncle borrowed a suit from his host. The pants were too big, so my uncle said, "I'm going to also need a belt."

His humorless hostess shot back, "We do not drink before church."

...Barbara Hartnett

As a kid, I got to watch my dad fix everything, and I hope to share that experience with my kids. That way, we can all watch my dad fix things together.

...Mark Chalifoux

I asked my friend about the pros and cons of using a Kindle as opposed to getting the Kindle app on another device. "Oh, Kindle is way better," she said. "Because it's an actual book."

...Janet Wohlgemut

My boss and I took a job applicant to lunch, where we tried, with little success, to get to open up about his experience and qualifications. Frustrated, my boss set his salad aside and proposed a specific and complex situation to the young man, then asked, "What would you do?"

The applicant hesitated, then, looking my boss straight in the eye, said, "Are you going to eat all those tomatoes?"

Rotary Today

November 29, 2017

**Today is a great day to be a Rotarian!
We are having our monthly Club Assembly, and as usual, we don't know exactly what to expect other than fun a great fellowship!
That being said, odds are that today will be no different. We know the food will be tasty and the company will be good. We may have a lot of info to discuss or we may have "Rotary Lite!"
Either way, the Club will have fun. It's what we do best!**

Keep This in Mind!

A Twitter exchange between an angry customer and an apologetic Domino's

Pizza:

Customer: Yooo I ordered a pizza and came with no toppings on it or anything.

It's just bread.

Domino's: We're so sorry to hear this!

Customer: (minutes later) Never mind, I opened the pizza upside down :/

New words to consider:

Chairedrobe - piling clothes on a chair in place of a closet or dresser.

Epiphananot - an idea that seems like an amazing insight to the conceiver but is in fact pointless, mundane, stupid or wrong.

Textpectation - the anticipation felt when waiting for a response to a text.

Unkeyboardinated - when you're unable to type without repeatedly making mistakes.

Remember, Australian & Chilean red wines have greater alcohol content than European red wines. Lower alcohol means lower calories. So, European red wine is, like, diet wine!
