

The Four-Way Test

Of the things we think, say or do:

1. Is it the TRUTH

Moore Happenings

Making a Difference Here & There

Bears Repeating

My definition of an intellectual is someone who can listen to the William Tell Overture without thinking of the Lone Ranger.

...Billy Connolly, actor

When Mick Jagger insisted that his wrinkles were actually laugh lines, jazz singer George Melly replied, "Surely nothing could be that funny."

A sports columnist recalled the story of a flight attendant who asked Muhammad Ali to fasten his seat belt. Ali replied, "Superman don't need no seat belt." The flight attendant's retort: "Superman don't need no airplane either."

Following an argument, an angry Lady Astor told Winston Churchill, "Winston, if you were my husband, I'd put poison in your coffee." Churchill snapped, "If you were my wife, I'd drink it"

Director/writer Kevin Smith told Tim Burton that Burton's Planet of the Apes reminded him of a comic book he'd written. Burton responded, "Everyone knows I never read comics. Smith shot back, "That explains Batman."

ROTARY TODAY

OCTOBER 11, 2017

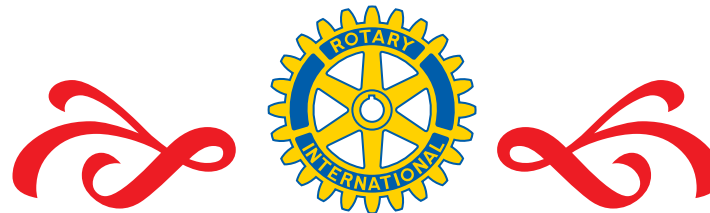

Hello Rotarians! Are you ready for a great day? Through the years, many in our town have had the opportunity to interact with Firefighters from Moore.

This year, several Firefighters from Moore traveled, at their own time and expense, to provide assistance in the rescue and recovery efforts in the Houston area after hurricane Harvey.

Today we are joined by some of these brave, kind and generous Firefighters to give us an overview of what they found and did.

Please welcome our

Hometown Heroes!
