Making a Difference Here & There

## Bears Repeating

Part of the \$10 million went for gambling, horses and women.  
The rest I spent foolishly.

...George Raft

I was going to sue for defamation of character, but then I realized I have no character.

...Charles Barkley

She never lets ideas interrupt the easy flow of her conversation.

...Jean Webster

He can compress the most words into the smallest idea of any man I know.

...Abraham Lincoln

Swallow a toad in the morning and you will encounter nothing more disgusting the rest of the day.

I once had a rose named after me and I was very flattered. But I was not pleased to read the description in the catalogue: no good in a bed, but fine up against a wall.

Sometimes you just have to put on lip gloss and pretend to be psyched.

I personally think we developed language because of our deep inner need to complain.

# ROTARY TODAY

## OCTOBER 18, 2017

Hello Rotarians! Are you ready for a great day?  
You should be! It's a wonderful day and we have a very informative program about the upcoming Management & Ethics Conference to be held in November at Randall University. Dr. Paulette Jones is the Program Director at Randall University and she brings an extensive background in both broadcast and print journalism as well a academic experience both as a classroom educator and an administrator. This is Paulette's 4th year to lead the Conference.

## Welcome, Paulette!

## Quick Little Comments...

**A dog teaches a boy fidelity, perseverance, and to turn around three times before lying down.**

**Cats are smarter than dogs. You can't get eight cats to pull a sled through the snow.**

**Wine: a constant proof that God loves us, and loves to see us happy.**

**Why beer is better than wine: human feet are conspicuously absent from beer making.**

**The difference between fiction and reality?  
Fiction has to make sense.  
...Tom Clancy**

**Be careful about reading health books. You may die of a misprint.  
...Mark Twain**

**I'm not offended by blonde jokes because I know I'm not dumb...and I also know that I'm not blond.  
...Dolly Parton**

**He suffers from delusion of adequacy.  
...Walter Kerr**
