Making a Difference Here & There

Attention Please!

We either make ourselves miserable or we make ourselves strong. The amount of work is the same.

--Carlos Castenada

Life is an echo. What you send out, comes back.

What you sow, you reap. What you give, you get., What you see in others, exists in you.

--Zig Ziglar

Optimist: Someone who figures that taking a step backward after taking a step forward is not a disaster, it's more like a cha-cha.

--www

Love is beautiful when it's professed, but it's only meaningful when it's practiced.

--brene brown

I have gotten out of bed 365 days a year for like 40 years. That is 14,600 sit-ups and not one ab to show for it.

--www

I am not an early bird or a night owl. I am some form of permanently exhausted pigeon.

Another Great Day

OCTOBER 5, 2016

Can you imagine being in High School again? How exciting to see all the doors opening in life, new knowledge, new friends, new destinations. Most importantly, new skills to make ones life more meaningful.

Learning to serve others as we meet our goals. That's what Leadership Training is all about. And to help one on the way, great teachers are needed. We are here today to honor Southmoore's Teacher of the Year and to encourage all of the great students in this Leadership Class.

Made You Smile!

Isadora Duncan, US dancer, was dancing with a young man when Paris Singer, a millionaire industrialist with whom she was having an affair, entered the room and threw him out. Duncan, visibly angry, tore off her diamond necklace, scattering the jewels. "If you treat my friends that," she cried, "I won't wear your jewelry." As she left the room she whispered to another man present, "Pick them up."

My super power is holding onto junk for years and throwing it away a week before I need it.

So you mean to tell me that a stress ball is not for throwing at people who stress you out?

If showing up in a robe and tiara with a box of wine is wrong, then maybe I don't fully comprehend how casual Friday actually works.

--Adrienne Hedger
