Moore Happenings

Making a Difference Here & There

Bears Repeating

Here's some special words, courtesy of Readers Digest, that you can use when you'd like to sound like a genius:

aglet: the plastic coating on a shoelace

glabella: the spot between your eyebrows

peen: the round or wedge-shaped end of a hammer, the part that doesn't hit the nail

philtrum: the little groove between your nose and upper lip

punt: the indentation in the bottom of your wine bottle

rasceta: the lines on the inside of your wrist

titlle: the dot over the lowercase I or J

zarf: the cardboard sleeve on a disposable coffee cup

H.G. Wells first used the term atomic bomb in his 1914 novel *The World Set Free*. A physicist patented the idea for a nuclear reactor after reading it.

Overheard: Before I got married, I didn't even know there was a wrong way to put the milk back in the fridge.

Me and my buddies at the gun club often go to the cheese shop just to shoot the Bries.

ROTARY TODAY

SEPTEMBER 20, 2017

Hello Rotarians!

Our favorite day is finally here...

Wednesday is our Rotary meeting and the middle of the week! What a deal.

Today we are going to hear from our very own Frances Wade about her trip to Cuba. This exciting country is only recently reopened to the United States and Frances was able to see the sites so that she can tell the tales!

I think we're all excited to hear about the people and their lives as well as the country itself.

Thanks, Frances, for filling us in!

Quick Little Comments...

Some exciting news about our coming programs...

Be sure to send an email to our President about your volunteer hours. These can be volunteer hours with Church projects, school efforts, and youth sports. Don't forget!

Remember that all of our Happy Dollars this month will be going to the Backpacks For Kids program, and the total will be doubled!

Wasn't it great to see the presentations of \$15,000 worth of checks last week from the Moore Homebuilders and the Southwest Oklahma City Homebuilders! Knowing that this money doubled to \$30,000 and will help the Backpack For Kids program made everybody in the room smile like Christmas!

Only 96 days until Christmas!
