

Littleton Rotary Website Sponsor Guide

One of the benefits of membership in the Littleton Rotary Club is having a free business ad placed on the Homepage, our Littletonian newsletter, and several other pages associated with the website.

The process is simple:

1. Contact the Club Secretary and indicate your wish to have an ad.
2. Provide any company logo, graphics, photos, and text you wish included.
3. Provide your company's website address if you wish the ad to be linked to your website.
4. Alternatively, your ad can be linked to your email address, Facebook, or LinkedIn pages.
5. Review ad copy provided by the Club Secretary and instruct if any changes are needed.
6. Review final ad copy.
7. On approval of final ad copy, your ad will be placed on the website to appear in an ever-changing random order.
