### PROGRAM - December 27th

John Lacey of the Portland Club got our first organized program off the ground with a bang, via Pan American Jet. His slides on last summer's trip to the 52nd Rotary International Convention in Tokyo, Japan were both well taken and arranged, as well as excellently dialogued to the Club. We only wished he'd had time to show them more thoroughly, but Rotary Clubs being what they are time-wise, and rightly so.....

Thanks to Ed Inness for bringing along a screen for the slides and thanks to you John for the swell view of Convention Time. Don't be a stranger to the S. P. Club.

\* \* \* \* \*

VISITORS

Other visitors from the Portland Club on the 27th were Ray Frost, our stalwart Counselor, who also led the singing; Dave Moody, who graced us with his piano playing; and Jim Fegley. Keep those visitors coming from all the Clubs in the Area.

PROGRAM

January 3th - Wednesday 6:15 P. M.

SPEAKER:.....John Toft  
A member of the Portland Club  
SUBJECT:.....FISH, "Have Can Will Travel"

\*\*\*\*\*

FURTHER THANKS

Although this is not the proper place to do justice, it is past the proper time. The South Portland Rotary Club expresses its deepest appreciation to its Sponsor, the Portland Club for its endeavors, past, present and future, toward those of us across the bridge who have been denied the privilege of being Rotarians until now. We pledge our greatest efforts to the building of an outstanding addition to Rotary International.

SOUTH PORTLAND ROTARY CLUB

Meets at Howard Johnson's Restaurant every Wednesday, 6:15 p.m.

---

Program:..... January 10th, Wednesday - 6:15 p.m.

Place:..... Howard Johnson's, Thornton Heights

Program, January 10: Our speaker will be Col. Roger E. Higgins, who is commanding officer of the Maine Sector, Xiii Army Corps, and he will talk to us on "Army Reserves." Col. Higgins is stationed at Fort Williams and is a member of the Portland Rotary Club.

LAST WEEK'S PROGRAM: John Toft of the Portland Rotary Club gave us some interesting sidelights on "Revolutions in the Central American and South American Countries." Politically speaking, we all decided "it would be a good place to visit, but we wouldn't want to live there." Thanks, John, for an enjoyable talk.

ATTENDANCE:	December 27 (corrected)	18 of 20	.90%
	January 3	21 of 23	.91%

This is a good start on our attendance record, and also a good start on the New Year LET'S KEEP IT UP!

By the way, have you all become accustomed to writing 1962 yet?

VISITING ROTARIANS: We were happy to have with us last week the following visitors: Ray Frost, our Advisor and Song Leader; S. Allan Howes, who was drafted as Pianist for our singing, and Allen B. Rowe and Allen B. Rowe, Jr., all from the Portland Club; John W. Hay from Westbrook; Dick Twomey, Ray Littlefield and the Rev. Lew Chase from the Scarborough Club.

NOTE FROM YE ED: Scribe Ron Tripp has asked a leave of absence from Bulletin planning for a few months.

So, if any member has any note of interest which he would like to see in this weekly newsletter, the sub would appreciate hearing from you. For this month it's Ed Inness.

## ROTARY CLUB

Meets at Howard Johnson's Restaurant every Wednesday, 6:30 P.M.

TWO LIGHTS

Published by  
The Rotary Club of South Portland

Program: Wednesday, January 17th. Mr. Roger C. Williams, President of Creative Associates will be our speaker. His topic: "Orderly Approach to Public Relations Programming."

### MEMBERSHIP CARDS and BUTTONS ARE HERE

You can have yours by bringing your \$12.50 for membership dues and Ron will give you your card. A lapel button will cost \$1.25 extra.

LAST MEETING: Bringing us up-to-date on the part our Army Reservists play in our defense system, was Col. Roger E. Higgins, commanding officer of the Maine Sector, XIII Army Corps of Fort Williams. He enlightened us on their preparedness, their work and position these young men have in our national defense system. Col. Higgins also spoke on the closing of Fort Williams as a fort as we know it - a real landmark to the residents of this area.

ATTENDANCE: January 3 (corrected) 22 of 23 96%  
January 10 17 of 23 74%

We are now at the point where these meetings count on our attendance record. Make-ups are in order and remember the dates in this area:

Portland - Friday noon  
Westbrook - Tuesday noon  
Scarborough - Tuesday night

Our visiting guest from Westbrook last week was Granville C. Shibles, who has the enviable record of 36 years of perfect attendance in Rotary. This is really an inspiration and a record to be proud of.

Other guests were Ray Frost, Howard Reiche, Norton Lamb, Earl McKinney and Gene Martin from Portland; Archie Carignan, Rangeley; Richard Murphy, Scarborough; Alex Cote, Lewiston.

Howard Reiche was our pianist and called on Alex Cote to give us a little piano entertainment ala Frankie Carle.

Did you notice our bulletin now has been named? The Two Lights, of course, South Portland and Cape Elizabeth.

The Speaker needs a blackboard - anyone who could bring one please notify Ray Frost, SP 3-7284 - P.D.Q.

See you Wednesday at 6:15.

## ROTARY CLUB

Meets at Howard Johnson's Restaurant every Wednesday, 6:30 P.M.

January 22, 1962

PROGRAM: "Precious Stones" will be the subject of John C. Dow's talk at this week's meeting. John Dow is vice-president of the Dow & Stubling Co., jewelers, and a Portland Rotarian. He's well-acquainted with his subject and this should prove an interesting evening.

LAST WEEK'S MEETING: Analyst Roger Williams gave us something to think about last week in his discussion of "Public Relations." The impact of public relations on our business lives as well as our daily lives was capably discussed by the speaker.

ATTENDANCE: January 10 (corrected 19 of 23 82%  
January 17 18 of 23 78%

Just thought we'd explain "corrected" attendance. It's not that we can't count straight - it's "corrected" after make-ups are in! Let's watch that attendance and be sure of make-ups. Remember the dates: Portland, Friday noon; Westbrook, Tuesday noon; Scarborough, Tuesday night.

With Harry Lyseth at the key-board and Mark Stimson leading us in song, we sounded right promising the other night. Having song-sheets helped a lot, too.

\*\*\* \*\*

VISITING ROTARIANS: Last week we were happy to greet fellow-Rotarians: Ray Frost, our friend and advisor; Bill Getchell, Bob Booth, Harry Lyseth, John Dorsey, Ralph Leavitt, Ballard Story and Vicent McKusick, all of Portland; John Hay and Arthur Andrew, Westbrook; Brad Huntington, Scarborough.

CHARTER NIGHT: This will be a big night for us - when we receive our Charter. This general committee has been appointed: C. Walker Pierce, Ed Inness, and Dick Jordan, who will meet soon to formulate plans and appoint the other committees. Tentative date is Saturday night, March 31 or April 7. More later!

MEETS 6:15 WEDNESDAYS AT HOWARD JOHNSON'S RESTAURANT

January 29, 1962

PROGRAM: John Malcolm, secretary of the Portland Young Men's Christian Association and secretary of the Portland Rotary Club, will be the speaker and has chosen for his subject: "Some Interesting Experiences." We're sure they will be interesting and Jack, as he is known to his friends, will give us a fine and informative program.

LAST WEEK'S PROGRAM: Rod Littlefield, president of the Willard-Daggett Co., pinch-hit for John Dow last week, and gave us some first-hand information regarding the fish industry. I'm sure he corrected some of our beliefs about obtaining crustaceans right from the scene of the catch and also furnished us with some amusing sidelights and facts of the industry. An eye-raising revelation was his comparison of the Russian fishing vessels with ours - makes us do a little wondering. Thanks, Rod.

Now that we're chartered we are officially in the Continental United States Rotary Attendance Contest, for which PRIZES are awarded. It takes no genius to figure out that with a club of our size it is quite within our power to easily attain a high percentage of attendance. Can anyone think of a quicker or more effective way to put the South Portland Club in the Rotary headlines? L e t ' s G o !

VISITING ROTARIANS: Last week were Dave Moody, Ray Frost, J. E. Krenick, Bill Getchell and John Vose of Portland; Walter Hall from Westbrook and Dick Cummings, a guest.

We greatly appreciate a gift of the Rotary Song Books from Robert Stevens of the Portland Rotary Club. Now here's the incentive we needed to really raise our voices in song. Thanks, Bob, for your generous gift - thanks from the entire club.

Your Charter Night General Committee (Clyde Pierce, chairman; Ray Frost, advisor; Ed Inness and Dick Jordan) met on Monday to get on with plans for our big night. More about that on Wednesday.

We wish to acknowledge the drawings of the Two Lights supplied to us by Allen Rowe, Jr. Thanks, Allen, for a job well done. You will see the drawings on our new mast head in the very near future.

R E M E M B E R - Rotary's purpose is to foster the ideal of service in business and community life and promote international understanding.

For the next few weeks Warren Simpson will be editing the Two Lights and I'm sure he will appreciate any "items" contributed by members and especially committee chairmen.

ALL MEMBERS PLEASE NOTE: Printed herewith are the proper steps in the procedure of proposing and electing new members.

(Over)

- ( 1 ) A member submits the name of the prospect, and the classification to be filled, to the Board of Directors through the Secretary, from whom a proposal card may be obtained.
- ( 2 ) The Board of Directors refers the proposal to the Classification Committee for a report on the correctness and availability of the classification.
- ( 3 ) The Board then refers the proposal to the specially appointed Membership Committee for consideration and a report as to the eligibility of the prospect from the personal point of view. THIS IS AN IMPORTANT STEP!
- ( 4 ) The Board of Directors reviews the action of the Committee, and sustains or rejects their action.
- ( 5 ) Favorable action by the Committees having been sustained by the Board, the Secretary notifies the proposer.

The first five steps are preliminary. During this procedure, the prospect should NOT be notified.

- ( 6 ) The proposer, aided by the Information Committee, explains Rotary to the prospect and secures his signed application.
- ( 7 ) The Secretary notifies the members in writing (via "The Spindle") of the application.
- ( 8 ) Members may file written objections within ten days.
- ( 9 ) No objections having been filed, the applicant is considered elected. If objections are filed, the Board of Directors considers them and votes on the application.
- (10) The Secretary notifies the applicant and the proposer the results of Board action.
- (11) If elected, applicant pays admission fee and dues.
- (12) The Secretary issues membership card.
- (13) The new member is presented to the Club.
- (14) The Secretary sends a new member report card to the Secretariat of Rotary International.

Is the man then on his own? By no means. It becomes the special responsibility of his proposer and of all the membership to make sure that he is greeted, nurtured, and assimilated into full Club participation.

MEETS 6:15 WEDNESDAYS AT HOWARD JOHNSON'S RESTAURANT

February 5, 1962

PROGRAM: George D. Champlin, Vice President, Portland Pipe Line and Immediate Past President of the Portland Rotary Club will be our speaker Wednesday.

His talk will be about Oil for Eastern Canada and will be illustrated with color slides.

Talking with Ray Frost about it and he said it will be one of the best we have had - also he said George is the man most responsible for us having a Club as he started the ball rolling. Let all be present and greet him.

LAST WEEK'S PROGRAM: John Malcolm, Secretary of the Portland YMCA, certainly lived up to his subject "Some Interesting Experiences." He related several suspenseful dope smuggling episodes by the British Secret Service while in Cairo, Egypt with the YMCA. We were especially impressed by the manner in which the Cairo Rotary Club at John's suggestion, organized a home for wayward children. This institution has since spread throughout Egypt and is flourishing today. The greater Portland area is indeed fortunate to have a man such as John directing its Y youth activities.

This is the first issue with our new mast head and its Two Lights. We are indebted to Mrs. Allen Rowe, Jr. for these fine drawings and herewith tip our collective hats to her.

Our "Make-Up" Ambassadors of Good Will to date are Earl Barrett and Warren Simpson (Biddeford-Saco), Bill Kilroy, Dick Jordan, and Ron Tripp (Scarborough), Mel Charity (Waterville), and Dick Yerxa (Fort Fairfield).

PROPOSALS for membership have been received in the following categories: Pharmacist, Carbonated Beverages, Baking - Retail.

If any member has a person he would also like to propose in any of the above categories please notify the Secretary this week.

VISITING ROTARIANS last week were all from the Portland Club and included Ray Frost, Harry Lyseth, Bill McVane, George Brinley, James Fegley, Ballard Story, John Malcolm, and George Garrett, Ed Inness, Jr. was a guest.

CHARTER NIGHT - will be Saturday evening, March 31st at the South Portland High School Cafeteria. Chairman Clyde Pierce promises a fine roast beef dinner with reservations limited to 175 couples. Red pencil this date with your "date" now.

IT'S LOS ANGELES IN '62. Already the preliminary announcements are out for Rotary's great international coming together, June 3-7. We quote "Los Angeles offers the visitor a wide range of sights and tastes and innovations peculiar to a special way of living known only in Southern California." The time of year, the excursion rates, and tour combinations should make this an attractive trip for members, wives, and families.

Object of Rotary

The object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

- First: The development of acquaintanceship as an opportunity for service;
- Second: High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying by each Rotarian of his occupation as an opportunity to serve society;

John Dow is vice president of the Dow & Stubling Co., jewelers, and a Portland Rotarian. He's well-acquainted with his subject and this should prove an interesting evening.

**LAST WEEK'S PROGRAM** - George D. Champlin, Vice President of the Portland Pipe Line, narrated an interesting slide talk on the 236 mile oil line between Portland and Montreal. Several of George's slides were taken in the beautiful White Mountain area. His facts and figures made us realize what a contribution the Pipe Line makes to the economy of Greater Portland. Each tanker leaves \$8,000 in this area or a yearly total of \$2,800,000. The Pipe Line has a payroll of over one-million dollars in Greater Portland. It pays a \$1,817,000 electric bill and a total in the several towns of \$349,000 in taxes. 285,000 barrels of oil a day can be pumped and it takes 2½ days to make the trip. The Pipe Line saves each tanker a 2000 mile trip around Cape Breton and down the St. Lawrence River. George, who is Immediate Past President of the Portland Rotary Club, aided in the early formation of our Club and we hope to see him often at our future meetings.

**OUR FIRST** - Congratulations to Clyde Pierce and the Mrs. on the birth of a daughter, Patricia Ann, born February 7th.

We have been chartered one month and are officially entered in the attendance contest comprising Continental North America. It now behooves us all to "make-up" each meeting missed either six days before or six days after. Convenient clubs nearby are Brunswick, Monday noon; Westbrook, Tuesday noon; Scarborough, Tuesday evening; Biddeford-Saco, Wednesday noon; Kennebunk, Thursday noon; and Portland, Friday noon.

**VISITING ROTARIANS** last week were all from the Portland Club and included Ray Frost, George Champlin, Howard Reiche, John Dorsey, Robert Getchell, and Jim Fegley. Ali Abdullah, of Saudi Arabia, was a guest. Mr. Abdullah is a road foreman of engines on the Saudi government railroad and had spent two days with the Mel Charitys who found him a charming and interesting personality.

Your editor sat in on a director's meeting and can assure you that the many, many details for **CHARTER NIGHT** are being very capably handled by your committee. They have planned many surprises that will make Saturday evening, March 31st an evening you will long remember. Tickets will be \$3.50 each with reservations limited.

The first reservations are in for Charter Night and the Portsmouth, New Hampshire Club wants 12 tickets. This starts the ball rolling.

**ROTARY** is beginning to sound familiar. With Howard Reiche at the piano, Mark Stimson leading the singing, and augmented by the Portland contingent we didn't sound bad.

Good to see **DON SKILLINGS** after a month's vacation during which he visited Acapulco.

**FROM THE EDITOR'S NOTEBOOK** - The world is full of willing people - some willing to work and the rest willing to let them.

"THE MAKING OF A ROTARIAN"

This will be an informative story with slides and sound which Ray sent to International to secure. It will be most interesting to us as a new club as it shows step by step how to make a Rotarian, etc.

LAST WEEK'S PROGRAM - John Dow, Vice-President of Dow & Stubling Co., traced the history of "Diamonds" from their earliest discovery in India to the present deBeer monopoly of today. The four "C's" of a diamond are carat weight, color, clarity, and cutting. John's talk was very interesting as was evidenced by the question period that followed.

VISITING ROTARIANS included Ray Frost, Ballard Story, John Dow, Allan Howes, John Dorsey, Bob Linnell, Bob Lunt, and Vincent McKusick from the Portland Club; and Walter Hall from the Westbrook Club.

OUR GOODWILL AMBASSADORS are traveling far afield. Al DiMatteo visited in Wellesley, Massachusetts and Ed Inness in Greenville, Pennsylvania.

FINES are being imposed by our Sergeant-at-Arms, John Boland. The money will not be used for dental supplies but will be placed in a good-will fund for flowers, cards, etc.

Each charter member has received his book, Adventure in Service. This should give us a deeper insight and a better understanding of the true meaning of Rotary.

Your CHARTER NIGHT committee is proud and happy to announce that the speaker on Saturday evening, March 31st will be G. Arnold McArthur, Immediate Past District Governor of our district, from Shawinigan Falls Club, Quebec, Canada. Ray Frost has seen and handled our Charter but you must come CHARTER NIGHT to have the same privilege.

This is ROTARY'S 57TH BIRTHDAY. It was a typically bleak Chicago night, when on February 23, 1905, Paul Harris, a lonely, young lawyer, not yet used to the casual and impersonal relationships found in a great city as compared with the friendliness and warmth of his Vermont background, met by appointment an engineer, a coal dealer, and a merchant tailor from Litchfield, Maine. Out of that small beginning has grown a movement now found in 124 lands and regions, with their over 11,000 clubs and some 513,500 members. They talked about an idea that Paul Harris had been thinking about for several years. The idea was that business relations should foster friendly relations. Since all agreed, they decided to form a club to put the idea into practice. They didn't decide, there and then, to call it a Rotary club, but that meeting that night was the first meeting of the world's first Rotary club.

ROTARIANS PICTURED IN THE NEWS - Dick Jordan will head the South Portland-Cape Elizabeth Heart Fund Drive on Sunday, February 25th.

Our Charter Presentation has been set for Saturday, March 31, 1962 and will be held in the South Portland High School at 6:30 P.M. South Portland is just over the bridge from Portland on Route 77. Once in South Portland you will pick up Rotary arrows which will direct you to the High School. There is plenty of parking space for all.

District Governor George E. Sargent will present the Charter and Immediate Past District Governor G. Arnold McArthur will deliver the principal address. He has graciously agreed to come to us from Shawinigan Falls, Quebec, Canada and will see the completion of the Club he suggested to George Champlin who was President of the Portland Club last year.

We have selected what we think will be an excellent menu for the occasion.

- Fruit Cocktail
- Olives Carrot Sticks Celery
- Roast Prime Rib of Beef
- Green Peas - Whipped Potato
- Hot Rolls - Tossed Salad
- Grapenut Custard Pudding
- Tea Coffee Milk

The Musical Interlude which will be put on by the Portland Club will be one of the special attractions. You will be treated to Piano Duets by Allan Howes and Howard Reiche. A Double Quartet with Marshall Bryant directing and Harry Lyseth the accompanist, will round out the musical.

Because of the limitations at the High School, we feel that we would be over-sold unless we keep a very close check on the number of tickets which we sell. Therefore, in order to make sure that the Rotarians residing over 70 miles from here who would like to come, have the opportunity, we are opening their ticket sale one week early. They will have until March 7th to get their order in and be guaranteed tickets.

On March 8th tickets will be sold on a first come basis to all clubs in the 779th District until we reach the limit which is about 350. Therefore if you want to come, and we do want you to, please get your reservations in early.

This Bulletin is being sent to all Clubs in District 779 in sufficient quantity (we hope) to place one on each table at an early meeting so that all will be given equal opportunity.

Of course the Ladies are invited! Tickets are \$3.50 each which includes Tax and Tip.

PROGRAM - Our Speaker will be Mr. Richard Holmes, who is a Special Education Teacher in the Children's Psychiatric Department at Pineland Hospital in Pownal.

LAST WEEK'S PROGRAM under the direction of our Program Chairman, Dr. Paul Rieger proved very interesting to us neophytes. "The Making Of A Rotarian" answered many of our questions concerning new members. Ed Inness, Jr. did a fine job with the film strip and Ronnie Tripp with the sound track.

VISITING ROTARIANS last week included Dave Moody, Ray Frost, Jim Fegley, Clint Rose, Torben Andersen, and Vincent McKusick from the Portland Club; William Wyer from Westbrook; Henry Griffin from Scarborough, and Ed Inness, Jr., guest.

OUR THANKS to Dave Moody for acting as accompanist. We are grateful to the Portland Club for furnishing us a weekly accompanist but it seems our club critically needs a new member whose classification reads "Music-Piano."

OUR GOOD WILL AMBASSADORS continue to roam. John Boland and Ted Wainwright, Scarborough; Mel Charity, Waterville; Tom Walter, Portland; Bill Kilroy, Rumford; and Blaine Raymond, Brunswick.

THE JANUARY ATTENDANCE CONTEST for this district was won by the Shawinigan Club with 97% attendance and a club with 94% came in second. Only one absentee each meeting pulls us down below the January winner so whether we win in March depends on YOU!

OUR FELLOWSHIP CHAIRMAN, Mark Stimson, had an excellent idea of introducing the Rotarian on each members right. The Sergeant-at-arms luckily was absent for he would have collected a fortune in advertising fines.

OUR ROTARY BANNER made its first appearance last meeting and the banquet room now looks very businesslike indeed. Other gifts include a podium, outside road sign, secretary's case and presidents gavel. These gifts will be formally received and acknowledged on CHARTER NIGHT.

THE CLASSIFICATION COMMITTEE has openings in Education-Public School and Religion. Members having potential candidates for either of these two openings should submit their names to the secretary.

Ed Inness was doing a make-up meeting last week in Sarasota, Florida and a case of oranges was offered as a prize to the Rotarian coming the longest distance. Ed figured he had it made and was visualizing bringing them home to our local club. His dream was soon rudely shattered when a member appeared from the Philippines. Ed could do no better than fourth.

Ronnie Tripp now has an ample supply of Rotary lapel pins which are to be worn at each meeting. A word to the wise is sufficient.
