PROGRAM - Bernal B. Allen, South Portland City Manager, will be our speaker.

LAST WEEK'S PROGRAM - "Duke" Blewett, Past President of the Portland Rotary Club and a Past District #779 Governor gave a very informative Rotary Information talk on the least understood avenue, that of Vocational Service. He outlined five ways by which we could serve others.

1. Buyer-Seller relationship with a goal of instilling honesty and courtesy among salespeople.
2. Competitor relations to foster mutual understanding and improve service.
3. Employee-Employer relationship thereby increasing productivity and loyalty.
4. Occupational Information.
5. Membership in professional and trade association.

He concluded by showing how this important avenue ties in with the four way test.

IS UNDERSTANDING POSSIBLE? - "Let us face it: ours is an exasperating world, filled with people who are downright annoying." Is understanding among peoples really possible? Author and noted historian Hubert Herring develops this theme in a provocative article keyed to our club's observance this month of World Understanding Week. Arrayed against efforts toward peace, he says, are the acute problems of poverty, illiteracy, and too-rapid population growth. Read "Is Understanding Possible?" in The Rotarian for March.

FROM THE EDITOR'S NOTEBOOK - Life is not so much getting what you like as liking what you get.

IS OUR CLUB HEALTHY? Let's all guard against the following unhealthy symptoms: malnutrition due to lack of Rotary information, inspiration, and leadership; general debility due to lack of exercise on service projects; aging through loss of membership growth and vision; and disease from carelessness in classification, apathy towards attendance, and self above service. --Governor's Monthly Letter, Dist. 629

CLYDE AND JOAN PIERCE'S daughter, Patricia Ann, was photographed as an Easter Bunny in last Sunday's Telegram.

DISTRICT ASSEMBLY will be held at Rockland on Friday and Saturday, May 3rd and 4th. Your incoming president and secretary are planning to attend and have seats in their car for others who are interested.

"NOT ALL OF US are expected to maintain 100% attendance records year after year. We are all busy men, and of course, subject to the demands upon our time that business naturally makes. Rotary's attendance rules are not based on a desire to make attendance an end in itself. They are predicated on the knowledge that the attendance habit can be formed just as easily as the habit of non-attendance, and that only the Rotarian who attends meetings can give the most to, or get the most from, Rotary."

- Windjammer - Portland Rotary Club

"Finish every day and be done with it. You have done what you could; some blunders and absurdities crept in; forget them as soon as you can. Tomorrow is a new day; you shall begin it well and serenely and with too high a spirit to be encumbered with your old nonsense."
