LAST WEEK'S PROGRAM - Martha Hurd, a Rotary Foundation Fellow was our guest speaker. Martha is a 1962 graduate of Mount Holyoke College and is presently teaching in Pennsylvania. Martha pointed out the difference between the French and the American Educational Systems. She stated that the French attempt to provide scholars while we in America attempt to provide well rounded individuals. The French concentrate on a select few while we educate the masses.

It was a pleasure to have so many members of the South Portland Kiwanis Club at our annual joint meeting. President Bob Hutchinson expressed his thanks to our club for extending an invitation to the members of the South Portland Kiwanis Club.

Paul Proudian, Vice-Consul from our district, was a most welcome guest at our meeting.

ABSENTEES - Nat Clifford, Dan Gacetta, Ed Inness, Bob Jennings, Art Keniston, Bill Kilroy, Stan Milton, Walker Pierce, Bill Sheriff, Murray Smart and Henry Berry.

PROPOSAL FOR MEMBERSHIP

Name	Vernon K. Wilson
Classification	Senior Active
Former Classification	Communications - Radio
Sponsor	Ronald Tripp
Address	8 Andrews Avenue, Falmouth Foreside

If within ten days of the delivery of this "Two Lights" no objection has been filed in writing with the Secretary, the prospective member will be eligible for the next steps leading to Rotary membership.

Al "Old Spruce" Rowe reported on our Christmas Tree sale. He thanked those members who braved the elements to sell trees. A special thanks goes to Ray Frost for his work in making this project a success. Al stated that we will probably clear approximately \$1700.00.

THOUGHT FOR THE WEEK

To be a successful Rotarian is not easy. Individual and collective efforts for the good of the community give your club a good public image. If you do not consistently attend club meetings, you will never find out what ticks in the hearts and minds of your fellow Rotarians.

FROM THE CLIPSHEET

May the new year bring you prosperity and happiness. May it bring peace and understanding throughout the world. May it bring continued success to the Rotary movement. May we all try to improve ourselves and our world.

PROGRAM - Emile Morin, an outdoorsman from Cape Elizabeth, will have slides on some of his experiences as well as much of his equipment. This should be an outstanding program; Program Chairman Dick Small has assured me personally.

LAST WEEK'S PROGRAM - Bill Forbes and Bob Chilkott from the National Cash Register Company showed us a film on the history of numbers. It also explained the many things on the way and already here in both electronic business machines and others operated on even more advanced and sophisticated principles. It was quite an education and presented in most enjoyable form.

PROPOSALS FOR MEMBERSHIP - have been received in the following classifications: Military; Television, Additional Active. If any member wishes to present other proposals in either of these categories they should see the Secretary within 10 days.

VICTORY DINNER - this coming meeting for the winning Team #4 in our attendance contest with Scarborough. The members of Team #4 will sit together at the Victory Table and need only order how they want their steaks done. Members of the three losing teams will pay \$3.50 for their meal. So come and see the fun, because you'll be billed even if you don't.

DIRECTOR'S MEETING - January 6, 1965

1. Voted to set aside funds for sponsoring an exchange student this summer from our Matched District in France, and hopefully from the Abbeville Club.
2. Voted \$200.00 to the Family Services in South Portland to replenish the Shoe Fund that we established last year. This money not only furnishes shoes to those in the City who need them, but also allows the Agency to receive three times this amount again from the United Fund.
3. Voted to Incorporate the Club.
4. Decided to ask the Kiwanis Club if they would like to establish a continuing policy of joint meetings. The plan would be that whenever one Club had a meeting cancelled because of a holiday, members of that Club would meet with the other Club at their regular meeting.
5. Voted to amend the By-Laws of the Club to provide for Annual payment of dues beginning with the July 1, 1965 billing. This proposal must be voted on by the full membership with at least two-thirds of those present approving. This will be voted on at a Club Assembly sometime the first of February.

INTERNATIONAL CONVENTION - registration forms and applications for housing have been received. The Convention will be in Atlantic City from May 30 to June 3, 1965. These of course are always outstanding Conventions, and as housing is on a first come, first served basis, right now is the time to finalize your plans. See Secretary Ron at next week's meeting for the registration forms.

ATTENDANCE - has fallen off substantially since the end of the contest. Once again we stand an excellent chance of being first in the District for the Rotary year, and are in that position now. Let's not lose the lead. See you Wednesday.

PROGRAM - We should all find this very informative. It will be based on the Rotary Magazine as well as Rotary information.

LAST WEEK'S PROGRAM - Emile Morin, a dedicated man, presented a series of pictures displaying his two loves, children and deep sea fishing. Emile's "Deep Sea Fishing Derby for Children" and his "Children's Day in Sports" are two of his projects. His tremendous feeling for both children and fishing was evident in his stories and we of Rotary doff our hats to this outstanding citizen.

NEW MEMBERS - "This is Your Life" Ray Frost, introduced our new Rotarians John T. Barrows and Vernon K. Wilson. The presentation by Ray always brings the new members much closer in the spirit of Rotary. Welcome to the club and we all extend our hearty welcome.

VICTORS - Captain Frank Lee of the winning #4 Team in our attendance contest, spoke briefly of his deep sorrow that all of the fried clam eaters could not partake of the delicious steak. This deep sorrow did not interfere with their appetites.

PROGRAM - John Sayre of Tacoma, Washington, and Richard (Rusty) Wailes of Seattle, Washington, members of the USA 1960 Olympic Team winning a Gold Medal in Rowing.

Rusty Wailes was a member of the 1956 Yale crew that represented the USA in the Melbourne Olympics. Both of these fine athletes are members of the Helms Hall of Fame. This program looks to be one of our finest and the Program Committee deserves congratulations for bringing these young men to us.

LAST WEEK'S PROGRAM - The program on Rotary Information was postponed and Dick Small, our Program Director, did himself proud by presenting Col. Earl O. Thornton, Deputy Commissioner of Civil Defense for the area. Col. Thornton presented a short film, "About Fallout," that was very enlightening. This film made us aware of the threat of this deadly fallout but, when understood, protective measures make it less frightening. In the proper shelter and equipment with two week's supply of food and water, first aid kit, and transistor radio, the possibility of survival is very good. Be Prepared seemed to be the important message and we all have a keener understanding of this ever present threat.

ATTENDANCE - The Club average for December was 91.22%. Support your club with your attendance but if you cannot, get in your make-up. Many of the finest experiences are in the visitations to other clubs. Let us try to climb the attendance ladder.

ROTARY INFORMATION - Q. What, in general, is Rotary's attitude relative to a Rotary club's endorsing local projects?

PROGRAM - Frank Lyman will be Program Director and he will present the program originally scheduled for the 20th of January on the Rotary Magazine. We all should look forward to this discussion.

LAST WEEK'S PROGRAM - Former Olympians John Sayre and "Rusty" Wailes were unable to speak due to other commitments and Program Director Dick Small proved again to be able to "pull the rabbit out of the hat" and presented a very interesting program. Mr. John G. Hill of Cape Elizabeth spoke briefly of Sayre and Wailes who had been guests in his home on their speaking tour of Maine. He then introduced Miss Kathy Green of Beverly Hills, California (daughter of Johnny Green) and Miss Carolyn Thornton of Jackson, Mississippi, active members of the Moral Rearmament movement. Miss Green spoke of the world-wide movement that is a growing group of dedicated young people with one goal, through the help of God, to raise the moral standards in all walks of life. Miss Thornton indicated they are looking forward to 500 college age young people from Maine to attend the summer session at the Home of Moral Rearmament, Mackinac Island, Michigan. All were touched by the dynamic approach and the feeling of complete dedication of these two fine young women and certainly their aims are in accord with the Rotary way.

ABSENTEES - H. Berke, N. Clifford, A. DiMatteo, E. Inness, A. Keniston, D. Kennedy, B. Kilroy, F. Lyman, W. Pierce, B. Raymond, B. Sheriff, M. Smart, T. Wainwright, D. Yerxa, H. Berry, N. Pratt.

GOODWILL AMBASSADORS - B. Raymond, Scarborough; N. Pratt - Shaker Heights, Ohio; J. Toft - Allapattah, Florida; G. Wilcox, D. Kilroy, M. Smart, B. Kilroy - Portland; J. Toft - Miami, Florida; C. Soule - Winter Haven, Florida; F. Lyman - Bal Harbour, Florida; B. Jennings - Westbrook; S. Milton - Brunswick; D. Gacetta - Boston; B. Kilroy - Caribou; C. Soule - Winter Haven, Florida; J. Toft - Miami, Florida; V. Wilson, N. Clifford, W. Pierce - Portland; J. Vose, N. Pratt, B. Lamy, H. Roerden - Scarborough.

NOTE - A reminder that the Ladies Night will supplement our meeting of February 10. This will give us all an opportunity to visit a neighboring club and join in the fellowship in the Rotary spirit.

VOCAL - The fine response to our song leader, Mark Stimson, brings the thought that Mark never threatens us with the "Railroad Song," like someone else that could be mentioned. You are a hard man, Ray, but we love you for it.

DIRECTORS MEETING - The Directors have approved the following expenditures:

\$ 25.00 - Dinner for the School Crossing Guards.

\$200.00 - South Portland Family Welfare Service for shoes for the needy.

ATTENDANCE NEWS - It is difficult to improve on the first place finish in November but our sixth place in December did leave room for improvement. Your attendance is important - see you at the meeting.

ROTARY INFORMATION - Q. What is the attitude of Rotary to a club engaging in community service activity already well handled by some other organization?

A. A Rotary club should preferably cooperate with existing agencies. It is recommended that a Rotary club support an existing agency rather than create a new and duplicate agency.

PROGRAM - There will not be a meeting on the 10th as our Annual Ladies Night, Saturday, February 6 at the Grand View Cottage Hotel will take its place. A reminder that our meeting of the 17th of February will be Club Assembly night and all chairmen should be prepared to review the status of all programs.

LAST WEEK'S PROGRAM - Frank Lyman, Chairman of the Magazine Committee, presented a 22 minute film strip entitled, "Our Magazine - Adventure in Friendship." The presentation as made by Frank was very interesting and informative. We receive the Rotarian and enjoy the magazine from cover to cover and give very little thought to the necessary planning and work necessary to turn out a publication of this type. Together and with some other gentlemen in 124 countries we own and publish a large and important monthly periodical which goes into 136 countries. Our magazine is many things to many people. It is a mirror, a forum, a spark plug, a friend, a platform, a link - and above all else, it is Rotary's great communicator. This publication goes into the homes of about 400,000 Rotarians in all lands and into a dozen or more other countries. This publication was the binding tie that reached out and made Rotarians in all lands feel like friends and the fine articles and informative stories all in good taste and with a dignity makes each and every one of us proud to be a part of it.

We toast our magazine and all those directly responsible for its publication.

ABSENTEES - E. Barrett, E. Inness, A. Keniston, D. Kilroy, B. Kilroy, B. Lamy, W. Pierce, B. Raymond, W. Sheriff, L. Siatras, M. Smart, M. Stimson, T. Wainwright, D. Yerxa, D. Small, N. Pratt.

GOODWILL AMBASSADORS - J. Toft - Allapattah, Florida; F. Lyman, B. Raymond - Scarborough; D. Gacetta - Littleton, New Hampshire; B. Bailey, M. Smart, S. Milton, D. Kilroy, N. Clifford, M. Stimson - Westbrook; A. DiMatteo - Brunswick; M. Smart, B. Kilroy, W. Pierce, B. Sheriff, A. Keniston, L. Wilcox, F. Lyman - Portland; C. Soule - Winter Haven, Florida; D. Yerxa - Augusta; N. Pratt - Bangor; A. DiMatteo - Danvers.

MEMBERSHIP - Q. What is the maximum number of members a Rotary Club should have?

A. A Rotary Club should be composed of one member from every legitimate business and profession in a community. In no other way can it be truly representative of the community of which it is a part. When we consider the many vocations not represented in our club, we can only come to the conclusion that we are only a part of what we ought to be. To fulfill our obligation, it is each Rotarian's privilege to propose qualified men to fill open classifications.

LADIES' NIGHT - Saturday, February 6th, the Annual Ladies Night Dinner Dance was held at the Grand View Cottage Hotel and 106 Rotarians and their Rotaryannes, and friends enjoyed an evening of fine food, dancing, and revelry. Guests included Mr. and Mrs. Frank Emery (President of Westbrook Club), Mr. and Mrs. Carroll Martin (President of the Scarborough Club) and Mr. and Mrs. Dave Moody (President of the Portland Club). I feel I can speak for all who attended in proclaiming this a true Rotary evening.

LAST WEEK'S PROGRAM - Program Director Dick Small pulled another rabbit out of the hat and in a quick change of programs brought us two films, "Trip to Alaska" and "Water Sports." The color film, "Trip to Alaska" from Ketchikan to Juneau, was a beautiful trip among the many islands and fiords of the Alexander Archipelago. The beauty of the trip by water with a background of some of the most inspiring sights from the giant glacier to the pleasant Alaskan fishing villages is beyond my pen but those who attended well enjoyed the film. The second film, "Water Sports," was a very interesting film showing water ski sports as well as dare devil outboard drivers going through their paces that made one feel their idea of a boat ride was a bit rough. These films gave all a pleasant evening and we can thank Len Goodall of the Goodall Boat Sales for making these films available.

PROGRAM - Due to a change in schedule the program originally scheduled for February 17th, Club Assembly, will be held on the 24th. We should all make a special effort to attend in order to keep up with the programs of the Club.

ABSENTEES - B. Bailey, L. Carey, N. Clifford, A. DiMatteo, E. L. Inness, D. Jordan, A. Keniston, R. Kilgore, D. Kilroy, B. Lamy, S. Milton, W. Pierce, B. Raymond, H. Roerden, M. Smart, R. Strachan, T. Wainwright, T. Walter, D. Yerxa.

GOODWILL AMBASSADORS - E. L. Inness - Dania, Florida; B. Sheriff, D. Kilroy, - Westbrook; B. Barrett, H. Berry, T. Wainwright, B. Raymond - Scarborough; A. Keniston, W. Pierce, B. Kilroy, M. Smart, J. Vose - Portland; E. L. Inness - Sarasota Keys, Florida; J. Toft - Miami, Florida; D. Yerxa, M. Stimson, D. Kilroy - Westbrook.

MEMBERSHIP - Proposal for Membership to the following Classifications have been received:

Food Distributor, Wholesale
Public Defense - Land
Television - Additional Active

If any member has any objection to, or desires to present a proposal for these classifications, any objection or proposal must be received in writing by the Secretary within ten (10) days of receipt of this publication.

ATTENDANCE - QUESTIONS & ANSWERS

Q. I attended a meeting of my club, but shortly after entering the room was called out on an important mission and was unable to return. Do I receive credit for attendance? A. NO. To be credited with attendance the Rotarian must be present for at least sixty per cent of the time devoted to the regular meeting.

Q. How does a club determine whether a member has been present for sixty per cent of the time devoted to a regular meeting? A. Each Rotary club develops its own method to determine this. There is no standard method.

LAST WEEK'S PROGRAM - President Tom opened our Club Assembly night by playing a recording of a speech by Charles W. Pettengill, President of Rotary International, entitled the "Seven Decades of Rotary." Club Assembly consisted of a well organized review of our aims and progress reports from some of the chairmen. In the absence of Mark Stimson, Ray Frost read a report on our application for a foreign student and our participation in this program seems assured.

Ray Frost then presented a report on the correspondence with our matched club in Abbeyville, France. True to the Frost tradition a program of 35mm color slides showing the views of Maine as well as club pictures, and this is narrated by Martha Hurd in French, was sent to Abbeyville and I am sure this program will be greatly appreciated and fulfills to the letter the request made by our President as stated in "The Rotarian" entitled "An Invitation to World Understanding Week."

All other phases of our Rotary participation were reviewed including Community Service and all aspects of this program were discussed with the assistance of Ron Tripp. The members had a hard time listing the many areas we had participated in. It was also noted by the President that there is still available over \$2000 and all written proposals to distribute this would be appreciated.

Frank Lee presented his report on vocational service and presented some very interesting proposals for programs in this area. Frank's background in this area points up again the very idea of Rotary. Having a complete representation of the professional people will give the club the firsthand knowledge of each area of endeavor.

Bill Kilroy presented us with an up-to-date survey "Classification List for South Portland Rotary Club 1965." This is a supplement of the fine job done by Ralph Green and we thank both for their work. As Chairman of the Classification Committee, Bill has a truly responsible job and the growth of the Club is a very important factor.

PROGRAM - Mrs. Anne Pride of the Pride Training School will speak on the birth and growth of this fine establishment devoted to the aid of retarded children.

ABSENTEES - B. Barrett, N. Clifford, D. Gacetta, R. Hall, R. Kennedy, A. Keniston, D. Kilroy, S. Milton, B. Raymond, W. Simpson, M. Smart, M. Stimson, G. Wilcox, H. Berry, D. Small.

GOODWILL AMBASSADORS - J. Barrows, W. Pierce - Portland; D. Gacetta - Lynnfield, Mass.; B. Raymond, R. Frost, T. Wainwright - Scarborough; E. L. Inness - Sarasota Keys, Fla.; C. Soule - Winter Haven, Fla.; G. Wilcox - Reading, Mass.; J. Toft, M. Stimson, H. Roerden - Westbrook; B. Barrett, B. Lamy, A. Keniston, T. Wainwright - Scarborough; R. Strachan, D. Kilroy, M. Smart - Portland; E. L. Inness - Sarasota, Fla.; E. L. Inness - Sarasota Keys, Fla.; C. Soule - Winter Haven, Fla.; D. Yerxa, W. Pierce, N. Clifford, B. Bailey - Westbrook.

MEMBERSHIP - Proposal for membership to the following classification has been received.

Education, Secondary added Active

If any member has any objection to, or desires to present a proposal for this classification, any objection or proposal must be received in writing by the Secretary within 10 days of receipt of this publication. The proposed member will be considered eligible for the next steps in Rotary membership.

SERVICE AWARDS - Perfect attendance.

Frank Lyman - 1 year
Ray Frost - 18 years

Congratulations. Certainly attendance is the secret to real participation and in the true spirit of Rotary.

We send our fondest regards to Henry Berke who is bedridden at the present. Get well soon, Henry, the Club misses you.

LAST WEEK'S PROGRAM - Program Chairman Dick Small presented Mrs. Anne Pride, Director of the Pride Training School for Retarded Children. Mrs. Pride presented a program of color slides depicting the growth of the school from a staff of 2 teachers, 1 practical nurse and herself, as Director, in 1950 through today's institution with a staff of 17. The birth and growth was generated from a personal situation and a deep concern to do something for these children. All who attended were deeply moved by the wonderful work being done by this dedicated woman and her staff.

PROGRAM - At the time of this publication no program was available due to a required cancellation of the planned program but we know that Dick will present a fine program such as he has each week.

If no objection to or additional proposals are received the proposed member will be considered eligible for the next step in Rotary membership.

NEW MEMBER - Your Directors and Classification Committee have approved Keith Thompson, Principal of South Portland High School, Classification - Education, Secondary added active. If no objection is received by your Secretary, the final process of Rotary membership will proceed.

NOMINATIONS - Your Nominating Committee has presented the following slate of officers:

President - Allen Rowe, Jr.
Vice President - Ralph Green
Secretary - Ron Tripp
Treasurer - Dick Jordan
Directors - John Nato, Keith Dennison, Tom Walter, Mark Stimson

NOTES - We welcome the return of John Toft although it didn't look right for John to stand up and not make a speech.

Blaine Raymond received his usual greeting which only goes to prove absence makes the heart grow fonder.

Sargeant-At-Arms Ed Inness, Jr. is certainly doing a fine job. Note the rush for badges when one is aware it has been forgotten. I feel at this time we should call him "Hawkeye."

LAST WEEK'S PROGRAM - The program was by Dick Kilroy on his classification, Real Estate, and in conjunction with this he presented a film on Port Charlotte. The film was a program developed by General Development, one of the largest real estate companies in the world. The color film showing the beautiful waterways, lovely homes, churches, schools and shopping centers so ably narrated by Arthur Godfrey, told a story that even the most dedicated of us season lovers looked with longing. We all thank Dick for a most interesting program and wonder who is the exclusive agent for General Development in Maine?

PROGRAM - This week throughout the world Rotary International will be observing "Wide World Understanding Week." Of the nearly 12,000 Clubs in 127 countries, a great many will participate in one form or another. Blaine Raymond and his committee have come up with what looks to be one of our best meetings.

The French Consul Agent for Maine, Dr. Paul O. Proudian, has helped us plan a most interesting meeting. He will give a short talk on "French Culture and Customs" and he also arranged to bring the St. Joseph's French Club, a group of thirteen young ladies and their President Miss Claire Boldoc to sing and present two short playlets.

The singing group are known as the "Misdemeaners" and will sing two songs in French. Following this, the actors group will present a brief performance from "Le Bourgeois Gentilhomme" by Moliere and another from "L'Annonce faite a Marie" by Paul Claudel. One of the girls will translate so the non-French speakers will know what's going on.

This should make a most interesting evening and if you have a friend of French extraction or otherwise it would be nice to bring him as a guest. We would like to build up the attendance at the meeting to show them a good audience. The girls are coming from No. Windham - you should do your best to be there - Let's try for 100%.

LAST WEEK'S PROGRAM - Program Director Blaine Raymond presented Dr. Paul O. Proudian, the French Consul Agent for Maine, who gave a short but very enlightening talk on the French Education Field and the many steps and obstacles that must be met and overcome in order to go on to college. To prove many of his points, the Consul cited statistics of actual hours of homework necessary and hours required of actual school attendance. This talk was in conjunction with "Wide World Understanding Week." Following this, four young ladies from St. Joseph's College at North Windham, Maine, presented two short plays in French and even if some did not understand the dialogue the introduction was so well done that they were well appreciated and comprehended. These delightful young ladies were to be congratulated for their fine performance. To make a fine program outstanding this was followed by a group of selections by the "Miss Demeanors", a singing group from St. Joseph's College. These seven young ladies sang a variety of songs, in beautiful harmony, from Calypso to "Rock 'n Roll" and a French Boating song. The delightful music made for a complete evening and one of the finer programs we have had.

PROGRAM - Miss Dorothy Crosby, Traffic Training Instructor, New England Telephone and Telegraph Co., Boston, Mass., will present a very interesting talk on the proper use of the telephone in business. With her will be Roy Brown, Commercial Representative, NET&T, Lewiston Office. We all should find this very interesting and all reports indicate this is a program not to miss. See you at Rotary.

LAST WEEK'S PROGRAM - Program Director Dick Small introduced Miss Dorothy Crosby, Traffic Training Instructor of the NET&T Co. of Boston. She presented a very amusing as well as informative talk on telephone use in business, pointing up failures in properly presenting oneself, as well as our business on phone conversation. The program was everything that had been promised and of great interest to all attending.

PROGRAM - Bill Loyne, Assistant Superintendent of the Boys Training Center will speak to the Club. This appears to be another must program for all.

OPPORTUNITY KNOCKS - Last September our directors discussed the possibility of having another project to raise funds for our Club's Scholarship Fund. Ray Frost described the plan used by a club he belonged to that had been very successful over a period of years. This plan involved bringing a college glee club in for a concert and promoting it into a fund raising project. Ray was asked to see if our Club could undertake a similar project. Correspondence started last October. The clincher came last Wednesday when Ray was able to present a concrete proposal to our Directors. The proposal offered an opportunity they could not pass up. There was no risk involved. The amount that could be made to help our Scholarship Fund would depend only on how well the Club responds.

The University of Maine Glee Club, on its way to sing at the World's Fair in New York, will give a concert in South Portland for us Wednesday, May 5th, for practically free. All we have to do is to feed and house them. The Directors voted to skip our regular meeting of May 5th, but we would feed the 57 Glee Club members at Howard Johnson's with Tom presiding at the regular time. This would take care of those visitors who might be coming and any of our own members who could not attend the concert. Attendance credit will be given for attendance at the Concert.

The 57 members of the Glee Club are about equally divided between the two sexes. The Chairman of the Housing Committee will soon want you to volunteer your guest room and a breakfast for one or two of these U of M students. Talk it over with the boss now so you will be ready to answer when the Chairman calls.

Ed H. Inness was appointed General Chairman by President Tom and has already gone to work. Eight of our members attended the U of M: Berry, Inness, Milton, Moulton, Rowe, Vose, Wilcox and Yerxa. More next week.

MEMBERSHIP - A leave of absence has been granted L. Carey for the months of April and May.

PROPOSAL FOR MEMBERSHIP - Lloyd Knight sponsored by Bob Jennings, Classification - Television, Additional Active; and Miles Kelley sponsored by Tom Walter, Classification - Communications, Telephone. If any member has an objection or presents a proposal for these classifications, any object or proposals must be received in writing by the Secretary within ten (10) days of this publication.

ELECTION OF OFFICERS 1965-1966 - There were no additional nominations from the floor and President Tom requested Secretary Ron Tripp cast a blanket ballot for the slate proposed by the Nominating Committee. President - Allen Rowe, Jr., Vice President - John Nadeau, Secretary - Ron Tripp, Treasurer - Dick Jordan, Directors - Keith Dennison, Tom Walter, Mark Stimson and Ralph Strachan.

PROJECT MONEY - Please submit all requests at once. April 7th is the date the Directors will apportion out the money and be sure all needy projects have our support.

Portland Rotary's Golden Anniversary Celebration - Tickets will be available for this affair that will be held in the State of Maine Ballroom, Saturday, April 10th. All wishing to attend should contact Toby Anderson by April 5th for reservations. The highlight of this celebration is the reception for our President of Rotary International, Charles W. Pettengill and Mrs. Pettengill, which will be held at 6:30 and dinner will be served at 7:30, dancing will follow.
