LAST WEEK'S PROGRAM - In the absence of President Tom, President elect Allen presided and V.P. elect John Nadeau introduced the visitors. Program Chairman Dick Small told how wonderful it felt to be introducing the last speaker of his three months as chairman. He then introduced Bill Loyne who spoke on his experiences in the field of juvenile delinquency. Mr. Loyne recalled many very interesting incidents which had happened to him during his many years with boys as Assistant Superintendent of the Boy's Training Center. The program was well received and the many questions from the members indicated their keen interest in the subject.

WEDNESDAY'S PROGRAM - Another International Program which is a credit to Student Aid. Harold Fralich of the American Field Service is bringing to us two young students. A young lady, Miss Lucinda Neily, who studied at a High School in Australia for a year which ended in January 1965 and a young man, Ricardo Godoy from Chile, who is attending Cape Elizabeth High School this year. If you miss this meeting, you will be missing one of the best.

U of M GLEE CLUB CONCERT - Last week Ray Frost told us about advertising in the Program; each member has a little territory to cover and if you all do your part we will do a good job as a Club. All calls should be made and copy in before our meeting next week. The deadline is April 15th when we shall have to give the printer the go-ahead in order to have them on time. Ed (H) Inness, Chairman of the OPPORTUNITY KNOCKS Committee, has made the following appointments. Ralph Green - Chairman of SPARE ROOM, BED and BREAKFAST Committee. Ralph will be waiting for you to answer the call we published last week in this publication. Did you see the Boss? Ralph will be at the 1st table on the right. John Nadeau - Chairman of the TICKETS to SELL Committee. John will have 2 kinds of tickets, Adult - \$1.50 and Students - \$1.00, and will be waiting for you at the 2nd table on the right. Pick up a few to show your friends; they might even want to buy some. Hi neighbor! Bill Kilroy - Chairman of the GET ALL THE PATRON'S WE CAN Committee. Bill will be at the 3rd table on the right and his first objective is to get every Club member as a Patron. This costs you \$5.00 and entitles you to 2 tickets in a reserved section and it also gives you the right to help Bill sell Patron's tickets to any extra special friends of yours. (No extra charge for this privilege.) Bob Jennings - Chairman of the GOOD AND PLENTY OF PUBLICITY Committee. Bob has a job to do and any ideas which might help would be most welcome by him. Bob Moulton - Chairman of the Committee for PUTTING POSTERS UP AROUND SOUTH PORTLAND AND CAPE ELIZABETH. Bob will need some help but the posters will not be here until Wednesday the 14th. You will find him at the 4th table on the right at that time.

ABSENTEES - Berry, Clifford, Gacetta, Inness, E. H., Kenniston, Kilgore, Kilroy, D., Milton, Pierce, Raymond, Siatras, Smart, Wainwright, Walter, Yerxa.

GOODWILL AMBASSADORS - Gacetta - Boston; Milton - Natick; Sheriff, Berry - Portland; E. L. and E. H. Inness, Wainwright, Milton - Westbrook; Pratt - Bangor.

CHANGE OF ADDRESS - Art Kenniston and his bride Audrey are living at 25 Strout Street, South Portland. Their phone number is 773-6918. We all wish them our best in their new home.

IN THE NEWS - Did you see the Society Section Sunday? Dan and Pat Gacetta, Dick and Mary Kilroy and Tom and Ilean Walter on page 1. Joan Dennison on page 3 joins Women of Rotary.

THE WENIORTH-BY-THE-SEA is run by Rotarian Jim Smith of Portsmouth, N. H. and he's helping us pull out all the stops for our District Conference and Assembly. It has everything you could desire at a luxury seacoast resort hotel, and Rotary has it for you at down-to-earth prices! (Full details on cost, reservations etc. later.)

LAST WEEK'S PROGRAM - Bob Jennings, Program Director, introduced Harold Fralich of the American Field Service who spoke briefly on the aim of the Student Exchange Program. At present they have placed 3100 students from 67 foreign countries and 900 American students in 32 Foreign countries. We were honored to have Mr. Fralich bring Miss Lucinda Neily of Cape Elizabeth who had spent a year in Sidney, Australia, and Ricardo Godoy from Chile. This was a wonderful program and it will be our good fortune to have Lucinda and Ricardo back this week to present their color slides.

THE BOARD OF DIRECTORS, following the April 7th meeting, met to allocate the funds in our Community Service account. Thru the courtesy of Coca Cola and Ron Hall it was held in the conference room at Coca Cola. The newly elected Board members also attended. All requests were read and discussed and the following allocation was unanimously approved:

Good will Industries Outdoor Box	\$125.00	Nursing Scholarship	\$200.00
American Field Service So. Portland	100.00	French Student to S.P. Rotary	300.00
American Field Service Cape Elizabeth	100.00	Cape Eliz. H.S. Musical Program	50.00
Scholarship to a Maine) So. Portland	100.00	Scholarship to a Maine) So. Port.	100.00
Vocational School) Cape Elizabeth	100.00	Teacher's College) Cape E.	100.00
Little League, So. Portland	100.00	Pride Training School	50.00
Little League, Cape Elizabeth	100.00	Boy Scouts Camp, So. P. & C. E.	105.00

The above amounts to \$1630. and added to the contributions made earlier to So. Portland Family Welfare, School Patrol and Boy's & Girl's State total about \$1900 which was the final net profit from our Christmas Tree Project. The project was work but wasn't it worthwhile.

U of M GLEE CLUB CONCERT - the Chairman of ADVERTISING IN THE PROGRAM committee reports that 10 members have turned in their ads and believe it or not they averaged - 3 ads each for a total of \$21.70 per member - Total to date - \$217.00. The dead line is coming up Wednesday so if you haven't got your soliciting done - time is running out. Most of the fellows said it only took them a little over an hour to do their share. Let's clean it up before dead line. Chairman of the SPARE ROOM, BED & BREAKFAST Committee, Ralph, needs just a few more volunteers and he can complete his reservation list. We now know the bus from Orono will arrive at Mill Creek Shopping Center between 3:30 and 4:00 P.M. Hosts will please pick up your guests there, take them home, and return them to the Shopping Center by 5:30. This will give them time to dress and relax a little. At 5:45 the bus will take them to H. Johnson's for dinner and return them in time for the Concert. After the Concert you will again pick them up and take them home for the BED & BREAKFAST part. The bus is scheduled to leave Thursday at 8:30 A.M. You will be expected to see that they get there on time. If for any reason you need help in transporting them - Ralph Green is the man to call. Chairman of the TICKETS TO SELL committee, John Nadeau, said all members have not picked up their tickets - he will be looking for you. Chairman of the GET ALL THE PATRON'S WE CAN Committee, Bill Kilroy, was absent last week but should be there Wednesday - The more patrons we have from our Club the better chance we have to get patrons from U of M Alumni. It's only \$2 over the price of two Adult tickets. Chairman of the Committee for PUTTING POSTERS UP AROUND SOUTH PORTLAND AND CAPE ELIZABETH will have the posters Wednesday and will need some help - A little help from everybody and a big job becomes easy - THAT IS THE ROTARY WAY.

ABSENTEES - H. Berke, H. Berry, III, L. Carey, N. Clifford, D. Gacetta, B. Kilroy, S. Milton, B. Raymond, B. Sheriff, M. Smart, M. Stimson, R. Strachan, D. Yerxa.

NEW MEMBERS - President Tom presented pins to the following new Rotarians:

LAST WEEK'S PROGRAM - Harold Fralich of the American Field Service returned with Miss Lucinda Neily of Cape Elizabeth who spoke last week on her year as an exchange student in Sydney, Australia, and Ricardo Godoy from Chile. These two fine young people brought a program of colored slides that was enjoyed by all. The beauty of the Andes to the rolling surf of the Pacific was beautiful to behold.

PROGRAM - Director Bob Jennings has really come up with a gem for next week. Bob is bringing Mr. Edward Langlois, General Manager of the Port Authority and Secretary-Treasurer of the Maine World Trade Council, who will speak on "What World Trade Means to Maine." The importance of the topic and the objectives and significance of their program will make for a very informative evening.

U OF M GLEE CLUB CONCERT - General Chairman Ed Inness reported on the progress of the Committee and pointed up the importance of pushing ahead in all phases to get the program presented properly. We should all put our full support to assist Ed and his Committee to the best of our ability. Sell those tickets and talk up the program so that May 5th will be a huge success and our scholarship fund will benefit greatly.

PROGRAM ADVERTISING - \$432 worth has been sold - We want to build it up to \$500 so we have put the final dead line ahead to the 24th - All copy must be in Ray Frost's hands by that time or it will be too late - At this point you should turn in your ads just as fast as possible and do not carry them around until the last minute.

PATRON'S LIST - Ed (H) Inness will have control of this - You can telephone him the names of any Patrons you sell - This will speed up his control - These names will be printed in the program and the dead line will be Wednesday's meeting - April 28th.

TICKET SALE - will continue right up to concert time - John Nadeau will be at the Junior High School to accept your returns. Put your money and tickets to be returned in a sealed envelope with your name on the outside and list the number of tickets sold and total cash. All you will have to do is hand it in. No delay and save everyone's time.

HOUSING THE GLEE CLUB - This is well underway. Only 2 or 3 more rooms needed to complete the arrangements. Ralph says the Club has responded wonderfully. If anyone can volunteer a room - Please let Ralph Green know right away.

ABSENTEES - L. Carey, N. Clifford, B. Jennings, D. Kennedy, S. Milton, W. Pierce, B. Raymond, H. Roerden, B. Sheriff, M. Smart, H. Berry, D. Small.

GOODWILL AMBASSADORS - Portland 50th Anniversary - Ray Frost, T. Walters, D. Kilroy; Portland - W. Pierce, A. Keniston, J. Vose, D. Yerxa, B. Kilroy; Bangor - N. Pratt; Westbrook - B. Bailey, N. Clifford, B. Sheriff; Hamilton, Bermuda - D. Gacetta, R. Kilroy, T. Walter.

NEW MEMBERS - "This is Your Life" Man, Ray Frost, introduced our latest member Lloyd Knight. We enjoyed the presentation and Lloyd certainly is a wonderful addition to our Club.

WENTWORTH BY THE SEA - Make your plans for May 13, 14, and 15. A program is being planned that will not only be meaningful but entertaining.

DECIDE NOW TO ATTEND THE DISTRICT CONFERENCE.

LAST WEEK'S PROGRAM - President Tom introduced Mr. Edward Langlois, General Manager of the Port Authority and Secretary-Treasurer of the Maine World Trade Council, who spoke on "What World Trade Means to Maine." This progressive move by some of vision is a great step in the future of the State. The aim of the organization is to promote Maine products in foreign markets and to educate the Maine manufacturers to utilize the potential of foreign markets. The Maine Trade World Conference which has at present nearly 200 members realizes the ultimate plan is the increased shipping through Maine ports. The program was well presented and of deep interest to all. Our congratulations to Program Director Bob Jennings.

PROGRAM - Mr. John Caterina will speak on the project "Dollars for Scholars." This project is of great interest and at present being promoted by all civic groups. We should find this of great interest.

ABSENTEES - B. Bailey, H. Berke, L. Carey, N. Clifford, A. DiMatteo, D. Gacetta, E. H. Inness, E. L. Inness, B. Jennings, B. Kilroy, S. Milton, W. Pierce, B. Raymond, L. Siatras, M. Smart, M. Stimson, R. Tripp, G. Wilcox, V. Wilson, R. Small, H. Berry, M. Kelley.

GOODWILL AMBASSADORS - R. Strachan, L. Siatras, B. Raymond - Scarborough; S. Milton, N. Clifford - Portland; R. Tripp - Dunkirk, N. Y.; A. DiMatteo - Salem, Mass.; W. Pierce - Westbrook.

MEMBERSHIP - The importance of attendance cannot be over emphasized and the lack of it takes away one of the truly important meanings of Rotary Fellowship. With the growth of our club the tendency to stay away is greater as there will be a large group and you will not be missed. Support your elected officers by your attendance and make your presence felt. In a Rotary publication issued by a Club down the Road, they have Gov. Turner Brown's latest attendance standings showing the first five standings and we did not appear, in fact, we do not appear until well down the list. We are ahead of the District average but well down on the list. Let's get to the meetings and if not get the make-ups and climb back up to where we were.

U OF M GLEE CLUB CONCERT - Ray Frost will contact each one with a list of the Alumni in the Area as potential patrons for ticket customers. Let's push the tickets and get them sold. We should make this one of the big evenings in our community and successful for our Scholarship Fund.

PROJECTS - President Tom read letters from Goodwill Industries and the Pine Tree Council of the Boy Scouts of America thanking us for the project money we had presented to them. It is most gratifying to receive these words of thanks but the giving is thanks enough and the spirit of Rotary is with us at this time.

"POPE PRAISES ROTARIANS FOR 'DEDICATION TO GOOD'" - "Vatican City - Pope Paul praised the American-founded Rotary International for "its generous dedication to the services of the common good." It was the Roman Catholic Church's first open praise of the Society. The Pope's remarks came at a special audience Saturday in the Vatican's Hall of Benedictions for various groups, including 1,500 Italian Rotarians, now holding a congress in Rome.... The Pontiff mentioned that in the past the Church had reservations about the Rotarians because it cut religious boundaries and seemed open to influence by ideologies harmful to Catholicism.

"But your society seems to wisely recognize its various limits and respect the beliefs of its members," the Pope declared. He said that the organization does not close itself to the Christian message. "The Society is helpful in its generous dedication to the common good," the Pope said. The Pope also said that Rotary International could contribute to world solidarity and peace."

LAST WEEK'S PROGRAM - President Tom introduced our speaker of the evening, Mr. John Caterina of the Canal National Bank, who spoke on "Dollars for Scholars." This very worthy project is aimed at the average student with the urge to go on with his education but unable to obtain the benefits of other scholarship aid. It was very interesting to see the growth of the program from 14 chapters in 1961 to the present day where there are 160 chapters working to promote this project. We congratulate all those working to make "Dollars for Scholars" a success.

PROGRAM - Regular Dinner Meeting at 6:15 p.m. - U of M Concert at South Portland High School, 8:15 p.m.

ABSENTEES - B. Bailey, E. Barrett, H. Berke, H. Berry, L. Carey, N. Clifford, A. DiMatteo, B. Jennings, D. Kennedy, R. Kilgore, F. Lee, F. Lyman, S. Milton, W. Pierce, B. Raymond, A. Rowe, W. Simpson, R. Small, M. Smart, M. Stimson, T. Wainwright, M. Kelley.

DISTRICT CONFERENCE - Wentworth By the Sea, May 13, 14, 15 & 16. Make your plans to attend now, but, as President Tom said, "If you cannot attend the full program plan to go down Saturday." The program appears to be very inviting and developed to make the few days a real experience with loads of fun, friendship and frolic.

CONCERT - May 5th - University of Maine Glee Club - Let's get the tickets sold. Ticket Chairman John Nadeau is looking for a real selling program to put the fine evening over the top. All money should be in no later than the 12th. **SELL! SELL! SELL!**

PROJECTS - President Tom read a letter from Mrs. A. Pride of the Pride Training School thanking the Club for the Gift.

MUSIC - Led by Ray Frost with the fine piano accompaniment of Howard Reiche, Principal of Portland High School. The music was enjoyable but even under these conditions, Ray just had to have us sing the "Railroad Song."

We sent our best regards for the quick convalescence of Mrs. W. Sheriff.

Do you plan to attend the 1965 Convention of the Rotary International in Atlantic City? From Saturday, 29th of May, Registration date thru Thursday, June 3rd, this convention will be one of fellowship and devotion to the spirit of International Rotary.

LAST WEEK'S PROGRAM - In a beautiful display of choral versatility the U OF M singing group, under the direction of Dr. Herrold E. Headley, presented a program of beautiful music. The fifty-two voice organization made a striking picture and the blending of fine voices and the variations of program brought an appreciative response from all who attended. During the Intermission we were entertained by Portland's well known Barbershop Quartet, "The Cumberland Counts." A fine evening of music was enjoyed by all and I am sure our next program will be well received.

PROGRAM - We will be honored by a member of the honorable profession of practicing law when Tom Monaghan speaks to us on "Law Day." See you there. We are all looking for a little free legal advice and this is our opportunity.

ABSENTEES - Due to the split meeting, the editor does not have the attendance prepared for this publication.

BOUQUETS - Congratulations for a fine job should be resounding after our fine program of the 5th. The following group, headed by Chairman Ed H. Inness: Ralph Green, John Nadeau, Bill Kilroy, Bob Jennings, Bob Moulton and Ray Frost, worked very hard to promote and organize this program. A Special bit of praise is in order for the fine way President Tom handled the program. Congratulations for a job well done.

All monies for concert tickets must be in no later than the 12th of May. Ticket Chairman John Nadeau will be ready and waiting for you.

LAST WEEK'S PROGRAM - Due to the Concert on the 5th we had our speaker on Law Day a week late. Attorney Vincent Larson, graduate of Oxford and Harvard Law School was introduced by President Tom and spoke on "Criminal Punishment." The many complex areas made for a very interesting talk and the never ending discussion on capital punishment was one of the main subjects. The fact is that 29 states still have capital punishment and from 25 to 45 die yearly in full payment for their crimes. In the final analysis the following 4 points were discussed fully: (1) Society demands retribution; (2) To deter the criminal from further acts (fear of punishment); (3) Proper sentencing makes the undesirable unavailable to act against society; (4) Reformative. All in all the discussion was interesting and informative.

PROGRAM - A topic of interest to all with the present political situation is planned and I am sure will be arranged. See you at Rotary. This will be one you will kick yourself if you miss.

ABSENTEES - H. Berke, L. Carey, K. Dennison, R. Frost, E. L. Inness, A. Keniston, R. Kilgore, D. Kilroy, S. Milton, W. Pierce, B. Raymond, H. Roerden, A. Rowe, Jr., B. Sheriff, L. Siatras, R. Strachan, T. Wainwright, G. Wilcox, D. Small, M. Kelly.

GOODWILL AMBASSADORS - S. Milton - Bath; R. Tripp - Mt. Vernon, Washington; A. DiMatteo - Scarborough; F. Lyman, B. Sheriff, W. Pierce - Portland; M. Stimson, B. Jennings, A. Keniston, W. Pierce, E. Inness, E. L. Inness - Westbrook; B. Bailey - Lincoln; A. DiMatteo - New Haven.

ATTENDANCE - President Tom read the latest attendance figures from Gov. Turner Brown and the rise from 15th place in February to 7th in March is good to see but we have a long way to go and let's get up where we should be in the top 5 (ahead of the Club down the road).

PROJECTS - President Tom read letter of "Thanks" from Cape Elizabeth Band, and Cape Elizabeth American Field Service.

PERFECT ATTENDANCE - John Toft was awarded his two year perfect attendance pin.

ROTARY INFORMATION; SHOULD We Sell Rotary?

No - Not as a commodity to be peddled from house to house - or even from store to store - or from office to office.

Yes - If by "selling" we mean presenting Rotary for what it really is, to the community as a whole, and especially to the man who should belong to the local Rotary Club. It is entirely legitimate to try to awaken in these men a desire to participate actively in the work of Rotary. Use the same dignified approach, and time-tested salesmanship that you are accustomed to use in your own business.

LAST WEEK'S PROGRAM - Vice President Allen introduced Rod Littlefield of the Portland Club. Rod spoke on Fishing, Commercial, and very emphatically explained the horse and buggy approach of the independence of the United States against the businesslike approach of the Russians and Japanese. The equipment of the subsidized Russian and Japanese fleets is far superior to the Americans' and the very laws built to protect the fishing industry are now an anchor around the American fishermen's neck. It is amazing to realize that a fishing boat cannot be unloaded in an American port unless the hull has been built in the States. When we realize that the American lobsterman must throw back all those lobsters under 1 pound and the seed lobsters - the Russian and Japanese take everything. Our speaker's feelings were that necessary legislation is needed as well as progressive programs by the companies if we are to compete with the Russian and Japanese groups.

PROGRAM - Your Editor does not have the program for the 26th but you can be sure the Committee will come up with a gem and if I am wrong you can hold me responsible - see you at Rotary.

MUSIC (?) - We were led in song (Ray Frost questioned this) by Lloyd (The Voice) Knight and Bob (Golden Fingers) Jennings, and to say this was one of the highlights would be putting it mildly.

ABSENTEES - B. Bailey, L. Carey, N. Clifford, K. Dennison, A. DiMatteo, B. Lamy, F. Lyman, S. Milton, W. Pierce, B. Raymond, L. Siatras, J. Vose.

GOODWILL AMBASSADORS - R. Tripp - Seattle, Wash.; L. Wilcox - Somerville, Mass.; B. Sheriff, W. Pierce, A. Keniston, John Vose - Portland; K. Dennison, B. Raymond, A. Rowe, W. Simpson, T. Wainwright - Scarborough; D. Yerxa, S. Milton - Westbrook.

INTERNATIONAL UNDERSTANDING - Mark Stimson, Chairman, announced our student would leave Washington, D.C., August 4, and will be with us until September 21, and he requested the need for three Rotary families to house Miss Marie Jose Gilmert for two weeks each.

Marie is 19 years old and was born December 2 in Paris and with all of the energy of youth and the inquisitive approach that this young lady indicates, spending a couple of weeks in her company could well be one of the highlights in your family's life. If you are able and willing to take Marie for two weeks, please contact Mark Stimson at once.

DISTRICT CONFERENCE - We were all proud to hear the fine words Phil Stultz had to say about President Tom's speech at the District Conference. We thank Phil for bringing these kind words to our meeting and the representative at the Conference is now aware of what we have known for a long time, Tom Walters is Rotary.

LAST WEEK'S PROGRAM - Vice President Allen introduced our speaker for the evening, Bruce McCardel, General Sales Manager of WCSH-TV who presented a humorous evening of Downeast stories. Bruce called this his hobby that was started his second year in college and developed to the point that for 30 minutes he hardly stopped long enough to take a breath. The variety of Yankee humor was enjoyed by all and this change of pace was well accepted. The only thing that appeared to bother Bruce was when our Lloyd Knight stood to lead the singing and this brought forth a comment.

PROGRAM - Program Director Ralph Strachan has come up with a real find for our program, Thomas Atkins of Shore Mill Road, Standish, a cabinet maker by trade and a hobby of building bridges, ships and model homes. The subject appears to be very interesting so don't miss the meeting.

ABSENTEES - B. Bailey, L. Carey, N. Clifford, K. Dennison, R. Green, R. Hall, A. Keniston, R. Kilgore, D. Kilroy, B. Kilroy, S. Milton, F. Lyman, W. Pierce, B. Raymond, H. Roerden, B. Sheriff, R. Strachan, R. Tripp, T. Wainwright, T. Walter, V. Wilson, D. Yerxa, H. Berry.

CONDOLENCES - To Ralph Strachan on the death of his Mother.

VISITING STUDENT - A reminder of the upcoming visit of Miss Marie Jose Gilmert. If you are able to take this young lady for two weeks, please contact Mark Stimson. We are all looking forward to the visit from this young French lady.

EXCERPTS FROM GOV. BROWN'S LETTER - May 20, 1965 - The excellent turnout, the wonderful weather, and the abundance of friends, made last weekend a great one for Anne and me, and all the others who had planned towards and worked on our annual Conference at Wentworth-by-the-Sea. Long distances seemed to be a stimulant rather than a drawback, and 100 showed up from La Belle Province, taking their 600 to 1100 mile round trips very much in stride, and making some clubs within commuting distance admit to feeling pretty sheepish.

Everyone was exposed to and participated in lots of serious Rotary, got swept up in our wonderful 779 fellowship, and left smiling, happy and evidently well pleased at having been a part of our fine weekend.

ATTENDANCE REPORT - Congratulations on the attendance climb from 7th place in March to 5th place in April and indications are that we are heading for the top.

ATTENDANCE AWARDS - John Nadeau - 4 years; John Vose - 2 years; perfect attendance. Congratulations are in order.

LAST WEEK'S PROGRAM - President Tom introduced Thomas Atkins of Shore Mill Road, Standish, a cabinetmaker by trade and a Model Maker by profession. Mr. Atkins explained his introduction into the profession of Model Making as a result of his interest in both aviation and his inquisitive nature. The first professional venture was the founding of Atkins and Merrill and from this created the interest to reproduce a variety of things. The reproduction of various replicas consist of a locomotive originally built by the Baldwin Locomotive Works of Philadelphia, the New York Third Avenue Elevated, the cable complex of the Brooklyn Bridge, early Roman aqueducts and viaducts, and he is presently working on the sunken casson on which the Brooklyn Bridge is mounted. Tom's tremendous knowledge of each job he has produced, indicated the depth of study and research necessary to perform each job. The presentation and the enthusiasm conveyed by this man and his love for his work made a very interesting and informative evening.

PROGRAM - Director Ralph Strachan will present Mr. Griffin of Portland, who was taken prisoner in Bataan and was a part of the Bataan Death March that shocked the civilized world. He will speak on this part of his life that I am sure will never be forgotten. This appears to be a meeting we should not miss.

ABSENTEES - B. Bailey, E. Barrett, L. Carey, N. Clifford, A. DiMatteo, D. Gacetta, R. Green, D. Kennedy, R. Kilgore, B. Kilroy, W. Pierce, B. Raymond, H. Roerden, B. Sheriff, C. Soule, M. Stimson, G. Wilcox.

GOODWILL AMBASSADORS - W. Pierce, A. Keniston - Portland; K. Dennison - Scarborough; and the traveling Rotarian R. Tripp who was a guest of the Sedro Woolley, Washington, Club. We should have this traveler back in our midst this week.

MEMBERSHIP - F. Howard Williams, Ice Cream Distribution, proposed by Lloyd Pike. If within ten days of the receipt of the Two Lights, no objection has been filed in writing with the Secretary, the above will be considered eligible for the next steps in Rotary membership.

LAST WEEK'S PROGRAM - Vice President Allan introduced Mr. Griffin of the Portland Rotary Club who spoke on his experiences when taken prisoner in Bataan by the Japanese and was a part of the Bataan Death March. The experiences suffered by the speaker, while participating in this nightmare, were vividly portrayed. The hardships suffered at the hands of the Japanese soldiers were beyond belief and it is amazing that more of the prisoners were not killed before arriving at their destination.

It is hard for your Editor to comprehend how, after such abuse and degradation, the speaker held no animosity toward his captors. If anyone is interested in reading the message delivered by Mr. Griffin, a copy is available from your Editor.

LAST WEEK'S PROGRAM - President Tom introduced the program for the evening, Sandy Grant and his organ. This was a very interesting evening and Sandy presented a program that was one of the finest. The talent of this artist was well presented and in the following: Fiddle Faddle, Strike Up the Band, Londonderry Air, selections from My Fair Lady, as well as other selections and winding up with a little highbrow, but so well done that all who were there were well entertained by the beautiful sounds from the organ. The way the program was received, it may be well for our Program Directors to keep this in mind.

PROGRAM - Program Director Ralph Strachan has lined up another fine program. Don't miss Lt. Robert Nelson of the Fleet Air Wing 3, Brunswick Naval Air Station, who will speak on Submarine Warfare. See you at the meeting - bring along a potential Rotarian or a friend.

ANNUAL OUTING - Let's make our plans, program our work loads, hire baby sitters, or just let the grass grow and leave the golf clubs in the garage, but don't let anything interfere with your attending the annual outing at Dick Kilroy's camp on July 11th.

LAST WEEK'S PROGRAM - President Tom introduced Lt. Robert Nelson of the Fleet Air Wing 3, Brunswick Naval Air Station, who spoke on the Naval Air Arms part in the ever present threat of unfriendly visits from submarines. The dedication of this fine young man to his task was quite apparent and the thought of this type of protection is ever present makes us all feel much safer. The short film on Anti-Submarine Warfare was very interesting and the efficiency of the ever alert Naval Air Arms was apparent. A vote of thanks to Ralph Strachan for presenting such a fine program.

PROGRAM - There will be no program but instead will have the installation of the new officers and directors. We all should make a special effort to get out and give a rousing vote of thanks to Tom Walters and his group and then to welcome the new President, Allen Rowe, Jr., and his officers and directors. I am looking forward to seeing all Wednesday night.

ABSENTEES - N. Clifford, A. DiMatteo, R. Green, E. L. Inness, B. Jennings, D. Jordan, A. Keniston, R. Kilgore, D. Kilroy, F. Lyman, S. Milton, W. Pierce, L. Pike, B. Sheriff, C. Soule, M. Stimson, R. Strachan, G. Wilcox, D. Yerxa, N. Pratt, M. Kelley.

GOODWILL AMBASSADORS - D. Kennedy, R. Hall - Scarborough; E. Inness, M. Stimson, T. Walter, B. Kilroy, B. Sheriff - Westbrook; A. Keniston, Jr., W. Pierce, M. Kelley, R. Strachan, J. Barrows - Portland; E. Inness, D. Kilroy - Westbrook.

ANNUAL OUTING - D. Kilroy's camp will be the scene of the outing and the date is July 11th - what more can we say - except, SEE YOU THERE.

MEMBERSHIP - James F. Doughty, Classification - Insurance, Automobile, proposed by Warren Simpson. If within ten days from the publication of the Two Lights, your secretary does not have, in writing, any objection to the above proposed member, he will be ready for the final steps of Rotary membership.

SUMMER SCHEDULE - July 7, 1965, at 12:15 p.m. the Summer Schedule begins.

GOVERNOR'S LETTER - Governor Turner Brown's letter of June 15th was a welcome one indeed for we are once again fighting our way up and are listed in 2nd place with a 94.51 average. I am sure this will make President Tom feel good indicating a real effort by all members to support the outgoing President and at the same time welcome in President Allen with a feeling of support and there is no way to show this except through attendance.

I would like to quote the complete letter that the Governor wrote but in brief he told what a great privilege it is to be able to work with such a fine group of people. The Governor closed as follows: "It's hard to describe the cordial and friendly hospitality with which Anne and I were received every place we went. It's hard to describe the warmth of feeling with which we look back on the last twelve months. As I said at the final dinner of the Conference, it's been a wonderful year for us, and it's been a wonderful year for one reason only -- you made it so. You have our heartfelt thanks."

NEWS - We wish to congratulate Art Keniston on his election to the International Board of Directors of the Association of Newspaper Classified Managers, Inc. at the organization's Annual Meeting.
