PROGRAM - Interact Program in charge of Lloyd Knight. Lloyd has secured some Lewiston people who have been very successful in the Interact program and they are Bob Edgeley, District Interact Governor, Jerome Ross, Chairman District 779 Interact and Bryant Marcotte, President, Lewiston High Interact Club.

LAST WEEK'S PROGRAM - Rev. Tal McNutt gave a very interesting talk on "Modern Youth and their Problems". "Young people are images of their adult contemporaries" he said. As parents we have a real obligation in the example we set for our children. Let's be proud we are parents, and our children will be proud of us.

ATTENDANCE - Our attendance contest is three weeks old and we are still looking for our first 100% week. To date, one member has been missing each week. From now on, each meeting will be 100% if I, You, We come or make up!

GOODWILL AMBASSADORS

At Portland: Al DiMatteo, Dick Jordan
At Franklin, N. H.: Bill Sheriff
At Scarborough: Bruce Bailey, Walker Pierce, Bill Kilroy,
Al Rowe, Art Kenniston, Blaine Raymond,
Ted Wainwright
At White River Jct., Vt.: Dan Gacetta

OUTING - Black Horse Lodge, East Sebago, turned out to be everything as promised. Good food, good fellowship, good orchestra, good singing by Lloyd and Ellen. Conflicting commitments kept the attendance small, but the quality of the group was reported Rotary high.

DIRECTORS' MEETING - The regular monthly Directors' Meeting will be held tonight.

BIRTHDAY CONGRATULATIONS - to Lloyd Knight on the 5th and Warren Simpson on the 10th.

WEDDING ANNIVERSARY CONGRATULATIONS - to Henry and Gloria Berke, John and Marion Toft, and Bob and Myrtle Lamy.

PROGRAM - This is the time of year when our attention is directed to the needs and services of the Greater Portland United Fund. Morrie Naudts has asked Mr. Robert Porteous to speak to us regarding this year's drive.

LAST WEEK'S PROGRAM - Mr. Jerome Ross, from the Lewiston Rotary Club, brought with him two outstanding young men from the Twin City Interact Clubs. We were most impressed with their enthusiasm and poise and the information they gave on forming an Interact Club should be a great incentive to form a club in our area. There are nine Interact Clubs in our District, the Lewiston Club alone sponsors four of them.

The Edward Little Club has certainly been a credit to Rotary with their various civic projects and their student exchange program with Mexico.

ATTENDANCE - We are still looking for our first 100% meeting and have been very close to it. Shawinigan's Bulletin gives their percentage for Sept. 8 as 93% and we have a slight margin on this one of 97%.

LET'S TRY FOR 100% TONIGHT

GOODWILL AMBASSADORS:

At Westbrook: Howard Williams
At Portland: Bob Lamy

PROPOSAL FOR MEMBERSHIP to fill the following classification has been received:

METAL FABRICATION Additional Active

If any member has any objection to, or desires to present proposals for this classification, such objection or proposal must be received in writing by the Secretary within the next ten days.

DIRECTORS MEETING - Reports were heard from all Directors on the activities of their committees. Lloyd Pike came up with an excellent suggestion that all Committee Chairmen keep all of their material in a folder in good order to be passed on to the next Chairman the following year. This will be of immense value in continuing present efforts.

Secretary Ron has received a letter from Frank Lee in Nigeria. Frank hopes the winter won't be too severe on us.

THE ROTARIAN * Doesn't that cover give you the urge to travel to far away places? The October issue is strong on Community Service. President Evans' article on Page 16 "Look Further at No. 4" urges us to:

DISCOVER AND SERVE THE NEEDS OF YOUR COMMUNITY: Be concerned with youth; with employment and education; with health; with safety; with respect for law; with home and family solidarity. Serve the needs of your own areas.

OK, NOW SMILE - Doctors will tell you that if you eat slowly, you will eat less. This is particularly true if you are a member of a large family.

PROGRAM - Your CLASSIFICATION COMMITTEE (Warren Simpson and Ralph Green) has arranged a program that they hope will be both informative and amusing. Each member is asked to bring an article that pertains to his classification.

A contest will be held during the evening and prizes will be awarded to those knowing the most classifications.

Senior Active and Past Service classifications are excused, all other members must bring an article or pay a fine to the Sergeant at arms. Additional Active classifications can be teamed with their sponsor on one article. Classifications for all members can be found on the back side of your "Two Lights". Turn it over and study hard!

LAST WEEK'S PROGRAM - Our guest speaker was Portland Rotarian Bob Porteous. Bob is Chairman of the 1966 Greater Portland United Fund Drive, and again reminded us of the needs of this great cause. This year's goal is over a million dollars for the ten town area. This is made up of 46 Agencies and serves a population of 149,000 people. It is hoped that the goal will be exceeded so that some cuts in allotments can be restored.

ATTENDANCE - Things are looking up. September 28th was a 100% meeting with make-ups. Our average for four weeks of September, was 98.2%. Shawinigan Falls reports 94.9% for September, so we have a slight margin. Keep the good work up or we could easily lose this slight advantage.

GOODWILL AMBASSADORS -

At WESTBROOK: Tom Walter, Morrie Naudts, Hal Roerden, Dick Anderson, Bill Sheriff and John Vose.

At SCARBORO: Dick Kennedy, Ted Wainwright and Warren Simpson

At BIDDEFORD: Walker Pierce

At PORTLAND: Bill Sheriff

At KENNEBUNK: Blaine Raymond

At ELLSWORTH: Dan Gacetta

At THOMPSONVILLE, CONNECTICUT: Al DiMatteo

THE U OF M "CAMPUS" of September 29th carried an article on David Aikman. David visited the University of Maine and was given a very nice write-up which mentioned that he was a guest of the South Portland Rotary Club.

CONGRATULATIONS to Ted Wainwright, who was presented with a two year perfect attendance pin.

SICK CALL - Bill Sheriff is at room 237 in the Maine Medical Center and would appreciate a visit. Best wishes for a speedy recovery Bill.

OVERHEARD AT THE TRACK - Today must be my lucky day! This is my birthday, 55 years on the 5th of May. I'm going to play the 5th horse in the 5th race. He was right - his horse came in 5th.

PROGRAM - Our chairman of programs, Morrie Naudts, adds to his reputation of obtaining the best speakers, by presenting Mr. Edward C. Hinckley, Commissioner of the Indian Affairs Department for the State of Maine.

Mr. Hinckley, a most interesting speaker, will present a close-up view of our Maine Indians, past and present.

LAST WEEK'S PROGRAM - Warren Simpson and Ralph Green (Club Classification Specialists) collaborated in presenting a contest on "Know your fellow members by their classifications" or more simply stated, "Don't get carried away by the gadget displayed to represent something, because it isn't what you suspected."

However, of the 25 deceptive articles exhibited (to represent the 25 classifications) the top sleuths turned out to be Ed Inness and Tom Walter, with 19 correct guesses out of 25. My 13 didn't stand-up too well!

ATTENDANCE - Another 100% meeting, two in a row, but don't become complacent, because our margin over Shawinigan Falls is too slight to relax those make-ups.

GOODWILL AMBASSADORS -

At SCARBOROUGH: Art Kenniston, Ted Wainwright, Blaine Raymond, Bob Jennings, Warren Simpson

At BIDDEFORD: Howard Williams

At WESTBROOK: Ralph Kilgore, John Barrows

At PORTLAND: Ralph Strachan, Walker Pierce, Hal Roerden, Al DiMatteo

DID YOU KNOW - Trustees of the Rotary Foundation recently awarded 154 Fellowships for International Understanding for the 1967-68 school year? - the largest number in the history of the Foundation. At the same time, trustees announced 42 awards for Technical Training.

RECUPERATING - Bill Sheriff at home; give a call or drop a card, either of which will be appreciated.

WOULD YOU BELIEVE - "If at first you don't succeed, well, so much for Sky-diving."

HALLOWEEN HIGHLIGHTS - A poor man and his wife went to Texas one October. When they returned north, they were driving a new Cadillac. "Did you strike oil in Texas?" someone asked. "No," said the wife, "we happened to be there on Halloween, and they were playing trick or treat."

My apologies for this from "Bing", the Rotary publication of my former Club in Dover, New Hampshire. - I just got carried away!

PROGRAM - "APATHY OR ACTION", a slide presentation by the Legislative Affairs Committee of the Greater Portland Chamber of Commerce. The presentation outlines the outstanding job which organized labor is doing in presenting their policies and platforms to both National and State Legislatures. This presentation urges that business and professional men do likewise.

The speaker who will provide the commentary on the slides as they are presented is Mr. Eugene W. Wilkin, the Executive Director of the Guy Gannet Broadcasting Services. He is Chairman of the Legislative Affairs Committee of the Greater Portland Chamber of Commerce and is responsible for such programs as the "Meet the Candidates Breakfasts" and this presentation -- "Apathy or Action".

LAST WEEK'S PROGRAM - Mr. Edward C. Hinckley, Commissioner of Indian Affairs Department for the State of Maine presented a talk on some of the problems facing our present day Indians. We have about 1200 Indians on Reservations and about 800 off Reservations, in the State. Maine is the only State in the Union to have its own Department of Indian Affairs, all other states being administered by the Federal Government.

The most pressing needs of the Indians today is Schooling, Housing and Sanitation. Scholarships to the five State Vocational and Nursing Schools are now available and progress is being made in other areas. It is hoped to increase interest in native handicrafts and that Maine Indians will soon be a source of pride to the State.

COMMENTS by President John - Congratulations to the Classifications Committee on the new list of filled and unfilled classifications. Please study this list and bring in a prospect card.

A letter from Rotary International complimented the South Portland Rotary Club on its reports to the District Governor.

Another letter has been received from David Aikman, reporting on his films and other experiences upon arriving home.

PROGRAM - Our Program Chairman for this week, Ralph Kilgore, has secured Franklin Hinckley, who will talk about Rotary Foundation and Scholarships. Frank is a Portland attorney and a member of Portland Rotary. This will be an opportunity to become more familiar with this important function of Rotary.

LAST WEEK'S PROGRAM - a slide presentation by the Legislative Affairs Committee of the Greater Portland Chamber of Commerce was presented by Eugene Wilkin, who is Chairman of this committee, assisted by Clark Neily, Assistant General Manager of the Chamber.

The slides were beautifully done and the message was very plain. Businessmen must take more interest in political affairs. The United States is trending away from a capitalistic nation toward a socialistic state regardless of the name it is given. Business should expend as much effort in government as Labor is doing in order to maintain a proper balance in legislation.

ATTENDANCE - The District Governor's letter puts us in 1ST PLACE for September, up from the 21st, with Shawinigan Falls in 3RD. Nice going for both Clubs. Secretary Ron reports that October 19th is complete with 97.2%.

SPEAKING OF PERCENTAGES, our own LLOYD KNIGHT'S United Fund Division came up with 106.9% of quota. Congratulations. And thanks for enrolling us all in the SUPER-HERO Club!

PROGRAM - Bob Jennings is chairman of this week's program and has obtained the Rev. Winston Clark, of the First Congregational Church of South Portland. Rev. Clark will speak on the "Four Way Test - It's Application To Our Daily Living".

LAST WEEK'S PROGRAM - Dr. David R. Fink, Dean of the University of Maine in Portland, spoke on the recent survey on higher education in Southern Maine. The Commission's report brought out the need for more Vocational Facilities; that Maine is not doing enough in higher education; that Maine is not doing enough in Southern Maine. There is a definite need for a full fledged University in Southern Maine, and Dr. Fink's talk really convinced us.

ANNOUNCEMENTS - On December 14th, Bud Barrett will show slides that have been collected to send to our matched district. There will be a tape narration by Lloyd Knight. If anyone has any outstanding slides that we could make a copy of, please bring them along.

ATTENDANCE - Week of November 2 was 94.4%. This is the poorest report since the contest started. There is only two more weeks remaining in the contest period, so let's try for 100% on these last two.

GOODWILL AMBASSADORS - At WESTBROOK - Dick Kilroy, Lloyd Pike, Bruce Bailey, Hal Roerden, Howard Williams, Art Keniston; At SCARBORO - Blaine Raymond, Dick Kennedy, Warren Simpson; At PORTLAND - Tom Walter; At LACONIA - Bill Sheriff.

If any member has any objection to, or desires to present proposals for this classification, such objection or proposal must be received in writing by the Secretary within the next ten days.

PROGRAM - This is one meeting you will not want to miss. Art Keniston is chairman of this week's program and while we are unable to disclose the details we know it will be a dandy.

LAST WEEK'S PROGRAM - The Rev. Winston Clark gave a very inspiring talk on the first part of the Four Way Test "Is It The Truth". It is amazing how many ways the truth can be stretched. Those little white lies have a way of becoming fact after being repeated many times. Truth is not what you think it to be - not what you would like it to be - Truth is its own essence.

WELCOME ABOARD to Dick Kinney who was presented with a membership pin by President John.

IT WAS FUN to have the South Portland Kiwanis Club with us last week for a joint meeting. The singing was just fine with our own Bob and Lloyd plus Howard Fleming on the banjo. How about that plaque which was "Presented by the South Portland Rotary Club to the South Portland Kiwanis Club" to be hung in the new Library Elevator!!!

PROGRAM - Our speaker will be Mr. Frederick M. Beck, Geologist with the Department of Economic Development, who will speak on "Oceanography".

LAST WEEK'S PROGRAM - Mr. Rocco Maffei, representative of Lederle Laboratories spoke on "How Safe Are Your Drugs". Modern methods have reduced the chances of obtaining a drug which is not safe to a minimum. However it should be noted that not all people react the same way to all drugs. It is also interesting to note that different drugs react in different ways on different animals. Research is one of the most important functions of drug manufacturers and also accounts for part of the high cost of drugs and medicines.

ATTENDANCE - Last week was the last meeting of the attendance contest with Shawinigan Falls Club. President John congratulated the club on a fine effort and on having two 100% meetings during this period. Final results are not yet available but we have high hopes.

Bud would like some slides of local area, resort areas, State House, Augusta, important buildings locally (except Drugstores).

LAST WEEK'S PROGRAM - Mr. Frederick Beck of the Department of Economic Development spoke on "Oceanography". Mr. Beck being a Geologist gave us a new concept of the Gulf of Maine from the standpoint of underlying rock formations and the possibility of this area being developed commercially for mineral or oil extraction. Geologists have determined that this area of the Continental Shelf was land area about 12,000 years ago.

ATTENDANCE - Unofficial figures give the South Portland Club a win over Shawinigan Falls Club in the Attendance Contest. We are looking forward to the visit from Shawinigan Rotarians and hope to make this a very special meeting in the new year.

PROGRAM - A christmas Party for the elderly. This is a departure from the usual party for children, and we hope everyone will pitch in to make this a pleasant and cheery occasion for these folks.

LAST WEEK'S PROGRAM - Bud Barrett entertained us with a fine collection of colored slides of South Portland points of interest and other scenes around the state. We only regret that we couldn't hear Lloyd's narration that is to go with it to England.

NEW MEMBERS - President John welcomed into membership two new members, Jim Doughty, and Roger Sturtevant. We know they will enjoy Rotary and we too welcome them into the Club.

XMAS TREE SALE is at the peak of activity and Keith reports that as of the 21st we had cleared expenses. There is till a lot of work to be done and Keith will need all the support that you can give him.

CONGRATULATIONS to Grandfather John Vose on the arrival of a new granddaughter. Aren't there any new fathers? Seems like all we are reporting are new grandfathers.

THE SPIRIT OF ROTARY

The spirit of Rotary is in the very essence of its soul. It is invisible, intangible, indefinable; but is the most real thing about Rotary. It changes casual contacts into glowing friendships; transforms dull duties into inspiring privileges.

Where the spirit of Rotary is, there is liberty. It sets us free from the bondage of prejudice and bigotry, and binds us all together in the ties of understanding and brotherhood.

The spirit of Rotary is like the gentle rain from Heaven. It cleans away selfishness, melts down the barriers that separate men, dissolves discords into harmonies, changes competition into cooperation, reveals the beauty of life and the inherent nobilities of every man.
