For the best in programs - tonight we will be privileged to hear two of our own members as they give Classification talks.

Richard Anderson, our first speaker, is a native of Glens Falls, New York, is married and the father of 5 children. He graduated from Colgate University and is associated with the Shell Oil Company.

John Barrows, the second volunteer, is presently the comptroller at Bancroft & Martin. He is married and boasts of three children. John is active in Boy Scouts, N.A.A., and recently in Jr. Achievement.

Now hear this - Dick and John:

"Thumbnail Sketch"

The hall was silent
The speaker mute
He'd left his speech
In his other suit!

It can't happen here !!!

William Langley, just returned from Viet Nam gave a very interesting and serious appraisal of our present involvement there, summed up all impressions by these words, "I just don't know." His praise of the U. S. fighting men and their high morale was heart-warming.

PROGRAM - Newt Pratt, Chairman of the Magazine Committee will present the program this week. This is a week designated by Rotary International as, Magazine Week, and special attention should be focused on the Rotarian. Every Rotarian in the 133 countries where Rotary Clubs meet, is brought closer together by this magazine.

LADIES NIGHT and 5th anniversary celebration of the founding of the South Portland Rotary Club, was a fine affair. The attendance was excellent, our ladies were glad of a "night out", and if you did miss going, we missed you also. The bulletin had to go to press before I could assemble a complete summary of all that went on, but more on this next week.

PROGRAM FEBRUARY 1ST - This was announced a week early, but to repeat, a club assembly type of meeting. President John will call on Committee Chairmen for reviews of activities. All members should be interested in our accomplishments, and take this opportunity to recognize the extra efforts extended by our leaders, to make our Club one of the very best.

A PROMINENT EDUCATOR SAID:

What interests me more about Rotary, is that it can take a man who confuses competition with antagonisms, dignity with stiffness, wisdom with solemnity, firmness with severity, patriotism with saber - rattling and happiness with worldly possessions, and help him to transform himself into a man who combines competition with friendliness, dignity with good fellowship, wisdom with cheerfulness, firmness with kindness, patriotism with tolerance and happiness with useful service.

PROGRAM - A club assembly has been arranged, and this will be of particular interest to all members of our club, as we review our aims for the future and accomplishments of the past.

LAST WEEK - Newt Pratt, our Rotary magazine committee, presented Allen Rowe, Ron Hall, and John Barrows who all spoke briefly on articles from the Rotarian. Many thanks, Newt for a very interesting program.

Ladies' Night is now history, but a special thank you, goes to the committee and especially Audrey Keniston. I understand she was the working chairman. Our special Rotary guests were: Stephen Woodbury, President of the Portland Club, and his wife, June; Francis Griffith, President of the Scarborough Club and his guest, Miss Virginia Hagan; Mr. and Mrs. Esty representing the Westbrook Club. Catering was by Carolyn's and the number of guests who were noted to go back for second helpings attested to the delicious spread. Bob Jennings ensemble provided sweet music. I'm sure it will be easy to get Mother out to the next Ladies' Night.

SAVE THIS DATE - February 8th for Father and Sons Night. Art Keniston has something special in store, but all I could get him to divulge was "A Boy named Charlie Brown".

NEW MEMBER - Robie Liscomb was greeted by President John as he became our newest member. Be sure to welcome Robie and help him to feel at home.

GOODWILL AMBASSADORS - Week of January 9-13:

- Portland - Verne Wilson, John Vose, Bill Kilroy
- Scarboro - Blaine Raymond, Warren Simpson

- Westbrook - Dick Yerxa, Bill Sheriff

We who enjoy the fellowship of Rotary, will find great satisfaction in having introduced a worthwhile person to our Rotary Club.

PROGRAM - Father and Son's Night. Be sure to bring your son, or borrow one for the affair. It will be a good "night out" and a breather for mother. "Would you believe?" "A Boy named Charlie Brown" will entertain us.

LAST WEEK - Reports on our Club activities and ideas to improve our effectiveness.

VOCATIONAL SERVICE COMM. - John Barrows presented a questionnaire on Trade and Professional Relations. Dick Anderson presented a questionnaire on Employer and Employee relations. After these were completed by the members present, they were given to the Board of Directors for analyzation.

CLASSIFICATIONS - Tom Walters gave a fine report on this important committee.

LAST WEEK - A suggestion was made from the floor and accepted by the members to dispense with further committee reports except for one by Lloyd Knight who gave a resume on progress toward forming an Interact Club at Cape Elizabeth High. The Interact District Governor from Auburn spoke to an assembly there recently. After this assembly a member of the senior class is taking the names of the boys interested in joining. It is felt that the fulfillment of our dream of forming an Interact Club will make this year complete. You have done a fine job in laying the ground work, Lloyd.

The Club was next divided in half, to hold a brainstorming session on two different subjects.

1. Profit making projects.
2. How to improve our Rotary Club.

Notes of the ideas developed in these group sessions will be studied by our Board of Directors.

The candy raffle (Box donated by V. P. Keith Dennison, of Dennison Pharmacy) was won by "lucky" Bruce Bailey.

MARCH 4th - Save this date for a Gala Ladies' Night. This night could be more appropriately named Shawinigan Falls "Shindig". On this date 20 members and their wives of the Shawinigan Falls, Quebec Rotary Club will meet with us and present our Club with a plaque, emblematical of our winning the recent attendance contest between our two clubs. This could be a "First" in inter-club visitations. A grand time is in store for us all. Plan now for an evening of real fun and fellowship.

By the way - no regular meeting on March 1st.

FEBRUARY BIRTHDAYS - Dick Jordan, Ray Frederick.

FEBRUARY WEDDING ANNIVERSARIES - Hal and Chris Roerden, Frank and Mary Lyman, and Art and Audrey Keniston.

ROTARY NAME - The name Rotary was adopted because in early days of the Rotary Club of Chicago, Illinois, meetings were held in rotation at offices of members.

ROTARY HISTORY - Rotary first crossed international boundaries with the admission of Winnipeg, Manitoba, Canada, in 1911.

Our guest speaker tonight will be Mr. Thomas Jennings, a meteorologist with the United States Weather Bureau.

The Father and Son's night was a huge success (just ask the waitresses). There were 72 in attendance. Dick Anderson took the attendance prize for the largest number of sons, with 4. We're still wondering whether or not Rotarian guest Prescott Vose of Bangor, was really John Vose's son. I was sure because of their resemblance of one another, but John looks too young to be the father of Prescott.

The film of "Charlie Brown" brought us all many laughs, and as we all enjoyed the evening and started for home, the echo kept returning, "Let's do this again."

The first "Intra-District Festival of Fellowship" will be held at the Purpoodock Club on March 4th. This is the night the Shawinigan Falls Rotary Club comes to visit and acknowledge us as winners of our recent attendance contest. Invitations have been sent to all clubs in District 779. This should be an affair that will long be remembered, and we urge you all to make plans now to attend.

The program on March 4th will begin with a social hour from 6 - 7 P.M. Dinner will be served at 7 P.M. followed by dancing. The cost will be \$15.00 per couple, which covers the entire evening of dinner, dancing, and set-ups.

Speaking of attendance or rather recognition for a 3-month contest period which we won by nearly perfect attendance, let's not relax, now that we have formed such excellent habits.

Signs of the times:

On a restaurant wall in Indiana: "If the waiters seem rude to you, you should see the manager."

On a rural mailbox in Michigan: "German Shepherd for sale. Will eat anything. Especially fond of children."

PROGRAM - Another fine meeting is in store for us all this week. We will turn our thoughts to that day February 23rd, 62 years ago, when Paul P. Harris gathered with three of his friends in Chicago, Illinois, to give action to a long thought of idea, which became Rotary International. Our great organization continues to grow at the rate of almost one new Rotary Club every day.

With thoughtfulness of and helpfulness to others, constituting its ideal of service, Rotary offers practical means of enlarging one's friendships, participating in community betterment undertakings, promoting high standards in business and professional life, and advancing international understanding, goodwill, and peace.

President John will elaborate on this special anniversary day of Rotary.

George H. Ellis will speak on Partners in Progress - with reference to our Portland Y.M.C.A. and Y.W.C.A.

LAST WEEK - Mr. Thomas Jennings gave us some very interesting thoughts as they appear to him as a Meteorologist with the United States weather bureau. His clarification of weather reporting was in fine detail, and his humor added greatly to a very entertaining discourse.

The prize drawing for the evening was won by Roger "Lucky" Sturtevant.

DISTRICT FELLOWSHIP AWARD - Catherine Kelley, sponsored by the Portland Club, was selected as the district winner for the Rotary year 1967-1968. "Cathy" has been accepted for a year of post-graduate study at Oxford. Those who applied this year may reapply for the 1968-1969 award, and those who are not relatives of Rotarians may also apply for the Rotary Foundation Fellowship for 1968-1969. These nominations close March 15. Be sure to look for suitable candidates.

NO MEETING TO-DAY - The regular meeting will not be held to-day, Wednesday, March 1, but the Intra-District Festival of Fellowship Ladies' Night will take place at the Purpoodock Country Club on Saturday night beginning at 6 P.M. This should be the outstanding event of the year. The food will be served as a "Yankee Smorgasbord" by Carolyn's. The fellowship of getting acquainted with our Rotary friends from Shawinigan Falls will add greatly to the importance of the meeting. Robie Liscomb, Chairman of this event will accept your reservation at 775-3283.

LAST WEEK - George Ellis gave us a firsthand report of "Partner's in Progress", the YMCA-YWCA expansion of facilities. An amount of \$934,000 will be needed for this program. It is planned that the facilities will be ready sometime in April. These two great organizations have combined service to the Portland area for over 200 years. One out of every 6 persons in this area enjoys the use of the Y's regularly. Jack Malcolm added moral support to George Ellis' presentation.

VISITING ROTARIANS - Peter Hay - Scarborough
Phil Stultz - Westbrook
Ben Wilson - Portland
Jack Malcolm - Portland

NOMINATING COMMITTEE - The following committee, composed of past presidents will report on a slate of officers for the next Rotary year on March 8th:
Dick Kilroy, Warren Simpson, Tom Walters, Allen Rowe, John Nadeau.

Officers will be elected on March 15th.

GOODWILL AMBASSADORS - Chet Soule - Winter Haven, Florida
Walker Pierce - Portland
Ralph Strachan - Portland
Blaine Raymond - Scarborough
Ted Wainwright - Scarborough
Dick Yerxa - Scarborough
Warren Simpson - Scarborough

NOTEWORTHY - Kiyoshi Togasaki, Rotarian of the Rotary Club of Tokyo, Japan was nominated for the office of president of Rotary International for 1968-69 at the January meeting of the nominating committee held in Evanston.

BOARD OF DIRECTORS - At it's meeting Wednesday, February 22nd, it was voted to enlarge the board from 4 to 5 members. The 5th director to be a director-at-large, with duties to be determined by the board. Since this is a change in our present by-laws, it will be voted on at the meeting March 8.

PROGRAM - Mrs. Bauer, Head Librarian of the So. Portland Library will be the speaker today. We are indebted to Newt Pratt for securing this program.

LADIES NIGHT - Our first Intra-District Festival of Fellowship is now history. There were 90 in attendance including 15 from Shawinigan Falls who enjoyed a most delicious "Yankee Smorgasbord".

President John, in perfect French, welcomed our visitors. President Charles Michaud of the Shawinigan Club presented a plaque to our club, emblematical of our winning margin in the three-month attendance contest. President John in turn presented a picture of Portland Headlight to our Canadian friends.

Lloyd and Ellen sang beautifully, Ray Frost led the group in song, and the music for dancing by the Merl Hallett group, was just fine.

Our guest list included our next district governor and his wife, Franklin and Myrna Hinckley; Steve Woodbury, president of the Portland Club and his wife June, representatives from the Rotary Club at Grand Mere, and from Livermore Falls.

The fellowship was just a taste of what we can expect at the annual conference of District 779 in June.

REPORTS - The nominating committee will make their report at the meeting Wednesday, March 8th, as previously announced.

The meeting on March 15th will be a joint meeting with the Lions Club at Carolyn's. Let's make a note and plan to be there.

TRY TO COMPREHEND THIS: The war in Vietnam costs about $1\frac{1}{2}$ billion dollars a week. How big is a billion? Well, if you gave your wife one million dollars to spend at the rate of a thousand dollars a day, she would be back looking for more money in two years and nine months. If you gave her a billion dollars she would not be back for 2700 years.

THOUGHTS FOR THE WEEK - You're in the greatest danger when you let the urgent things crowd out the important.

Empty is the man who has nothing to give.

PROGRAM - The regular meeting will be held as a joint meeting with the Cape Elizabeth Lions Club. The place of the meeting will be at Carolyn's. The time scheduled for the meeting is 6 P.M.

LAST WEEK - Mrs. Anne Bauer, head librarian of the new South Portland Library, gave a very interesting talk about the new facilities. The beginning list of books is 14,000, and books not available can be secured on an arrangement with other libraries in a short time. Soon it is expected that books can be made available on request within 24 hours.

A fine record collection is a part of the library offerings.

Over 200 current magazines make for a fine selection of current articles.

One of the most gratifying aspects of the new library is the fact that already there are over 8,000 members, with a daily average circulation of 425-450 books.

COMMITTEE REPORT - The nominating committee brought in the following slate of officers for the 1967-68 Rotary year:

- President - Keith Dennison
- Vice-President - Ed H. Inness
- Secretary - Ron Tripp
- Treasurer - Dick Jordan
- Directors - John Nadeau, Howard Williams,
Col. M. Naudts, Arthur Keniston,
John Vose

This report was accepted by unanimous vote. Election will take place on March 22nd.

PLACE OF MEETING CHANGE - Our meeting on March 22nd will be held at the Pinedale Restaurant in Scarborough, located opposite the entrance to Scarborough Downs. This change is necessitated by the repairs being made to the facilities at Howard Johnsons.

GOODWILL AMBASSADORS - Scarborough - Ralph Kilgore, Blaine Raymond,
Dick Kilroy, John Barrows,
Warren Simpson, Ray Frost

Gardiner - Ralph Green
Portland - Dick Yerxa
Winter Haven, Florida - Chet Soule

REMINDER - South Portland Rotary stood in 20th place in attendance among the 49 clubs of District 779 during January. Our percentage was 88.94. This is a far cry from our average during the 3-month contest. Let's each be a committee of one, to attend each meeting or make it up.

PROGRAM - The meeting this week, as well as next week, will be held at Pinedale Restaurant in Scarborough, at the regular time of 6:15 P. M. For the benefit of anyone in doubt, Pinedale is the home of the Scarborough Rotary Club, located opposite the entrance to Scarborough Downs.

Allen Rowe is in charge of our program tonight. We observe "World Understanding Week."

LAST WEEK - George Montpelier, President, welcomed us as guests of the Cape Elizabeth Lions. Eighty-three members and guests enjoyed the good fellowship, roast beef and a fine speaker, Mr. Richard Woodbury, of the Portland Press Herald. President John was impressed by the 7' 10" Tail Twister (or so he appeared to him) and the way he performed his duties using his size to advantage.

ELECTION - Officers will be elected at this week's meeting for the next Rotary year. The slate proposed in the nominating committee's report on March 8th will be acted on. Additional nominations can be made from the floor at this time.

BY WAY OF THE GRAPEVINE - A member has been found to be in cahoots with Shawinigan Club President, Charlie Michaud. This is the answer, we learn, to the exchange of banners at the time of the recent visit. It seems in order to set the record straight - right, Roger?!

MARCH BIRTHDAYS -	Dick Yerxa	Al DiMatteo
	Bud Barrett	Newt Pratt
	Bob Jennings	John Toft
	Ralph Strachan	Morris Naudts

DISTRICT CONFERENCE - The annual conference of District 779 will be held at Motel des Laurentides in Quebec, June 1-3. Plans for the program are well advanced, and the Quebec Clubs will do everything they can to make the conference a success. John Nadeau will help to handle the publicity for the American Clubs. A good group from this area would be assured a fine time.

Sandy and the minister had played golf every Saturday for 20 years, and Sandy always won. "Don't worry, Reverend," he consoled the good man. "Someday you'll have the pleasure of burying me." The discouraged minister replied, "Aye, but it'll still be your hole."

PROGRAM - Mr. Frank Gaziano, accompanied by Mr. Robert Hill will talk to us about Progress Inc. As most of you know, this concerns an ice arena for South Portland. Plans and current developments will be discussed.

The meeting will again be held at the Pinedale Restaurant in Scarborough. Plan to attend and enjoy the fine food and good fellowship.

LAST WEEK - Dick Kennedy introduced Miss Marion Holloway of Sierra Leone, Africa, presently a student at St. Joseph's College, North Windham, who spoke very interestingly about her native country. Miss Holloway plans to return to Africa as social worker among her people, where the need is great, she told us. There has been unrest in the government at Sierra Leone during the past week, and it is our hope that developments will indicate a stable situation at once.

By the way, our meal at Pinedale was excellent.

The complete slate of officers was elected for the new Rotary year beginning July 1, 1967.

We have accepted with regrets the resignation of Bob Moulton from our club. Bob has been a fine member and we shall miss him. Dick Anderson has volunteered (?) to take over Bob's duties as Sergeant-at-Arms for the balance of his term.

ROTARIAN IN THE NEWS:- Congratulations go to Ralph Strachan who was elected Vice President, Merchandising at the recent annual meeting of the Geo. C. Shaw Co. Since coming to Shaw's in 1949 as Grocery Buyer, Ralph had most recently been merchandising manager.

GAINS AND LOSSES - Due to losses of members by resignation, each of us should be looking for good replacement members for our club. If you enjoy your club, look for men who can join us, as there are many unfilled classifications.

GOODWILL AMBASSADORS - John Vose, Dick Anderson, Art Kenniston, Morrie Naudts, Westbrook.
Al DiMattio, New Haven, Connecticut
Dan Gacetta, Boston, Massachusetts
Art Keniston, Dania, Florida
Ralph Green, Lewiston-Auburn
Ralph Strachan, Biddeford-Saco
Walker Pierce, Newt Pratt, Jim Doughty,
Roger Sturtevant, Ed Inness, Portland

SPRING IS HERE - (According to the calendar)

Don't forget to:

1. Have the lawn mower sharpened, oiled.
2. Check your fishing equipment.
3. Dust off your golf clubs, just in case things start to change.
You don't want to be caught unprepared, do you?
