PROGRAM - Our speaker for tonight will be Mr. Robert H. Patten, who is a member of the firm, Cole, Thayer & Trumbull, real estate appraisers. Mr. Patten is presently engaged in revaluating the property in Cape Elizabeth, Maine and he will speak to us on the appraised valuation in relation to today's selling prices.

LAST WEEK - We had a magnificent program last week and it was put on by our own Frank Lee. Frank spent two years in Nigeria, under the sponsorship of Harvard University, and a few short weeks ago he gave us a most interesting report of his experiences during his tour of duty. Frank does a great job with his camera and we expected this one to be something special, but it was more than that. Frank, with his wife and family, took a Safari to the west coast of Africa. He explained at the outset that it was expensive and from the prices he quoted on lodgings alone it must have been really expensive. Evidently Frank shares our love of wild animal life as most of his slides were of all types of such animals. One of the highlights of Frank's slide show was the almost wholly absence of violence. We only remember one slide showing a lion feasting on a newly killed zebra. Some of his action shots of wild life were really professional in quality.

GOODWILL AMBASSADORS - 9/15/67 at Portland - Dick Yerxa

PROGRAM - Program for this week will be under the direction of our "INTERACT" chairman, Capt. Lloyd Knight. We have no further information as to the nature of the program.

LAST WEEK - Mr. Robert H. Patten, a member of the firm, Cole, Thayer and Trumbull, real estate appraisers, gave a very interesting and informative talk on "property tax" which he explained is the best tax of all. He said it is easy to collect, can't be hidden. Mr. Patten made the Property Tax sound a little better to all of us by stating that thirty-five years ago this tax represented 12½ per cent of the National Gross product of the country while in 1966 it represented only 6½ per cent. From our sketchy notes taken during Mr. Patten's talk, it would seem that during the past thirty-five years, our property tax has been reduced about one half. We must have missed something.

PROGRAM - Our program for this week is brought to us by Jim Doughty. It consists of a short film entitled "Systems" with an accompanying commentary by Kenneth Gardiner, International Business Machine representative. This film will show business and government use of computers. Mr. Gardiner will conduct a question and answer period following the showing of the film, at which time we may ask some of those questions which we have always had on our minds, concerning present and future uses of computers.

LAST WEEK - Our speaker last week was a necessary switch from the published program in last week's Bulletin. Capt. Lloyd was unable to get the program he had arranged and we were entertained by Bill Langley, a special reporter for the Guy Gannett papers. Bill's subject was "The Effect of Smoking on The Human System", and, from the lack of the usual blue haze in the dining room, he evidently made quite an impression. We all expect to be back in the smog again next week.

ATTENDANCE - For Month of September - 84.87%
October 4th (Tentative) - 72.50%

CONGRATULATIONS - To Henry & Gloria Berke, 1st, - Bob & Myrtle Lamy, 29th, - and John & Marion Toft, 20th, on their wedding anniversaries this month.

At the Directors' Meeting last week several things were ironed out. A new classification list will be published shortly. Shawinigan wrote regarding another attendance contest. They vetoed our suggestion of making it a 3-club affair and suggested that the winning club should designate where the meeting celebrating the event shall be held.

EDUCATIONAL POSTER - Go to college, learn how to read and riot.

There is a new cigarette on the market. It comes equipped with ear plugs for those who don't want to hear why they should quit smoking.

PROGRAM - Ray Frost brings us a highly interesting Remington Arms film entitled, "Gunning the Flyways", realistically photographed in vivid color and exceptionally well narrated. You will gun for 30 minutes, the flyways in James Bay, Long Island Sound, North Carolina, Vancouver, Arkansas and California. Ray advises us more of these outdoor films are readily available if you like them.

LAST WEEK'S PROGRAM - Mr. Ken Gardner, representative of I. B. M. gave us an informative talk. His amusing introduction was followed by a film concerning the electronic age, and how a computer has been set up to handle all facets of airline reservations, accepting or rejecting as the case may be. This gave us an insight into what a computer can do when properly programmed. Many questions from the membership completed an enjoyable evening.

ATTENDANCE - From the bulletin of October 12, 1966, "Our competition for September 8 had a percentage of 93%, we had a slight margin at 97%."

PROGRAM - Our program for this week will be given by our own John Toft and will consist of pictures taken by John (and his wife) while they were on a journey to the South American country of Columbia. We understand that they were a comparatively short distance from Panama and the story that John will tell concerns the natives of this part of Columbia. As most of us know, John has done extensive traveling to many parts of the world and this will no doubt be a very interesting program.

LAST WEEK - We had a very fine program last week which was arranged by Ray Frost. It was a film put out by the Remington Arms Co., entitled "Gunning the Flyways" and this was in very beautiful color and was produced in the following locations: James Bay, Long Island, North Carolina, Vancouver, Arkansas and California. Ray had some help in explaining the action from one of his buddies who is a field representative for Remington and one of Ray's bridge partners and golf playing friends.

GOODWILL AMBASSADORS - 10/10/67 at Springfield, Mass. - Al DiMatteo
10/17/67 at Westbrook - Ralph Strachan, John Toft, and Howard Williams
10/17/67 at Scarborough - Dick Kennedy, Blaine Raymond and Warren Simpson
10/18/67 at Woodstock, Va. - Ray Frost
10/20/67 at Wayne, Pa. - Bill Kilroy
10/20/67 at Portland - Dick Jordan

We heard somewhere that Al Rowe was one of the best bowlers on the South Portland Businessmen's team. Sometimes we wish we had a portable tape recorder so we could get the source of these items which come to us just as we are trying to get news for the bulletin.

During the meeting it was announced that Vice President, Ed Innes had contacted a party in Machias who has some really fine Christmas trees for sale. Ed told us we could come down and pick out the trees we wanted and after a very short discussion it was decided that four or five members could be flown down to Machias by Ted Wainwright. Four volunteers were selected to make the trip (provided Ted could locate a landing strip close to Machias) and the following members were selected:

Ralph Strachan - Art Kenniston - Lloyd Pike - Dick Kennedy

Our contest with Shawinigan starts with this meeting. Let's make it a real contest and prove that last year was no accident.

THOUGHT FOR THE DAY - Lady: "I want to buy some traveler's checques."

PROGRAM - Our program for this week was arranged by Chet Soule and will be a talk by the Rev. Edward Nelson, Pastor of Immanuel Baptist Church, High Street, Portland, Maine. Rev. Nelson is very active in national church affairs and is a past president of the Portland Rotary Club.

LAST WEEK - We enjoyed some very interesting and colorful pictures which were taken by John and Marion Toft on a trip out of Miami down to the northern part of South America. Marion manned the projector while John gave us a commentary on the various scenes. They were cruising among some small islands near the entrance to Panama and concentrated on taking unusual pictures of the natives of these islands. It was a fine program and thoroughly enjoyed by the club members.

Singing was led by Cap't. Lloyd Knight with Bob Jennings at the piano.

Ray Frost introduced the visiting Rotarians in the absence of V. P. Ed Inness. We had six visiting Rotarians and three special guests.

President Keith announced that the Governor's letter showed South Portland down to 22nd place with an average of 84.87%. Shawinigan showed an average of 92%. For the contest with Shawinigan, the club has been divided into teams, and Keith announced that the team finishing last, buys the dinners for the team finishing first.

In November, South Portland is one of the 200% clubs. To become a 300% club we have to raise \$356.50.

GOODWILL AMBASSADORS -

- 10/24/67 at Winthrop - Dan Gacetta
- 10/24/67 at Scarborough - Frank Lyman, Blaine Raymond,

- PROGRAM - This week we will have a club assembly and President Keith wants questions from the floor regarding Christmas Tree Sales and any other fund raising projects. He wants some discussion as to how the money raised by the sale of Christmas Trees shall be spent.
- LAST WEEK - Rev. Edward Nelson, Pastor of Immanuel Baptist Church, High Street, Portland, Maine, gave a very interesting and inspirational talk on "How to be Happy". Rev. Nelson gave us suggestions as to how to be happy. His talk was serious but not without humor, and he told us a very amusing story.
- GOODWILL AMBASSADORS - 10/26/67 at Gardiner - Ralph Green
10/31/67 at New Haven, Conn. - Al DiMatteo
10/31/67 at Westbrook - Bill Kilroy, Howard Williams,
John Barrows and Dick Yerxa
10/31/67 at Scarborough - Ed Inness, Blaine Raymond and

11/3/67 at Portland - Ralph Strachan, Art Kenniston,
Dick Jordan and Al DiMatteo
11/7/67 at Scarborough - John Nadeau, Tom Walter, Bill
Sheriff, Frank Lyman, Warren Simpson and
Blaine Raymond.
- V.P. Ed Inness introduced 10 visiting Rotarians and 1 guest.
- President Keith introduced our new member, Marshall Stewart. Marshall's classification is Drug Distribution. His wife is Priscilla and they have two children, David and Kathy.
- SMILE-TIME - Two sailors, at sea for the first time, were looking out over the mighty ocean. Said one, "That's the most water I ever saw." The other replied, "You ain't seen nothin' yet. That's just the top of it."

Proposals have been received in the following classifications:

Excavating Contracting
First Aid Supplies - Dist.
Sonar Equipment - Mfg.
Mill Supplies - Dist.

PROGRAM - On this Thanksgiving Eve, it is once again our pleasure to have the South Portland Kiwanis Club meet with us. This is always an enjoyable occasion, so plan to be in attendance. Mr. Carl Maddalena from Maine-Florida Properties, Inc., in South Portland, will speak on his vocation. I'm sure we will all be interested in finding out more of this local business. Be sure to attend.

LAST WEEK - President Keith conducted a Club Assembly which was both well participated in and rewarding to all in attendance. Unfortunately, I was not in attendance, so I'll have to rely on my notes to tell of two important projects discussed -- Christmas Trees and Christmas Party. The Christmas Trees will be arriving the morning of December 2nd, which fortunately is a Saturday. This happy coincidence will allow the entire Club to help in setting up the lot and unloading trees. Ed Inness is to be congratulated on his foresight in selecting this date. Ed also said that he expects the weekend of December 9-10 to be a big one, and we should all try and set some time aside during it. We will again have Scotch Pine Trees for sale, but this year they will be in the 7-9 foot range. It looks as if maybe the ones we had left over last year were put back in to grow up.

Our Christmas party for the elderly folks of our two cities will be held on December 20. If you know of anyone who you think would enjoy being invited, please contact Bud Barrett. About 30 will be invited, and we anticipate that this meeting will be every bit as much a success as was last year's affair.

There was also a lively discussion of membership, which cannot help but benefit the Club.

ATTENDANCE: First 2 weeks of the Attendance contest with Shawinigan: November 1 - 91.89%. November 8 - 89.47%. Tentative - November 15 (before makeups) 68.42%. The combined absences in the first two weeks were only 7, but see what a difference your attendance makes.

HAPPY BIRTHDAY RAY - Ray Frost had a double celebration last week. It was his 75th birthday, for which occasion we had a cake ready with - guess how many candles on it - and it marked slightly more than 21 years of perfect attendance as a Rotarian, and for this occasion he was presented with an attendance pin by President Keith. Congratulations Ray!!!

WANT AD - Wanted: Aspiring young man between the ages of 20 and 100 for position as Assistant Secretary for vibrant Rotary Club just South of Portland, Maine. No experience necessary because no salary involved. Liberal fringe benefits however, and most rapid advancement promised to successful candidate. Those interested can contact R. Tripp, K. Dennison or just say yes softly. You will be heard.

WE WISH - everyone in the Club and their families the happiest and most meaningful Thanksgiving ever this Thursday, knowing that those who search the least for reasons to be thankful will automatically have the happiest holiday.

MAKEUPS - 11/8/67 - East Hartford, Connecticut - John Vose
11/8/67 - Portland - Jim Doughty, Bill Sheriff, Roger Sturtevant,

PROGRAM - This week our program chairman, Dick Yerxa, has furnished us with a film called "The Dangerous Years." Narrated by David McAllum, this should prove an interesting and instructive one.

LAST WEEK - We were privileged to see and hear from "Zeke" Dwelley who has spent over thirty years conducting trips for boys in the Maine woods and teaching these boys canoeing on the many famous rivers and lakes in northern Maine. "Zeke" gave us a very interesting story of some of these trips and his pictures were of the finest.

V.P. Ed Inness introduced the thirteen visiting Rotarians and one guest. Ed also gave out the assignments for duty at the Christmas Tree lot during December.

We were again without a piano but did manage to struggle through the first verse of America without it. Our musical duo, Lloyd and Bob, showed up a little late but not too late for our singing session.

Pres. Keith announced that Ted Wainwright and his gang made it down East and they bought 1200 trees. These will start arriving Saturday A.M. and Keith asked for a full crew over at the lot at 9:00 A.M. Saturday.

Pres. Keith also announced that a short meeting of the Board of Directors was to be held directly following the meeting.

GOODWILL AMBASSADORS - At Portland - 11/24/67 - Warren Simpson, Ron Hall.

PROPOSAL FOR MEMBERSHIP -

The following has been proposed for membership. If any member has an objection to this proposal, or wishes to propose others in this classification, please do so in writing, within ten days after receipt of this bulletin, otherwise they shall be eligible for membership in the club.

PROGRAM - Our speaker for this week will be Linwood "Zeke" Dwelley of Auburn, Maine. He has spent thirty-three summers in the Maine Woods, conducting canoe trips for boys; Mr. Dwelley will show slides and speak about these trips.

LAST WEEK - We enjoyed a fine meeting with our guests, the South Portland Kiwanis Club. The speaker for this joint meeting was Mr. Carl Maddalena who is with the Maine-Florida Properties, Inc. Carl showed a very interesting and beautifully colored movie made by Ex T.V. star Jack Parr. Carl gave us a short talk about the advantages of buying property in Florida, however, the particular property shown in Jack Parr's pictures seemed to be somewhat expensive, but it finally came to us that these rich Kiwanians were also present. We all enjoyed seeing the pictures and being together again with our friends.

V.P. Ed Inness passed each member of our club a sheet similar to last year's procedure and requested that each member designate what days and time of day he would be available for duty on the Christmas Tree lot during December. These sheets were collected during the meeting and unless we miss a guess, there will be some changes made after our wives are consulted. All members were requested to show up at the lot December 2nd and 3rd to help mark and stack the trees as they arrive. The President of Kiwanis made a very fine offer. He promised that, if for any reason our Tree sales do not go over, they will loan us whatever amount we need at 10% interest.

Cap't. Lloyd led us in singing - sans piano - Hello Dolly.

V.P. Ed Inness introduced the visiting Rotarians and the two clubs introduced their members by having each stand, give his name, classification and club.

President Keith introduced our newest member, Phil Tucker whose classification is Custom Furniture - Manufacturing.

During dinner we learned that John Toft nearly missed this meeting because of a fall he had from the staging of a repair job he is having on his boat at a South Portland yard. John fell clear to the ground, or, in this case, to the beach and all we could say - "John's pretty tough".

Bud Barrett, a Selectman in Cape Elizabeth, is now running for Councilman under the Cape's new form of government. Good luck Bud.

We were privileged to see some very fine colored snapshots of last week's birthday and 21 year perfect attendance celebration for Ray Frost.

PROGRAM - Our program this week, supplied by Dan Gacetta, will be Mr. G. Joseph Scully, a Vice President at Casco Bank & Trust Co., Director of Systems' Development, who will speak on the future of computers.

LAST WEEK - Our program last week was a very timely film called "The Dangerous Years" and was concerned with juvenile delinquency. It was furnished by Kemper Insurance Company and was very interesting. It was especially aimed at the younger generation, but there are many parents of these young people in our Rotary Clubs and we are sure it gave those parents much to think about.

GOODWILL AMBASSADORS - We do not have the make-up list for last week but will include it in the bulletin next week.

V. P. Ed Innes introduced our six visiting Rotarians and one guest. Ron Tripp has his guest, his father-in-law, Mr. George Kuhblank of Mt. Vernon, near Washington, D. C.

V. P. Ed Innes gave a brief report on our Christmas Tree sales. Told us that if all trees are sold at the tagged price with no discounts, we should make \$1200.00. Trees cost more this year but they are far superior to trees we have had in previous years.

Lloyd Knight and Bob Jennings led us in singing last week. After the regular singing session, Lloyd gave us an added treat by singing as a solo, - "If Ever I Should Love You". We learned the real reason for Lloyd's generosity shortly when he made a sales pitch for the upcoming Rotary-Rotary-Ann sponsored movie "Camelot".

President Keith announced that the Christmas Party for the Elderly will be held December 20th. Keith explained that some members will be asked to furnish transportation for those elderly persons who need it. He suggested that members come early to help entertain our guests. He also requested that we forego the social hour that night.

There was no Directors' Meeting last week.

PROGRAM - This week we are having our annual Christmas Party for the Elderly, and President Keith has requested all of us to be early and help out in making this an enjoyable evening. There is to be no speaker at this meeting but we understand that Bob and Lloyd will be on hand and will lead us and our guests in singing Christmas Carols. Bud Barrett has charge of transportation and any member who has a desire to pick up some of our guests may contact Bud for addresses.

LAST WEEK - Dan Gacetta introduced our speaker, Mr. G. Joseph Scully, a Vice-President at Casco Bank & Trust Co., Director of System Development, who gave a very fine talk on the "Future of Computers." His talk was concerning the Burroughs equipment now in use at the Casco Bank and showed the processes by which all accounts are now taken care of by electronic methods. At the end of his talk, Mr. Scully answered many questions for club members.

V. P. Ed Inness introduced seven visiting Rotarians and when asked for a report on the sales of Christmas Trees, Ed was extremely brief - "Keep Selling" Ed urged.

President Keith announced that a Directors' Meeting would follow our regular meeting.

Lloyd led the singing of "Jingle Bells" and wound up with "Hello Dolly." Bob was at the piano.

South Portland City Manager, Mr. Bernal Allen, has requested us to advise Rotarians that a public hearing on the bond issue for the new Shopping Center in South Portland will be held Monday night, December 18, 1967, at 7:30 P.M. at the City Hall, and Mr. Allen hopes that Rotarians who are interested in the project will be present and voice their feelings.

PROGRAM - This week there will be a film showing the manufacturing of Boilers and their uses. This will be presented by Bill Sheriff.

LAST WEEK - We entertained a group of Elderly people last week and in doing so we entertained ourselves. There were about thirty guests who began arriving shortly before six and through a slight mixup in transportation plans, the last guest arrived about six-thirty. The slight delay was no problem as most of the guests had attended previous Christmas parties with us and most of them knew each other, and, by the time President Keith called the meeting to order, all were evidently having a good time.

After John Nadeau said "Grace", President Keith offered a toast to our guests.

V. P. Ed Inness introduced our three visiting Rotarians - all from Portland.

Lloyd Knight led the entire group in singing and Bob Jennings accompanied on the piano. A group of Christmas Carols were sung, including "It Came Upon a Midnight Clear," "Oh Little Town of Bethlehem," "Silent Night."

After a fine dinner, President Keith turned the program over to Lloyd Knight, and Lloyd in turn introduced his guest - "Betty Gribbin." Betty was accompanied by Ruth Feinberg and she sang several numbers and had the entire group in a very happy mood as she kept up a continuous line of chatter. Our notes read, "Betty is truly funny" and that just about covers it. She got the guests and Rotary members to participate in a sing-along and had everyone choosing songs, mostly old songs, and it made for a very enjoyable evening for both the guests and members.

Lloyd and Bob are to be congratulated for putting over a very successful party and we are sure we shall see some of the same guests next year.

Dick Jordan was back with us after an absence of two months during which he attended school learning all about computers.
