PROGRAM - For our January 3rd meeting Blaine Raymond is bringing us Verdon LeMont Hollis, President of Verdon Hollis Associates. Mr. Hollis, a former Portland, Oregon Police-Officer - turned Gunman - will tell us of his years in the Boston and Baltimore underworld and of his years of confinement in three United States prisons.

Author of a recently published Autobiography "My Chains Fell Off," Mr. Hollis will relate how, through the helping hand of a murderer, a change of attitude became the turning point in his life.

LAST WEEK - We enjoyed a film, showing in detail the manufacturing and uses of packaged boilers. This fine film was supplied by Bill Sheriff and was evidently one of our best clarification programs so far. It was narrated by Chet Huntley, and this fact added greatly to its being such a hit with most of us who knew little or nothing about this subject.

V.P. Ed Inness introduced the eleven visiting Rotarians and two guests. Ed also gave us a brief summary of our Christmas Tree results. We will have a profit of about \$850.00 or \$875.00 which is good considering we had only about 1,000 trees this year.

President Keith announced that we have received a letter from Guy Lombardo and he will be available this year on the same date, June 23rd, as last year.

Keith said that although it is close, all was not lost yet to Shawinigan.

GOODWILL AMBASSADORS -

- 12/15/67 - At Portland - Dick Jordan
- 12/19/67 - At George ??? Bill Sheriff. The only "George" we can find in the Rotary Directory is in South Africa, so I guess Ron couldn't read the postmark.
- 12/19/67 - At Scarborough - Blaine Raymond, Warren Simpson and Dick Yerxa.
- 12/24/67 - At Miami, Florida - John Toft
- 12/26/67 - At Westbrook - Bill Kilroy, Dick Kilroy and Tom Walter.

PROGRAM Bernal B. Allen, City Manager of Wouth Portland, the all American City will give us a resume of the economic progress in the City of South Portland during 1967 and a prognostication as to happenings here in 1968.

So many of us live in Cape Elizabeth, it would be interesting to get the scoop on its problems and promises too.

Will anyone volunteer to ask Town Manager Allen Marks to speak to us?

LAST WEEK A sincere well done to Vern Wilson from President Keith and the membership for "TWO LIGHTS".

The program last week kept us all on the edge of our seats. It certainly was different and our program chairman from Scarborough, Blaine Raymond, should be complimented for having Verdon Hollis, ex cop and con, speak to us. Anyone who missed this meeting, lost out on a 45 minute education.

PROGRAM: Captain Eugene F. Walsh, United States Coast Guard, will speak on the pollution problem. With so much publicity over the past months concerning this topic, it should be a timely and interesting talk.

LAST WEEK: LADIES NIGHT AND SIXTH ANNIVERSARY

Although the numbers were few, a good time was had by all. A social hour - followed by an excellent roast beef dinner and dancing to Reggie Strout's combo, combined to make the evening thoroughly enjoyable. The music was very danceable, as demonstrated by several light-footed Rotarians.

President Keith and his committee should be commended for a job well done.

DID YOU MAKE UP?

The club extends sincerest sympathy to Dan Gacetta in the recent loss of his wife.

PRESIDENT KEITH SPEAKS:

A Directors' Meeting will be held February 7, 1968.

THE COMMANDMENTS OF SUCCESS

1. Work Hard. Hard work is the best investment a man can make.
2. Study Hard. Knowledge enables a man to work intelligently and effectively.
3. Have Initiative. Ruts often deepen into graves.
4. Love your work. Then you will find pleasure in mastering it.
5. Be exact. Slipshod methods bring slipshod results.
6. Have the Spirit of Conquest. Thus you can successfully battle and overcome difficulties.
7. Cultivate Personality. Personality is to man what perfume is to the flower.
8. Help and Share with Others. The real test of business greatness lies in giving opportunity to others.
9. Be Democratic. Unless you feel right towards your fellow men, you can never be successful as a leader of men.
10. In all things do your best. The man who has done his best has done everything. The man who has done less than his best, has done nothing.

PROGRAM This is a B.Y.O.W. (Bring YOUR Own Wife) program so that we and they may hear:

GOVERNOR CURTIS

With his busy schedule, we're certainly fortunate in having the Governor. Let's have a good turnout.

LAST WEEK Wasn't that excellent? Mr. James Conley gave us a rundown on recreational facilities and problems encountered in South Portland. It is apparent his know-how and energy, have really given an impetus to expanding the facilities. From an \$1800.00 budget to \$40,000.00, is evident that people are aware of what should be done in their community. Hats off to Art Kenniston and his speaker.

Bernal B. Allen, City Manager of South Portland, will speak to us on the progress made in our city during the past few years, and we may also expect a "peek" into what the immediate future holds for the city.

Mr. Allen, a member and past chairman of the Maine State Board of Education, served as Town Manager of three small towns in the State before being appointed Town Manager of Skowhegan. From there to Auburn as City Manager, thence in 1957 to South Portland where he has served with distinction for over 10 years.

LAST WEEK

A social hour, with wives and visiting Rotarians started off a most pleasant evening. The main course (no pun intended), was GOVERNOR and MRS. CURTIS. The Governor gave us a rundown on education in the state, stressing the recent consolidation of colleges and universities. Citing statistics regarding rural poverty, he emphasized the need for concentration in this area. One approach will be a pilot project called "The Rural Youth Corps", which he outlined briefly.

President Keith presented Governor Ken with an honorary membership in the South Portland-Cape Elizabeth Rotary Club.

Our guest speaker will be Joseph V. Askey, whose topic will be "Alcoholic Rehabilitation." At age 16, he was a periodic alcoholic, at 17 was arrested for bootlegging, at 19, as a result of drinking, was sentenced to the Men's State Reformatory, South Windham, Maine.

Mr. Askey was born in New Gloucester, Maine, June 11, 1917, and attended public schools and Deering High in Portland. He also attended "Food and Beverage School" in Hollywood, California. Our speaker, while attending school, worked during the summer in resort hotels in New England as bus boy, waiter and cook. This experience prepared him for work in the Sheraton Hotel, and exclusive night clubs in the Boston area. He has worked in such famous places as Tom Brenneman's Breakfast and Ciro's, Hollywood, The Flamingo, Las Vegas.

LAST WEEK

Howard Williams introduced our guest speaker, Mr. Stephen P. Schmitt, Manager of Portland Airport and Portland Public Buildings, who gave us a blow by blow description of the ground work entailed for upgrading the runways and construction of the new terminal building. The latter will be 216 feet long and 70 feet wide with air curtain doors, and many other innovations. PROGRAM

Our speaker this week will be Doctor Donald F. Marshall, Chief of Staff in Urology, at the Maine Medical Center. He is a graduate of Portland High, University of Maine and Yale Medical School. He served in World War II, is married to a native Mainer and has four children, one of which, a daughter, is now attending medical school.

Dr. Marshall will be introduced by Bill Kilroy, at which time the topic will be announced.

We have been told the Dr. is a most interesting and amusing speaker.

LAST WEEK

Michael Fralick gave us his views on "The English School System", and in comparison, favored the English system, (6 days a week, 9 to 4 with 10 subjects and longer vacation periods) to ours. He described the social life of the young people centered around pubs, with darts and billiards as the foremost recreations. Our young speaker gave us his impressions of the English people, reserved, proud and slower of pace. In addition to living in England, Michael traveled in many European countries and gave us his thoughts and observations. For such a young man, he did a tremendous job, and handled questions at the conclusion in a very mature manner.
