BOB CHAMBERS - Substituting

June 18, 1969

PROGRAM: Try to put on a fresh, bright, interesting, informative and imaginative program - once a week for fifty-two Wednesdays a year - and you'll have a name like Dick Kennedy. Well I guess the best term for program chairman is "Mission Impossible" - but Dick has managed to come up with some really great programs through the weeks, and this week we will have a surprise speaker.

LAST WEEK: Golf is an every day affair at Purpoodock but it really becomes something special when we host the Rotarians in a "do or die" tournament. President Ed, the thin man's Billy Cosgren, participated although he didn't disclose his score. I noticed many others of our members dressed to fit the occasion, but again your editor was unable to have their scores for publication, shades of President Johnson's creditability gap.

Bill Monie was the master of ceremonies with low gross (78) going to Mr. Cummings of Damariscotta. The other awards went to Fredericks of Scarborough and Dr. Knowlton of Westbrook. The five clubs mentioned in the standings in order of finish, Lewiston-Auburn, Westbrook, Portland, Damariscotta and Biddeford. There will be golf lessons available for all members of So. Portland club who participated in the tournament.

SPECIAL: Ray Frost wants the members of the in-coming directors to plan to stay a few minutes after the meeting to organize. It will include all new officers.

MAKE-UPS: Scarborough - Frank Lyman, Warren Simpson
Biddeford-Saco - Howard Williams
Portland - Bill Sheriff, Ed McElman, Roger Sturtevant

GUY LOMBARDO - JUNE 20, 1969: Thanks to Roger and a hard selling membership the evening will be a great success.

MEMBERSHIP DUES: Keep those checks coming - so far 7 members have paid - I'll be smiling all the way to Dick Jordan's bank so let's get the money in the pot boys.

REFLECTIONS: Our Rotary year is nearing an end - the new team is on the bench. President Ed, Ralph Strachan and Dick Kennedy are all due for a well deserved rest. So let's ask ourselves what's it all about? Why do 45 men of varying backgrounds get together every Wednesday - I wondered this myself - the "service above self" motto is part of the spirit which must first start to "sink in" before you are a true Rotarian. Membership must equate with pride, pride to be associated with a fine group of men, within a worldwide network of men who believe in the principals of Rotary. Work within your club for a better understanding between yourself and other members. Our society has faced unrest and instability in all area's of our land, community and neighborhood bonds are being broken, it is up to organizations like ourselves to provide the stable base and forum of views to aid in tying the community together.

PROGRAM - Golf is on the program for the meeting this week. Golf is the program for this week. The Portland Rotary Club is host for an area golf tournament. Delegations will be contending from Kennebunk, Saco-Biddeford, Scarborough, Westbrook, Portland and of course, South Portland-Cape Elizabeth. We have invited all Rotarians to meet with us, for a fine evening of fellowship. Come for golf at 1 P. M. and stay for dinner at 6:15 P. M.

LAST WEEK - We enjoyed our annual father, son and daughter night. Those members who came alone, were outnumbered by those with one, two or three. John Nadeau brought only 3 of his children, and was surprised to meet Bob Foden with four. The facts of this comparison are - both John and Bob are the fond parents of 5 children, the others were too young to attend our meeting, and finally this little explanation is not to infer any competition between those two men.

The children were treated royally, even had a choice of desserts. How about Strawberry Shortcake or an Ice Cream Sundae? Evidently a tough choice to make, if you didn't know who made the ice cream.

GUY LOMBARDO - FRIDAY, JUNE 20th

Have you sold your tickets? Have you collected the dough?

Roger Sturtevant is a young man, don't let him get old wondering how ticket sales are going. As of Wednesday, June 4th not a cent had been turned in.

We must sell 100 tables this year in order to do as well financially as last year.

REMINDER - Statements are out and dues are due. Ray Frost will appreciate early and complete returns.

A SAD NOTE - At press time, member Bob Chambers learned of the sudden death of his stepbrother. We all extend our heartfelt sympathy, Bob.

H. W.

PROGRAM -

PRESENTING

Mr. & Mrs. Lloyd Knight

LAST WEEK - Bernal Allen, City Manager of South Portland, told us about his city. The recreation program will have 13 playgrounds operating and have 2 new athletic fields making a total of 3. New tennis courts are in the works. A new library is in operation. The Jordan Marsh complex is becoming more pronounced. Many companies have purchased property in the Western Avenue area but have not made their plans public. Unemployment is less than 2%.

Although the above sounds rosy, there are certain problems in South Portland. The major one is public apathy. Of 11,000 registered voters only 600 cast their ballots at the last election.

An excellent job by Mr. Allen.

PROGRAM: Bernal Allen, City Manager of South Portland, will give a presentation on "What State The City Is In" Past--Present--Future.

LAST WEEK: Captain Donald Messer of the South Portland Police Department gave a talk on "Narcotics". The interest created was quite apparent, as the meeting was adjourned at 8:30 P.M. with informal questions and answers following. The writer took many notes and reporting same would be a very poor second. We would recommend you hear the Captain in person. If as a result of his talk, an awareness is created and the potential is realized, and his listeners have been active, Captain Messer has accomplished his mission.

MAKE-UPS: 5/6 Scarborough - Joe Russell
5/7 Biddeford-Saco - Ralph Strachan
5/9 Portland - Harold Fralich
5/13 Westbrook - Dick Kilroy, Bill Kilroy, Ron Tripp, Jim Maguire, John Vose

HOW IS YOUR ATTENDANCE

Don't forget June 5-6-7 - DISTRICT CONFERENCE - SAMOSET - See Art K.

JUNE 20th - GUY LOMBARDO - DO YOU WANT A TABLE OR MORE - SEE ROGER STURTEVANT.

DUES: RAY FROST has made a survey of 1968-69 figures and has submitted the following budget for the year beginning July 1st.

Printing and Postage	\$ 800
General Expenses	300
International and District Dues	600
Travel and Expenses to 3 District Meetings	<u>300</u>
	\$2000

If we increase dues from \$36.00 to \$40.00 annually, payable by year, six months or quarterly --

50 members at \$40.00 equals \$2000

This year there was no money for travel and expenses for President Ed...As a result, he operated on a shoestring and the Chairman and other officers did not get to attend. International dues went up \$2.00 per year, which we absorbed and also lost \$200 a year on meals. This past year the total income from members was \$1800.

PROGRAM - "Want To Take A Trip?"

Pot Grass Speed

Captain Messer of the South Portland Police Department, who has been presenting a series of forceful talks to High School and Junior High School crowds in the area about "dope", will speak to us this evening concerning this ever growing problem. Let's not be complacent, don't turn your backs, the problem is real, the problem is here.

LAST WEEK - The "Tuna Baron" presented a film on water skiing. The experts really put on a colorful show. With their side slides of 180 degrees, and complete 360 degree turns and their jumping, it made me think summer vacation is not far off.

PROGRAM - The Tuna Baron advised that the anticipated program for this evening has fallen through and will be held at a later date. He has several alternatives, one of which will be a surprise this evening.

LAST WEEK - PAUL CHANTAL, Cumberland County Juvenile Probation Officer and member of our club gave an outstanding presentation. He has his M.S. in social work and has been in welfare work for 15 years. Cumberland County is the only county with trained workers. The youthful offenders range in age from 11 - 17, and is 6 to 1 in favor of boys. The girls are picked up for either sex offenses or shoplifting, while the boys offenses are everything under the sun. The basic reason for the juvenile offender is something wrong in his bringing up. The question and answer period following, added to an excellent program.

PROGRAM - Mr. John Campbell of the Greater Portland Transportation Company will present a film on "Urban Transportation". Our program chairman Dick Kennedy, will present our speaker and fill us in regarding Mr. Campbell's background.

SCARBOROUGH WILL MEET WITH US THIS EVENING. LET'S MAKE THEM FEEL AT HOME.

LAST WEEK - Mr. Donald C. Laubenstein, Information Coordinator of the Wiscasset Station of Central Maine Power showed slides about this nuclear power plant. It is located 4 miles south of Wiscasset and should be on stream May 1972. This plant is part of the Maine Yankee complex which Central Power has a part interest with other New England Power companies. Mr. Laubenstein pointed out that this new power plant will not reduce our power bill but maintain a status quo. Questions from the floor ended a very informative program.

Who said sideburns are on the way out? Look around and you can see all shapes and sizes.

MAKE-UPS - 4/1/69 - Marshall Stewart - Madawaska (were they biting?)
4/8/69 - Dan Gacetta - Ellsworth
4/8/69 - Vern Wilson - Scarborough
4/11/69 - Al DiMatteo, Newt Pratt, Bill Sheriff - Portland

HAVE YOU MADE OUT YOUR INCOME TAX?

PROGRAM - Donald C. Laubenstein, Information Coordinator of the Wiscasset Station of Central Maine Power, will show slides about the Wiscasset installation and discuss the plant in general.

LAST WEEK - Ralph Kilgore, ex South Portland Rotarian, gave us his views on "The Boys Training Center" where he is Director of Education. The boys that are in attendance are mostly from homes that are split, or where there is no supervision. The enrollment is 250 boys with a staff of 150. The latter figure seems heavy, but Ralph pointed out that this is a 24 hour operation, 7 days a week. Our speaker, in contrast to the many sober moments, presented also many humorous aspects of the "Center". The membership found this a most interesting and informative program.

4/1 Westbrook - John Nadeau, Dick Anderson, Joe Russell, Dick Kilroy
4/1 Scarborough - John Vose, Warren Simpson, Ted Wainwright

PROGRAM - RALPH KILGORE, ex South Portland ROTARIAN, will present his views regarding "The Boys Training Center" where he is teaching. Ralph, who has worked in the Public School System, is a graduate of Gorham State College, received a Master's Degree in Administration from U. of M. and currently has many hours towards his Ph.D. at Boston University.

LAST WEEK - Mr. John Campbell, who was going to speak on "Urban Transportation" was unable to be present. Our program chairman, Dick Kennedy, hopes to schedule this program for a later date.

Instead we had a membership participation program. (This included guests and visiting Rotarians - those that dared to stay). Each person was called upon to speak for two minutes about the person on his immediate left. Many, many laughs - some talks were quite revealing. And we thought John Toft was shy and retiring.

PROGRAM - Our speaker will be Mr. John Campbell of the Greater Portland Transportation Company. Mr. Campbell's topic will be "Urban Transportation".

LAST WEEK - The Portland Museum of Natural History goes back 126 years and was one of the first six scientific organizations formed in the United States. Mr. William Bechtel is now attempting to breathe new life into the museum. The old concepts of a museum as a drab place filled with dusty stuffed birds is not Mr. Bechtel's vision. He sees a place to aid in the education of our community and its children in areas of conservation, awareness of life in animals, plants and what nature is all about. He has impressed and talked with 10,000 school children since September 1968, showing them live animals to demonstrate his lectures. I witnessed his effect on my $3\frac{1}{2}$ year old David and Mr. Bechtel's "Owl". I had been trying to explain to David on his return from the museum that the owl he saw was "stuffed". Then I saw that live owl staring down at Ron Tripp from his perch. David knew where the ears were located and that the head didn't turn all the way around. He remembered because he was able to see a live demonstration by a skilled naturalist. We in our community are fortunate to have a man of Mr. Bechtel's calibre.

NEW SLATE OF OFFICERS - We will be voting on our officers for the year beginning July 1, 1969. Nominated:

President	- Ray Frost
Vice President	- Art Keniston
Secretary	- Bob Chambers
Treasurer	- Dick Jordan
Directors	- Newt Pratt, Bud Barrett, Lloyd Knight, Sam Giftos
Director at Large	- Ed Inness

MAKE-UPS - 3/17/69 - Art Keniston - Daytona Beach, Florida
3/18/69 - John Nadeau - Westbrook
3/18/69 - Ted Wainwright - Scarborough
3/19/69 - Harold Fralich, Caribou, Maine

R-O-T-A-T-E - (From the Windjammer) If you sit with the same fellows every week, your chance of becoming acquainted with all members is extremely limited. On the other hand, moving around is not only the easiest method of knowing your fellow members, but the quickest and most enjoyable. What better way then - rotate - to "development of acquaintances."

PROSPECTIVE HIGH SCHOOLERS FOR A SOUTH PORTLAND-CAPE ELIZABETH INTERACT CLUB
Sam Giftos asked for names a few months ago. The results were staggering, his mail box was flooded, his phone never stopped ringing, he had children standing on his lawn (or was it snow) - NOW I'LL TELL IT LIKE IT IS! No one gave him a name, so please fill in a name and address in the box below.

PROGRAM - Mr. William A. Bechtel is a native of Pennsylvania, educated at Temple University, Trenton State College and the University of Nevada. He is the Director of Education for Portland Society of Natural History and the Maine Audubon Society. Mr. Bechtel presents daily lectures at the Natural History Museum to area school children. I am sure Mr. Bechtel will be an interesting speaker.

LAST WEEK - Our two foreign guests provided a very interesting program. Miss Marie DuFort had a charming British-South African accent and showed beautiful slides of her country. South Africa beyond its racial strife has a desirable climate, non commercialized areas and a history of growth from the Dutch East India Company.

Our visitor from Japan, Takahito Aoyagi was interesting in his descriptive talk on Tokyo. He describes the trains and the overcrowding which seems fantastic. His countries governmental system closely relates to ours, stems from the days of General MacArthurs constitution.

MAKE-UPS - 3/11/69 Ted Wainwright, Lloyd Knight - Scarborough
3/14/69 Vern Wilson, John Vose, Dick Yerxa - Portland
3/13/69 Ralph Strachan - Lewiston-Auburn

MARCH BIRTHDAY LIST - Dick Yerxa, Bud Barrett, Bob Jennings, Ralph Strachan,
Al DiMatteo, Newt Pratt, John Toft - Happy Birthday one and all.

WEDDING ANNIVERSARIES - Bill and Ruth Sheriff
Vern and Elizabeth Wilson

ONE LINERS - A tax collector has what it takes to take what you've got.

PROGRAM - An interesting program from two exchange students is on "tap". Marie DuToit from Peoria, South Africa will bring her views of our country and hers. She is staying with Mr. and Mrs. Donald Bail. Our other student will be Takahito Aoyagi from Japan who is staying with Mr. and Mrs. Richard Anderson of our club.

LAST WEEK - I have always wondered how a successful den mother worked with bundles of energy hidden in what is known as the "8 to 1 year old set". Well, all those who saw Jane Jordan in action with her troop could have nothing but praise for the way her boys conducted themselves. All the boys took part in the program with double duty going to their mannerly "Den Chief" David Jordan. The boys' names were Tod Van Amburgh, John Perkins, Scott Dalrymple, Mike Joyce, Roy Craig and Wayne Jordan. The boys also told me that one of the troop, James Jacobson was sick so I promised to include his name along with the group present.

We also learned that Ed Inness, along with his presidential duties conducted an inspection of the troop and was rewarded last evening with a fine chorus of "For he's a jolly good fellow."

ATTENDANCE - Thanks to our visitors we were able to have a large turnout for the acceptance of our new members, Paul Chantal and Frank Hugo who were introduced formally into the club. It would be nice to see some of the regular membership back to the "fold" as well.

MAKE-UP - 3/5/69 - Dan Gacetta, Boston, Mass.
3/7/69 - Jim Doughty, Portland
3/11/69 - Roger Sturtevant, James Maguire, Westbrook

VOTE TO BE TAKEN - We will vote on having our formal name changed to the South Portland-Cape Elizabeth Rotary Club.

STILL ON THE SICK LIST - Dick Anderson, who had an eye operation and Ron Hall, who is in the final stage of his recovery from a January operation. Hope to see them back with us real soon.

PROGRAM - We will have as our guests our Rotary sponsored Cub Scout Troop, led by Jane Jordan. Dick Kennedy has planned a film on the Notre Dame football team to entertain the troop.

LAST WEEK - Ray Frost took the members down memory lane with his color slides of our club over its seven year history.

ATTENDANCE - President Ed placed a big "32" before the speaker's lectern last week and it signified our position in the district for club attendance. Oh! How the once mighty have fallen! It looks like a lot of work to get back - yet all it takes is for each of us to make a special effort to get to our meeting or at least make-up at one of the many other clubs in the area.

MAKE-UPS - 2/28/69 Dan Gacetta - Portland
 3/4 /69 Joe Russell - Bangor
 3/4 /69 John Toft, Dick Yerxa - Westbrook
 3/4 /69 Art Keniston - Scarborough
 3/4 /69 John Toft - Biddeford-Saco

NEW MEMBERS - Welcome to our club to the following:

Carl Sternhagen, Hunts Point, Cape Elizabeth. Carl is with General Electric Company. Classification - Heat Transfer Products, introduced by John Vose.

Paul E. Chantal, Broad Cove, Cape Elizabeth. Classification - Juvenile Probation, introduced by Frank Lyman.

Frank Hugo, Sheffield Street, Portland. Frank is with Bliss-Portland, introduced by Bob Lamy.

VISITOR - We had a visitor from Achoffenburg, West Germany on October 23, 1968. We presented him with one of our banners. We have now received a banner from Mr. Gudio Dessoover from his home club.

Committee to prepare the slate of officers for the coming year will be headed by Warren Simpson who will be aided by Dick Kilroy, Keith Dennison, and John Nadeau.

Mayor Lindsay of New York has a "Charlie Brown" card over his desk which says "I've developed a new philosophy. I only dread one day at a time."

February 26 1969

PROGRAM: The date was February 23, 1905 when Paul Harris and three businessmen friends gathered to talk of a new kind of club. All Rotary clubs are celebrating Rotary's 64th Anniversary this week and our program will be centered on this and slides of our club presented by a man who exemplifies what Mr. Harris meant by 'Service Above Self' - Mr. Ray Frost.

LAST WEEK: "Is scouting relevant in today's society?" This is the question which Mr. Bruce Wentworth, Assistant District Director of Pine Tree Council - Boy Scouts of America, tried to answer in his talk on scouting. There are 4,000,000 boys in various stages of scouting. The boys learn physical fitness, self reliance, obligation to God, personal responsibility, service to others, good citizenship and democratic living. The boys begin at various stages - cubs, then scouts, then explorers - all programs are supervised by people in the community that 'care' and work well with boys. The programs for merit badges are designed by professionals in their field so that the boys can take pride in their accomplishments. Boy Scout directors recognize the changing interest at various age levels and are constantly improving the programs to fit age needs. They also know that scouting is not active enough in the "city core" or in rural communities. The program - Boy Power for '76" - is their 10 year program to establish scouting in these areas.

So our question of relevants in today's society is answered by the deeds of the people in scouting. Any program with 'goals' such as the above is needed in our changing times.

MAKE-UPS: 2/12/69 Roger Sturtevant, John Vose, Ted Wainwright - Scarborough
2/12/69 Bill Sheriff - Milford, New Hampshire
2/14/69 John Vose, James Doughty - Portland
2/18/69 Vern Wilson, Ralph Strachan - Westbrook

ATTENDANCE: A line from a folk song goes "Where have all the flowers gone, long time passing" - Where have all the members gone was my thought as I looked over last week's attendance. Can this be the club that led the district in attendance? The speakers are good, the food is fine and the fellowship is excellent, so let's all start getting the Wednesday habit.

WELCOME BACK: Good to see John Toft back after his stay in Florida. Still among the missing is Ron Hall being sought by the "Bulletin Editor" - Dick Anderson, who is to take over the "changing of the guard".

Thanks to Howard Williams for last week's edition. New York, according to Mayor Lindsay, is "Fun City" but after spending a week there after a 15" snow storm I'm not so sure.

How to learn speed reading - try going thru Playboy while your wife turns the pages.

PROGRAM: Our Program Chairman, Dick Kennedy, who has done such a remarkable job, arranging programs and securing the best in speakers, has arranged another fine speaker for tonight.

Mr. Bruce Wentworth, Chief Scout Executive, of the Pine Tree Council, Boy Scouts of America, will be with us. Scouting continues to be a leader as an influence for good for our youths. It is another area of Rotary Service in our community, which we support. We sponsor a Cub Scout den as a current project.

LAST WEEK: We were all impressed by the Dean of Students from Gorham State College, Dr. Patrick Smith, as he gave us a fine analysis of College Students as he sees them today. He indicated that there are eight categories of students, namely: Vocational, Professional, Collegiate, Ritualistic, Academic, Intellectual, Left Activist, Hippies. The latter two groups are represented by a very few students, even though they receive a great amount of publicity at times. This subject of students is timely, and very ably handled by Dr. Smith.

MAKE-UPS:

2/5/69	- Dan Gacetta	- Biddeford-Saco
	Al DiMatteo	- Barre, Vermont
	John Toft	- Pollockville, North Carolina
2/11/69	- Dan Gacetta	- Westbrook
	Dick Anderson	- Westbrook
	Joe Russell	- Westbrook
2/12/69	- Bob Chambers	- Portland
	John Toft	- Biddeford-Saco

REMINDERS: Past Presidents are nice to have around when needed. Last week, John Nadeau, sensing that something had delayed President Ed Innes, got the meeting rolling without a hitch, in fact so smoothly, it almost appeared rehearsed!

I'm sure you have noticed what a fine, professional job Ray Frost does as our secretary. It is easy to take fellows like Ray for granted. We all know his prowess as a song leader - "I've been working on the railroad" - - -!! Now he has volunteered to repair our "Flags of Rotary Nations" display stand. Thanks!

Back to Bob Chambers - his humble associate - H. W.

PROGRAM: A topic of current interest and constant table conversations will be presented under the title "Types of College Students". Our speaker will be the Dean of Students at Gorham State College, Dr. Patrick Smith. The issue between colleges and today's students are many and I am sure our speaker will enlighten us to some of the problems faced locally by his college.

LAST WEEK: Carl Barker, Portland Manager of Woodcock, Moyer, Fricke, and French, presented some interesting ideas on money management. Carl feels the independent investor in the market will become obsolete and the "Professional Money Managers" will come into the picture. These men are not to be confused with the stock broker whose service of buying and selling to create and make the market flow will still be needed. The money managers will be the ones handling the investors capital, and will be paid a commission as they build the size of the capital or assets. The present money managers are the mutual funds which take the small investors money, pool it and make it grow. The "Information Explosion" has made it impossible for the individual investor to thoroughly know the securities to purchase. Carl's advice is to have a practical minimum of \$25,000 and place this with your "friendly money manager" and let it grow. How to get the first \$25,000 will be saved for a later speaker, who Dick Kennedy is having trouble locating.

DATE TO REMEMBER: Guy Lombardo has signed a contract to appear on May 30, 1969 from 8:30 P.M. to 12:30 P.M. We will be limited to 1250 people at the Portland Expo. Roger has all the arrangements well in hand so make your plans early.

A NIGHT TO REMEMBER: Ron Tripp led the singing last week with our "Captain" at the keyboard - and low and behold we didn't get to sing "Hello Dolly". Some of the visiting Portland Rotarians felt so let down that they threatened a walkout. We may jest about the songs, but Lloyd's singing, song selection, and humor brighten our Wednesday meetings.

MAKE-UPS:

1/30/69 - John Toft in sunny Florida
2/4/69 - John P. Vose, John Nadeau, Westbrook

GUEST EDITOR NEXT WEEK: Howard Williams has kindly consented to write for me next week. I certainly appreciate his help.

PROGRAM. A subject near and dear to our heart will be this week's topic. Mr. Carl Barker, the Portland Manager of Woodcock, Moyer, Fricke and French, will speak on "Money Management". Mr. Barker is a professional investor and I am sure will have some interesting ideas on how to invest wisely.

LAST WEEK: Pronounce the evening a success. The turnout was just great and all present seemed to be enjoying the evening. Bob Jennings and his group provided some great dance numbers and Lloyd and his wife gave out with some fine singing. Keith pronounced the evening a financial success so to Keith, John, and Harold many thanks from the members for a fine evening.

PORTLAND CLUB: Portland will retain their Friday meeting date. They will also be sponsors for the Glee Club of the United States Military Academy on February 22, 1969.

MAKE-UPS: 1/21/69 Joe Russell, Dick Anderson, Dick Kennedy, Scarborough
1/21/69 Al DiMatteo, Peabody, Massachusetts
1/21/69 Warren Simpson, Atlanta (Brookwood Club), Georgia
1/24/69 Art Keniston, Portland
1/28/69 Dick Anderson, Jim Maguire, Ralph Strachan, Bob Jennings,
Lloyd Pike, Westbrook
1/28/69 Bill Sheriff, Scarborough

WEDDING ANNIVERSARIES: Best wishes to.....

Frank and Mary Lyman
Art and Audrey Keniston

BIRTHDAYS: Dick Jordan, Sam Giftos, and Bob Chambers

OUT OF THE HOSPITAL: Ron Hall has decided to give up his room at the Maine Medical Center and give his wife Mildred a chance at nursing the sick. Ron tells me he feels much better but will require six weeks at home to make his recovery complete.

Look who's an honorary member of the Rotary Club of Whittier, California, Richard M. Nixon along with former Rotarian Winton M. Blout, our new Postmaster General, and George Romney is an honorary Rotarian of the Lansing, Michigan Club. It looks as if we have influence at the "top".

Perfect Attendance pins were given out at Ladies Night to: Dick Kennedy, John Vose, Warren Simpson, Dick Kilroy, Ray Frost, Ed Inness. If I have skipped anyone charge it up to having made only a few notes on an ice cube in my glass which seemed to disappear. I'll get the complete list from Ray for next week's issue.

PROGRAM: Dick Kennedy's speaker has been sidelined with the flu, so we will have a sports film on the 1967 World Series between the St. Louis Cardinals and the Boston Red Sox.

LAST WEEK: Shades of meals past - the chicken at Howard Johnson's has still been able to obtain its elastic characteristics. It was a pleasant get-together with our Kiwanis friends. Garth Good, their speaker, gave us all an insight as to what it is like in public service on a municipal level of government.

MAKE-UPS: 12/24/68 Marshall Stewart, Westbrook
12/24/68 Harold Fralick, Marion, Ohio
12/24/68 John Toft, Miami, Florida

ATTENDANCE: Our club's six month average has been 90.04%. Our teams on the ten week period ended in a four way tie so I don't know who eats steak. Over a period from July 3, 1968 to December, or since joining, these members have had the following attendance:

100% Dennison, Fralick, Frost, Inness, Keniston, Kennedy, Dick Kilroy, Knight, Nadeau, Perkins, Pratt, Russell, Sampson, Sturdevant, Toft, Tripp

92% Chambers, Lamey, Sheriff, Vose

88% Anderson, Barrett, Giftos, Jennings, Kilroy, Maguire, Yerxa

84% Jordan, Pike, Stewart, Tucker, Williams

76% Doughty, Foden, Wainwright

72% DiMatteo, Wilson

IN HOSPITAL: Ron Hall is at the Maine Medical Center. We hope Ron will be feeling better and wish him a speedy recovery.

OUR AFFLUENT SOCIETY:

Compare the present to what is past --
Ever had it so good?
Or lost it so fast?

Our annual social will be at Purpoodock on the last Friday in January, the 31st. Each member will be assessed the tickets. A big turnout is assured.

At Howard Johnson's, So. Portland

PROGRAM: This week will be a joint meeting with the South Portland Kiwanis, 6:15 at Howard Johnson's. Let's have a good turnout and show them what some Super Christmas Tree Salesmen really look like.

LAST MEETING: The senior citizens that attended our Christmas party had a very pleasant evening. The team of Bob and Lloyd made the carol singing a real joy to all.

ATTENDANCE: "Hats off to our club" We became the number "1" club in the district with a 98.85%, while Sanford was reported in eleventh position. Warren and his well organized attendance contest helped us turn the corner for attendance. The final results from Sanford are not in, but I'm sure we came out ahead.

TREES: Ralph Strachan is now writing a book "The Secret of Selling Xmas Trees", and if profits shown in our sale are any measure, it will be a success. Ralph and "We Merry Men" turned a nice profit of \$2000, which is a fine job from all the membership.

PROGRAM: Newt Pratt will arrange this week's meeting in the form of a Christmas party for some of the senior citizens in our area. Newt has asked certain members to supply transportation for selected persons and they should be picked up between 5:30 and 6:00 P.M. The entertainment will be handled by our fine musical team of Bob and Lloyd. It's a fine chance to have a good turnout and make a spirited party for our guests.

LAST WEEK: Dick's introductions get finer with each meeting and his speakers more surprising. Sheriff Charles Sharpe turned up in the form of his deputy, Thomas Foley, an equally professional law enforcer with great brisk humor. Mr. Foley gave us an insight into the difficulties involved in making an arrest. His feelings are that the Supreme Court decisions to protect the right of the individual being arrested, have gone to an extreme. The person arrested must receive 5 minutes of dialogue before he can be placed in custody. This hampers the law officer in many situations, and seems to bend to the side of the offender more than the officer. Mr. Foley feels this can and will make police officers "let down" - not make the arrest because they fear making a mistake and thus having the offense thrown out of court. The rate of crime and disorder is on the rise and some of the underlying causes could well be the extreme. We protect the guilty from violation of his civil rights.

ATTENDANCE. The last week of our contest with Sanford is this week - why not finish with a 100%. We had a 100% last week with Marsh Stewart's team in the lead for the steaks. Warren has agreed to an independent audit since that's his team in front.

CHRISTMAS TREES: Ralph and Lloyd Pike have priced all the trees and sales seemed good on Saturday. We have one tree priced at \$15.00 which we have set aside for President Ed to sell - it's only 14 feet high. Ed thinks he knows someone who lives in a house trailer that's a prospect for it. Our typical customer is one who likes a full, bushy, deep green, 6½ foot, fir with no broken branches - selling for \$1.00. I feel some of the sales "pitches" I overheard Saturday may revolutionize this business - "Lady you can't have a French Canadian cut a tree in Quebec, pull it out of the woods, wrap it individually, load it on a truck, inspect it at the Canadian Border, and unload it in South Portland Maine and sell it like an ordinary Christmas Tree - Look at it as a work of Art - Costing \$7.00."

PROGRAM The problems of law enforcement in Cumberland County will be discussed by Sheriff Charles Sharpe.

LAST WEEK Keith Dennison presented a classification talk on the operations of a Drug Store. Keith noted the changing scene that has taken the druggist out of the soda fountain and soft wares business, bringing him back to the preparation of medications. The rising costs of drugs and their regulation by Federal Authorities have all affected the druggist's operations. Pricing of drugs and the profits in the average prescription have been subject to wide publicity. Keith's explanation of the method of pricing seemed to me to be fair to both parties.

MAKE-UPS 12/3/68 - Vern Wilson, Bob Jennings, Howard Williams - Westbrook
11/27/68 - John Toft - Biddeford-Saco

ATTENDANCE Our percentage for the month of November was 98.81%. The last two meetings we had 100%. The attendance contest with Sanford has two more weeks to run - let us not let Warren down - he has his fine reputation to protect in Sanford - if we lose, the Sanford club has the right to take Warren's "Key to the Town" from him.

HAPPY BIRTHDAY

CHRISTMAS TREES

They arrived Friday in all their glory - now let's get them sold. The selling crews are all outlined on the schedule posted in one of the most modern up-to-date Christmas vending establishments in New England - known as the "Shack".

Thanks to Ron Hall for writing the bulletin for me last week. I had an interesting make-up at the Saint John Club, but their meal would never touch the great roast beef we had at last week's meeting, they even passed along seconds.

PROGRAM: Dick Kennedy has something special planned for this week, which he does not wish to disclose at this time, but we can be assured it will be well worthwhile. We enjoyed the rolling pin incident last week, Dick!

LAST WEEK: Our golfers had a real treat watching a film on the 1968 Masters Golf Tournament. It was an even greater treat for us duffers to see what can really be done in this sport.

MAKE-UPS: 11/22/68 - Vern Wilson, Harold Fralich, Don Young - Portland
11/26/68 - Bud Barrett, Al DiMatteo, Steve Perkins, Dick Yerxa, Ted Wainwright, at Scarboro.
11/26/68 - Lloyd Pike, at Westbrook
11/25/68 - Marshall Stewart, at Rumford
11/25/68 - Bob Chambers, at Saint John, N. B.

REPORTS: President Ed reports that our Club has sent a check to the newest Club in the District at Bar Harbor which was much appreciated.

Warren Simpson reports that all teams are tied with one miss each, however there seems to be room for a question here as Frank Lyman hasn't been heard from down in sunny Florida for two weeks.

Ralph Strachan will have a definite schedule this week for assignments for the Xmas Tree Sale. If, for any reason you cannot make your schedule it will be up to each one to find a replacement.

A few volunteers will be needed for Saturday, December 7th and Sunday, December 8th to help set up the trees and stand.

COMING EVENTS: A few notes to keep in mind:

As Christmas falls on a Wednesday this year there will be no meeting that week.

The Club will again have a Christmas Party for the elderly this year. This party will be on December 18th. Newt Pratt is chairman of this event and if you know of an elderly person that you would like to bring or that you would like to suggest be invited please tell Newt about them.

A joint meeting with the South Portland Kiwanis Club will be held on January 2nd at the Howard Johnson Restaurant. Note that this will be on Thursday.

CLASSIFICATION LIST.

Ronny Tripp has issued a new and up-to-date list of all businesses in South Portland and if you didn't get a list last week please ask Ronny for a copy. This is a job well done.

PROGRAM: Our program chairman, Dick Kennedy, plans a pleasant surprise program for this week. He claims he will be as surprised as the membership to find his speaker for the week.

LAST WEEK: The words to a well-known song are "You've Got To Have Heart" - well, that's what you have if you are sister Miguel, Director of Blind Children's Resource Center of Portland. The slides of the children at the center were a world most of us never imagined existed. Blindness doesn't cross the mind often when a person has his sight, yet it is a daily challenge to Sister Miguel, who must tackle it with the same love, sincerity and enthusiasm she puts into telling us of her "children".

MAKE-UPS: 11/18/68 - Dick Kennedy - St. Johnsbury, Vermont
11/19/68 - John Vose, Dick Anderson, Howard Williams - Westbrook
11/19/68 - Steve Perkins - Machias, Maine
11/19/68 - Bill Sheriff, Bill Kilroy - Scarborough

ATTENDANCE:

Report for the District ranked our club 4th with a 93.187% average and the first place club had a 96% average for the month of October, 1968.

PROPOSAL FOR MEMBERSHIP:

Under the classification, Special Food Distribution, we have the name Edwin K. McElman who is a resident of South Portland.

ATTENDANCE CONTEST:

Scouts have arrived from the Sanford area and tell us that as of the end of the first four weeks Sanford has 89.44% while we lead with 98.82%. Jim McGuire's fearsome group bit the dust last week and it looks like Marsh Stewart with his green eyeshade tabulator named Simpson is still at the 100% level. This looks like a job for Price Waterhouse.

DON'T FORGET:

Ralph Strachan needs you - Fill in your Christmas Tree Sales schedule for your available times.

PROGRAM: Sister Miguel, Director of Blind Children's Resource Center of Portland will be our speaker. She has worked with blind children of all age groups.

LAST WEEK'S PROGRAM: John Vose provided the introduction for our speaker, Dick Bond, a fellow Rotarian from the Portland club. His topic on the Rotary Foundation provided an insight for our members to see the history of this project on the Rotary scene. It first drew mention at a Rotary Convention in 1917 but sputtered from that point until 1927 when an objective of 2 million dollars was achieved to be put into the fund. The program became activated in 1947, with the fund increasing by gifts in memory of Paul Harris who died in that year. In 1968 there were 500 awards presented to students. The Foundation makes grants in four areas: 1. Graduate Fellowships, 2. Undergraduate Scholarships, 3. Technical Training Awards, 4. Group Study Exchange. Dick Bond's conclusion for our district is that there is not enough activity by clubs in our district to bring names forward for these awards.

MAKE-UPS: 11/1/68 Ralph Strachan, Portland
11/5/68 Steve Perkins, Dick Kennedy, Lloyd Knight, Scarborough;
Dick Anderson, Westbrook
11/6/68 John Toft, Biddeford-Saco; Al DiMatteo, Barre, Vermont
11/8/68 Bill Sheriff, Harold Fralick, Portland
11/12/68 Roger Sturtevant, Art Keniston, Dick Yerxa, Westbrook;
Dick Jordan, Bob Lamy, Ted Wainwright, Lloyd Pike, Steve Perkins, Scarborough

ATTENDANCE CONTEST: Well it looks like Sanford is "running scared". Warren has been unable to get a report on their performance. Just remember what happened to that sprinter who looked over his shoulder during the Olympics and missed the fellow going by on the other side. The early winter storm broke our string last week. Don Young's team had a miss and we had a 97.65% attendance. Let's get everyone "back on the bandwagon" for another 100% week.

BULLETIN EDITORS GREATER PORTLAND AREA: Help! Help! We moved to the Purpoodock Golf Club on a year round basis and meet there Wednesdays at 6:15 P.M. The adage "old locations never die" seems to be President Ed's theme as many can't find us and start by going to Howard Johnson's. A notice in your bulletin would be much appreciated.

"Yes, Virginia, there is a Santa Claus, but he won't come to your house unless you get your Christmas Tree from a South Portland Rotarian." This remark was recently overheard during a North Pole social hour.

Well, the trees are "a-coming" - due to arrive on December 6th or 7th. We need a set up crew. All volunteers leave your name with Ralph Strachan this week.

The smiling Christmas Tree Salesmen will be asked to do two shifts of 3 hours each over the period between Dec. 8th and Dec. 24th. On Sundays and Saturdays there are 4 shifts - 9:00 A.M. to 12:00 P.M., 12:00 P.M. to 3:00 P.M., 3:00 P.M. to 6:00 P.M., 6:00 to 9:00 P.M. All week days we work the last two shifts. Each member should give Ralph possible shifts you can work. We will be selling in our usual South Portland Park location.

Naturally there will be some new blood in our sales forces this year, but just ask any of our hearty veterans how it's done and you can develop your sales techniques. I, for one, will have to drop "taking in trades from little old ladies who used their Christmas trees on alternate years" and stick to "no trade-in" selling.

PROGRAM: Mr. Richard Bond, Dean of Westbrook Junior College will be our speaker on the topic of Rotary Foundation. Mr. Bond is a member of the Portland Rotary Club and is chairman of that club's Foundation Committee.

LAST WEEK'S PROGRAM:

Newt Pratt produced a very informative talk on the history of the automatic fire sprinkler. Newt's objective to inform us all of an industry that developed right here in New England was very revealing. The textile mills with their multi-storied red brick buildings are landmarks in many of our towns. I'm sure we never considered the fire hazard they faced back in the 1830 - 1835 period. The loss of business and employees' lives were commonplace from fire. The mill owners banded together to form an insurance organization and to develop a method of sprinkling water on fires - at first all they achieved was to flood the mills from the sprinklers. They had little control of the sprinklers once they got started; but gradually they developed heads for the sprinklers and safety devices so that they could confine the water to a specific area. The Draper Corporation, one of the leading New England textile companies, moved into the sprinkler field and developed it as a marketable product for other mills. Newt felt that in considering a sprinkler system we should consider sprinklers to protect not only the physical plant and equipment, but what product, be it goods or people, the structure will be housing.

MAKE-UPS: 11/1/68 - Bill Sheriff, Portland
11/4/68 - Al DiMatteo, Danvers, Massachusetts

ATTENDANCE CONTEST:

Warren and Ed are smiling again; it was a 100% week. Our fifth week is coming up - if we are going to beat Sanford we will need to stay at that 100% mark. Also, if Don, Marsh, and Jim keep up their pace, Harold's wayward 10 will be buying quite a few steaks - I just assume the Captain will subsidize his team's purchase?

THE SLOGAN WAS - Nixon's the One - Well now he is. The drive for the highest office in our land is a consuming one for some men. Mr. Nixon was one who showed how it can be done from a point of defeat to victory in the space of eight years. His efforts must be applauded on true sportsmanship alone. Now a land divided must not sit on its hands and say "let him solve it - he wanted it". Our strong fort is to begin to rebuild, and revitalize through new management. Participation is still a pretty good word whether it be for a Rotarian or a nation.

PROGRAM: Newt Pratt will be our speaker giving us an insight into the history of fire protection. Newt is a native of Framingham, Massachusetts and is a graduate of Northeastern University with a B.S. in Electrical Engineering.

LAST WEEK: Harold Fralick provided an interesting evening with his film on Coventry, England. Coventry is the Detroit of Britain. It is a city of 330,000 people located 100 miles north of London. It is noted for its automobile and aircraft engine production. Coventry was heavily bombed during War II and 97% of the city was leveled. The film showed what could be done with Federal and local Funds to rebuild this city. The imagination shown with the malls for shopping, the parking areas on various levels, and the attention to preserve the beauty of the city were all fascinating.

MAKE-UPS: 10/22/68 - Steve Perkins, Ted Wainwright - Scarborough
10/23/68 - Ralph Strachan - Biddeford-Saco
10/28/68 - Harold Fralich, Marsh Stewart - Brunswick
10/29/68 - Roger Sturtevant, John Nadeau, Vern Wilson,
Lloyd Pike, Dan Gacetta - Westbrook
10/29/68 - Donald Young - Portland

BIRTHDAY WISHES TO:

Ray Frost, one of our younger members by measure of "spirit" and Dan Gacetta.

ATTENDANCE CONTEST:

The string was broken - we hit 97.62% last week. Let's all get back up to the lofty 100% height again. It looks like Harold Fralich's team was the first to go down. Marsh, Jim and Don all have been able to keep their teams up to the 100% level.

BOARD OF DIRECTORS:

Meeting will be held after this Wednesday's meeting.

PROGRAM The Program Chairman hopes to have one of our members speak on his classification.

LAST WEEK John Vose introduced our speakers, Mrs. Rupert Lovejoy and Mr. Malcolm Kennedy, members of the Greater Portland Citizens Against Fluoridation. Both speakers covered a wide area of reasons why we should not use this "drug" in our water supply feeling it will damage bones, tissues and vital organs in our body. The stand against fluoride is that it can't be controlled in our water system, it is a drug, compulsory medication is being forced on our people, it will cause kidney trouble, it's a poison and these reasons are backed with documentation. The arguments seem endless and the picture is very black indeed if we choose to use this drug. The choice will be at the ballot box on November 5, 1968.

MAKE-UPS:	Dan Gacetta	10/17/68	Littleton, New Hampshire
	Ralph Strachen	10/16/68	Lewiston-Auburn
	Bill Sheriff	10/18/68	Portland

ATTENDANCE CONTEST

The first week's results are all in. We managed a 100% with make-ups - Warren is smiling, President Ed is smiling. Who would have the nerve to bring sadness to these fine men - onward to the next 100% evening.

WELCOME Our newest member was introduced by the eloquent Dick Anderson. He is Joseph Russell of Cape Elizabeth, classification - Additional Active. He is originally from Yonkers, N. Y. and is with the Shell Oil Company. I'm sure we all will get to know Joe, and as soon as I can interpret my notes taken from Mr. Anderson's background remarks I'll give him a much better write-up.

POT-POURRI John Vose reminded us all of the advantages of our democracy, when all can speak out freely. November 5 is a big day in this land. We all get to make our choice, but, regardless of what choice you make, participate - with your vote. My wife and I have been unable to use this right for seven years - when you're an immigrant you don't participate. I personally felt left out of one of our most important freedoms, so leading the march to the ballot box in South Portland will be "what's his name".

RESIGNATIONS

The directors have accepted the resignations of Blaine Raymond due to sickness and Frederick Glynn due to business pressures. We are sorry to have them leave and would like to express our thanks for their period of membership.

PROGRAM Our speaker will be Mrs. Rupert Lovejoy, wife of Dr. Lovejoy a Portland dentist. Mrs. Lovejoy will speak for the group opposing fluoridation of the public water supply. Mrs. Lovejoy has spoken to many women's and P.T.A. groups on this subject.

LAST WEEK Still photography backed up with fine narration and background music provided an inspiring case for "Coastal Maine a Special Kind of Place". In those films each one of us could see the strong reasons why we live in and love our state. When we can borrow the time to be free with our families we, too, want to be able to enjoy our mountains, lakes and ocean. If conservationists like Marshall Burk don't stand up and protest the uses of our lands, public and private, then we can expect more and more commercialism in our state. The Natural Resources Council of Maine is not just a negative thinking group but is representative of 9 statewide area conservationists and 40 regional groups. They recommend planning and land use controls.

I found the films moving and the background music was by Jud Strunk, a Farmington, Maine native who has received notice of late on the Merv Griffin Show. I think the lyrics of his song got the message of our "Special Kind of Place" through to us all "as the little boy kicked the tin can".

ATTENDANCE CONTEST

Remember the losers must buy steak dinners for the winning team in our club. Marsh Stewart has now taken over the captain's job from Steve Perkins. The count for last week's meeting was 34 members present out of 44. Remember to make up - opportunities are listed on your bulletin.

PROGRAM - President Ed and Sam Giftos will be putting together a program on Interact. Our program chairman Dick Kennedy has been hospitalized for a few days, so he has consented to turn this evening's venture over to the capable people named above.

LAST WEEK'S PROGRAM - Professionalism on presenting a program is a very hard thing to achieve, but last week's award goes to a most enthusiastic man, Dr. Joseph J. Thomas of the S. D. Warren Company. His talk sparkled with a belief and sincerity in his message of how his company works within our Greater Portland community. Dr. Thomas was ably assisted by Russ Lidden. "Lest we forget", Warren employs 2750 people, pumps \$23,000 daily into our local economy in purchases, pays taxes in Westbrook alone of \$1.1 million dollars, and \$110,000 in the surrounding communities. "Warren" was started in Westbrook in 1854, and has prospered ever since.

I am sure we all forget the old reliable when we talk of the new industries moving into our area, yet the "Old Hat" still has a great stake in our community as well. "Warren" has proved to be a good neighbor, supports the Westbrook hospital, put \$350,000 into Maine Medical Center, endowed Westbrook with a library, swimming pool, athletic field and so on. "Warren" is concerned with greater education in our community - graduate school courses are encouraged. "S. D." wants its people to further their educations so provides tuition refunds to employees taking courses. Summer employment for 150 students, matching gifts to colleges are just some of the aid given.

S. D. Warren is a research orientated company and Dr. Thomas gave us and Mr. Frank Sleeper, a closer look at the 1264 System "Foto Proof". The definition, applications, and interpretation of which I'll have to leave to our scientific orientated members.

ATTENDANCE CONTEST - The contest will start on October 16, 1968 and run for 10 weeks. Our teams are headed by our newest members, with Harold Fralick's team having the edge since Ray Frost will record the attendance and I'll handle the unbiased reporting and publicity.

PROGRAM - Dr. Joseph J. Thomas, Director of Research of S. D. Warren will be our speaker. His topic will be "What is Warren". He will explain his company's relationship to our Greater Portland Community. Mr. Thomas will provide samples and a demonstration of a new photographic process. The area news media have been invited to witness the demonstration.

LAST WEEK'S PROGRAM - What is the United Fund? A group of dedicated men working for a goal, to aid needy agencies in our community - Mr. James Tabor is a fine example of one of these men. He leads his "army" of volunteers such as Ray Frost, Warren Simpson, Capt. Lloyd, to name a few Rotarians from our club, in pursuit of \$1,244,000. This money must be pledged in order to support the 44 agencies which make up the Fund. Is there a true need? Who can forget the head equipment for the child whose only communication is to peck out words on a typewriter by moving her head. Visiting nurses caring for the mother with cancer - the only person who cares for her. Yes there is a need for "fair share giving" and I am sure each of us will participate.

FROM THE ROTARY INFORMATION COMMITTEE - The first Rotary Club in the world was organized in Chicago, Illinois, on February 23, 1905, by Paul P. Harris, a young lawyer who gathered together in a spirit of understanding and friendship a group of men, each of whom was engaged in a different form of service to the public. The basis of membership - one man from each business and profession in the community - is still a leading principle in Rotary. At first, the members of the new club met in rotation at the various places of business of the members, and this suggested the name "Rotary".
The above was taken from the Bangor, Maine Bulletin.

ROTATION IS IMPORTANT in Rotary, not only between clubs, but within our club seating ourselves with our new members making them a part of the club as we learn about each other. We have five new members: John Dorsey, Steve Perkins, James McQuire, Harold Fralich and Donald J. Young. Let's let them feel a part of our club.

PROGRAM: President Ed will do the honors this week and introduce Mr. James Tabor, United Fund Campaign Chairman. Mr. Tabor has held various offices in the United Fund and is a very active man in our community, being a member of the South Portland Planning Board. He is the Vice President of Oakhurst Dairy and a native of Elmira, New York. Mr. Tabor is a graduate of the University of Pennsylvania, and the Wharton School of Finance. Mr. Tabor is married, has three children, and resides in South Portland.

LAST WEEK'S PROGRAM: Our District Governor, Dennis Lombardi had some fine examples of Rotary Clubs in action, such as the club that raised over \$500,000 for a crippled children's hospital. He felt that in a Rotary district such as ours we have an opportunity to promote international understanding with an exchange of children with a Canadian Club. Mr. Lombardi has visited twenty-five Rotary Clubs in our district since becoming Governor. He also brought the official pronunciation of Mr. Kiyoski Togasaki's name which I'm sure will be used by all our members.

REPORTS: The Directors' reports were in the four areas of service. Bob Jennings reported on our objectives in International Service, with specific references to opening a line of communications with the Brazilian Province of Rio Grande Do Norte.

Dick Anderson gave his report on Community Service, outlining the scholarship help we have given. Dan Gacetta outlined some of our objectives in the Vocational Service area, suggested career counseling help to local schools, and tours of Industrial plants.

Our Director for Club Activities had some of his chairmen outline some of our coming plans. Warren Simpson is trying to start an attendance contest with the Sanford, Maine Club.

The vote is in - Purpoodock Club will be our meeting place for the balance of the year.

PROGRAM - When I asked Mr. Kennedy for this week's program he looked at me in startled amazement and said, "Why, our District Governor Dennis J. Lombardi will be the speaker!" So this week's program will be in excellent hands. Mr. Lombardi was a career officer in the U. S. Air Force beginning his service as a Second Lieutenant, U. S. Infantry, in 1936. In 1940 he was transferred to U. S. Air Corps and served from 1941-1944 in Australia and New Guinea. He has been Group Commander in Maine of the Air National Guard and was recalled into active service during the Korean conflict. He retired in 1953 as a Lieutenant Colonel of the U. S. Air Force and has since been engaged in private business as president of a supply company.

LAST WEEK'S PROGRAM - Mr. James Johnson of S. M. V. T. I. made an excellent case for the vocational education of our children. He proved his point that we can no longer equate vocational training to a second rate status. The technicians of the future are a valuable part of our society, bright young minds channeled into fields in which they have natural aptitudes are a needed group in our economy. Youth adjusted to specific trades in schools like S. M. V. T. I. have the "junior college" outlook towards their educations and aspire in many cases to go on to degree granting institutions. Maine has four vocational schools, with S. M. V. T. I. having 700 students enrolled. The students on entrance are high school graduates and take regular academic courses as well as ones directly pertaining to their chosen field. Mr. Johnson's graduates list all types of personal accomplishments to their credits holding responsible positions in many area businesses.

NEW MEMBER - Donald Young was introduced by Dan Gacetta - welcome from all the members.

BIRTHDAY LIST - Only one man has made our September list - Happy Birthday to Roger Sturtevant.

WEDDING ANNIVERSARIES - I hope all on the list have remembered? Congratulations to:

John and Suzette Nadeau
Ray and Dorothy Frost
Dick and Betty Kennedy
Ed and Zenna Inness
Jim and Florence Doughty

PRESIDENT ED would like to see a 100% attendance at this meeting to honor the District Governor.

WE WILL BE ASKED to vote as to where our meetings will be held, the choice has been narrowed to Purpoodock Club and Howard Johnson's. The directors found that to get a variety menu at the Steer Inn, the cost of our meals would have to be increased. The second choice of Crescent Beach Inn did not show much interest in taking on our club.

REMINDER - 'Tis the season to be Jolly' will be upon us - President Ed has ordered our Christmas Trees for December 7th and 8th. He claims he is not rushing the season.

PROGRAM - Mr. James Johnson, Departmental Chairman of Automobile Technology Department of Southern Maine Vocational Technical Institute, will be our speaker. His topic will be Technical Education at S.M.V.T.I. Mr. Johnson is a Portland native and he has specialized in the automotive field. He was assigned to the Ordinance Engineering group in Boston, Massachusetts during World War II and at that time patented several inventions. He has been on the staff of S.M.V.T.I. since 1946 and is presently preparing a text book on Automobile Technology.

LAST WEEK'S PROGRAM - Dr. John H. Marvin's talk on the problems facing our state in the field of education gave us an insight into the teacher's view of the school system and policy making. Dr. Marvin predicts that our educators are on the verge of revolution with the underlying cause being money. The cost of education will continue to rise yet our usage of our professional manpower is very poor. We don't need a part-time teacher, secretary, janitor, coach, etc. We must upgrade our trained personnel. The better utilization of our educators in the schools is a necessity. Teachers want responsible involvement in the school system, they do not want to take over the roles of school boards or policy makers. It is not a simple matter to evaluate the success or failure of a particular school system, even the professional educators disagree. Yet a meeting of the professional educators and the lay school board members to set goals for all is a basic necessity.

LAST MEETING WITH US - RALPH GREEN - I am sure we will all miss Ralph as he heads for New Hampshire. Ralph's service to our Club, his fellowship, attitude, personality all went into making a fine Rotarian.

NEW MEMBER - Harold Fralick was introduced by Sam Giftos - welcome from all the members.

PROGRAM - Mr. John H. Marion, Executive Secretary of the Maine Teachers Association will be our speaker. He will discuss some of the problems this group has had in the area of labor negotiations and sanctions. He has spoken recently to the Augusta Kiwanis Club and feels that service clubs should understand the changes going on in Maine Education.

LAST WEEK'S PROGRAM - Mr. Edward C. Cutting's talk could have been titled "We can't see the forest for the Christmas Trees". I am sure that few of us realized the farming going on to remake "wild trees" into presentable Christmas Trees. The market for trees each year is 50 million in the United States alone. These come from wild stands or cultivated plantations. The varieties are interesting; Scotch Pine, Douglas Fir, Spruce. Maine is not a large producer of trees, shipping about 600 carloads of trees each year. Mr. Cutting had photographic history of several trees over a short span of four years and the changes that proper trimming and pruning could make was clearly visible.

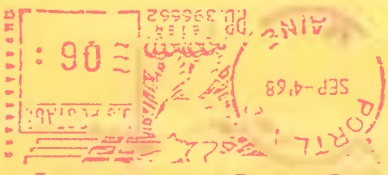

MAKE-UPS -	Lloyd Knight	- August 20, 1968	- Westbrook
	Dick Kilroy	- August 20, 1968	- Westbrook
	Bill Sheriff	- August 20, 1968	- Westbrook
	Roger Sturtevant	- August 22, 1968	- Lewiston-Auburn
	John Vose	- August 23, 1968	- Portland
	Marsh Stewart	- August 27, 1968	- Westbrook
	Howard Williams	- August 27, 1968	- Westbrook

The ballots have been counted on the new meeting place and the "Steer Inn" received the most by far. The menu offered seems somewhat "lean" so now the directors will meet to discuss it before a final decision can be reached.

The District Leadership Forum will be held at the Chateau Frontenac Hotel, Quebec, on October 12, 1968. Contact President Ed for details.

PROGRAM - Mr. Edward C. Cutting, President of the Maine Christmas Tree Growers Association, will speak to us on the farming and marketing of Christmas trees. Mr. Cutting is from Union, Maine.

LAST WEEK'S PROGRAM - Dr. John R. Davy came to us with outstanding credentials in the public health field, and with a sincerity and enthusiasm for his cause - Flouridation. The use of flouride in our water system is a safe and beneficial chemical which will help prevent tooth decay. It will also aid old people in the development of stronger bones against fractures as it gives the bones an added ability to heal. Over 70 to 80 million Americans use flouride in their water supply, 43 communities in Maine use it. There have been 15,000 medical papers written backing the use of flouride in public water and the benefits that accrue from it - yet in Portland, South Portland, and Westbrook in the year 1968 we are called on to vote for it. It seems to me as simple an issue as being in favor of Santa Claus and Mother's Day.

As I witness the dissenting and emotional challenges issued to our speaker, I still fail to see what the "tempest in the water supply" is all about. The religious issue certainly can't be valid if the majority are in favor - there is unlikely a law passed in our country that doesn't somehow suppress a small minority - yet we cannot handcuff a nation if a cause is truly for the public good. The questions of dosages and amounts to be put into the water system surely is not beyond chemical and scientific measure. The "Key" issue seemed to be, where does it all "stop". Do we put chlorine, flourine, iodine, arsenic, etc. in Mother Nature's pure water? I trust man and public health officials to use their offices for the public good. Science has bent and improved on nature - for a number of years some "scared cows" must tumble - we pastuerized milk for the good of all - now water.

NEW MEMBER - Ron Tripp provided a sparkling introduction to our newest member - Jim McQuire - glad to have you with us Jim!

MAKE-UPS -

8/13/68 - Westbrook - John Nadeau, Dick Anderson, Marshall Stewart
8/13/68 - St. Paul, Minn. - Dick Yerxa
8/13/68 - Scarborough - Bill Sheriff
8/14/68 - Biddeford/Saco - Dan Gacetta
8/16/68 - Portland - Dick Yerxa, Bill Sheriff, Warren Simpson, Dick Jordan
8/ 8/68 - Club Montreux-Vevey, Switzerland - Jim Doughty

President Ed would like me to remind you of:

1. October 12, 1968, Chateau Frontenac Hotel, Quebec, District Leadership Forum
2. Lobster Festival in honor of District Governor, September 5, 1968, sponsored by Portland Rotary - all Rotarians and wives invited at Mackworth Island School for Deaf. \$5.00 per person - call the Portland Rotary Club for reservations. 773-7157. Reservations close August 30, 1968.

Our attendance position in July for the district was 81% giving us 29th out of 50 clubs.

There is a story going through the bulletins of the patient who said to his doctor one day, "I can't pay you Doc. I slowed down like you told me to and I lost my job".

PROGRAM - Our speaker will be Dr. John R. Davy of the Greater Portland's Citizen's Committee for Dental health. His subject will be "Flouridation" which will be voted on in this area in November. Mr. Davy will be introduced by Dick Kennedy.

LAST WEEK'S PROGRAM - Dick Kilroy provided some interesting sidelights into the real estate market in our area. Dick's point of taking the time to pick your home since it's one of man's largest personal investments, was well taken. He emphasized that our present market is a seller's market with housing being scarce. Mortgage money is available locally although the interest rates of 6 3/4% to 7 1/4% are high. Dick's statistics indicate there will be 2 million houses built every year for the next ten years in the U. S. with demands for 4 and 5 bedroom homes and larger lots being predominant. Dick's final advice to all us home owners when we consider selling is to have your house appraised by a competent appraiser so that you sell your house profitably in the market.

NEW MEMBER - Stephen Perkins was introduced by Ron Hall and welcomed to the club.

PINS PRESENTED - Keith Dennison - 6 yrs, John Nadeau - 7 yrs, Dick Kilroy - 6 yrs. Congratulations on such excellent records.

President Ed requests all committee reports to be in by August 21, 1968. The Fellowship Report has been the only one received to date.

VOTING - Mark your ballot at the end of the bulletin as to which of the four places listed you would prefer to hold your meetings beginning September. They will all be at our present rate.

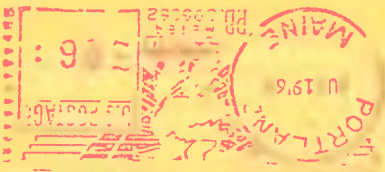

GOLFERS - Any member of our club can play the Purpoodock course on Wednesday for a green's fee of \$3.00. So, if you enjoy loosing your golf balls like your editor, then don't pass up this opportunity.

NEWS NOTE - Last week I commented on Mr. Kiyoski Togasaki's, President of Rotary International, theme "Participate". This week he makes the cover of the "Rotarian" and I see in the "Old Town, Maine Bulletin" that he will be visiting my home town of Saint John, New Brunswick on August 19, 1968. Reading Mr. Togasaki's article in the "Rotarian" one can see his devotion and interest in our organization - "We are all united to a common goal of offering service to mankind above self". His keys for participation are clear and I hope each member takes the time to read and think about them - then blend them into his own attitudes towards our club.

Charlie Brown and your editor draw a conclusion on the former's philosophy "Life is like ____". It is really difficult to develop a real personal philosophy in twenty-five minutes.

BALLOT - Select in order of preference 1, 2, 3, 4. Turn into Ray Frost on August 21.

If sports stars could be artists, then the ball handling of Cousy and the defensive play of Bill Russell would be classed with the great works of our time.

"PARTICIPATE" - Rotary International President Kayoshi Tagosaki has a one word theme for this year - "Participate". Webster's defines it as "to have or take part or share in - to give a share of - to communicate". We can all pick this as our "standard" for our work in the club, for the example we should set as Rotarians in our community. Show your "standard" when you greet our visiting members from other clubs - be vocal in your ideas on our political system - your faith in your community - it will be catching, others too get the message, and this is what will help our community, our state and our troubled nation.

The following item was present in the Portland "Windjammer" which has a direct message to our club which has compiled an attendance record since July 3rd of 74%, 10th 77%, 17th 84% and the 24th 87% which, from our President's remarks of last week is not a very good record. Let's show Ed a "full house" for a change.

"Attendance is the bulwark of Rotary; it measures the height, breadth, and depth of Rotary in you; it determines the area of your unselfish service; it reveals your interest in your club activities; it demonstrates your desire for making new, and retaining old friends; it spells the story of what Rotary means to you."

PROGRAM - This week our program chairman promises a real treat for all the sports fans in our group. He is planning a sports film for our enjoyment.

LAST WEEK'S PROGRAM - Being your new editor and reviewing my classification talk of last week on Auto Retailing gives one an excellent chance for an unbiased review.

The auto dealer holds his franchise from the largest industrial manufacturer in the country, yet with all the technical "know-how", management talent, electronic intelligence at their command, the dealer sells their product in the market place on the oldest established pattern known to man - the "barter". The retailing of automobiles is a highly competitive business and the number of dealers are declining. Yet the market is still well covered since the trend is for larger dealerships, the profit squeeze - demands profitable operation, from each "profit center" within the franchise.

I can only say the warm response I received after speaking from the members, certainly made my evening enjoyable, as I hope I made yours.

REMINDER: - The District Governor will be with us on September 18th for our annual assembly.

RESIGNED - John Barrows - John finds that he needs more time to spend with his family, and we appreciate the years of association he had with us.

GOODWILL AMBASSADORS -

7/11 Sam Giftos - the distance record - Logan, Utah
7/12 John Vose - a close second - Warsaw, Indiana
7/16 Blaine Raymond - Scarborough
7/17 Warren Simpson, Boston, Massachusetts

PROGRAM - Classification talk by Robert Chambers on Auto Retailing.

Bob is one of our newer members, a native of St. John, New Brunswick, and a graduate of the University of New Brunswick. He is Comptroller at Wolfe Ford in South Portland, Treasurer of Wilson Lake Country Club and a member at Purpoodock Country Club.

Bob and his wife Carol live at 105 Granby Road and have two children.

LAST WEEK'S PROGRAM - We enjoyed a cruise on the U. S. Coast Guard ship Yankton . Leaving at 2:30 we went out to 'Half Way Light' then back through the inner harbor, returning about 5:30, a trip of about 28 miles. The hospitality of the crew made the trip most pleasant. Don't let anyone tell you that the presence of authority is not a deterrent to crime - - did you notice that no one dared to throw their paper cups overboard!

Returning to the Purpoodock Club for our evening meeting, the Review of History turned out to be a testimonial to Past Secretary Ronnie Tripp. John Nadeau served as Master of Ceremonies and remarks were made by Past Presidents or others. Bill Kilroy, Ray Frost, Ralph Green, Al Rowe, John Nadeau, Keith Dennison, and Ed Inness all had some very nice things to say in a very humorous way, especially some of the mementos of past events that were presented to Ronnie. Finally a Rotary Placque was presented in recognition of the six and a half years service.

A special note of thanks to Lloyd and Bob for their rendition of a salute to Ronnie to the tune of 'No Business Like Show Biz'.

PROPOSAL FOR MEMBERSHIP, now being considered - if, ten days after the receipt of this 'Two Lights' no objections have been filed in writing with the Secretary the candidate will be qualified for the next step in Rotary.

PROGRAM - Mr. Ernest G. Wilkens, of the Portland Pipe Line Corp. will present slides on the operation of the pipe line. Mr. Wilkens is a native of Princeton, Maine, a graduate of Worcester Business College and has been with the pipe line for 27 years. At present he is Right-of-Way Agent and has supervision of 166 miles of line in Maine, New Hampshire and Vermont.

LAST WEEK'S PROGRAM - Mr. Gordon MacLean spoke on the subject of "Water Dowsing". Mr. MacLean's fine sense of humor made this a most enjoyable program. He has been doing this sort of thing for about 15 years, and admits there must be some ESP involved, for not only can he locate water but also people and submarines.

He brought along some extra dowsing rods so that all the Rotarians could try their hand at it. Frank Lyman was the first to pass the course and was seen departing with a set of rods under his arm which he claims can locate dry martinis.

ANCHORS AWEIGH - Dick Kennedy has arranged a cruise around Casco Bay Islands through the courtesy of Commander Robert A. Lee of the U.S. Coast Guard. We should be at the South Portland Coast Guard Base at 2:30 on July 17th. We will return in time for our regular meeting. Please mark your calendars now.

A JOINT MEETING WITH KIWANIS

PROGRAM - With the gorgeous, balmy days we have been having, (21 out of 28 days, misty) it is nice to see our new permanent program chairman has a sense of humor. Our speaker, Mr. Gordon MacLean -- "Water Dowsing".

LAST WEEK - Louis Doyle, presented by Bob Chambers, told us why "Indians are People" With an average income per male adult between \$450.00 and \$470.00, school plants generally on a low level, employment opportunities not the best - they don't wish to, but do accept Federal and State Aid out of necessity. Indians don't want to be integrated, they want individuality in their community, preserving their culture.
